MEMORANDUM FOR THE PRESIDENT

Subject: United States Representation at the
Twenty-sixth Assembly of the World
Health Organization, Geneva,
Switzerland, May 7 to 26, 1973

Senser, David J.

The United States Government, a member of the World Health Organization, has been notified of the convening of the Twenty-sixth World Health Assembly in Geneva, Switzerland, from May 7 to 26, 1973. I recommend, and the Secretary of Health, Education, and Welfare concurs, that you designate the Chief Delegate, Delegates, and Alternate Delegates to this meeting as indicated on the attached list.

Public Law 643, 80th Congress, requires Presidential designation of the Chief Delegate, Delegates, and Alternate Delegates to sessions of the World Health Assembly. Senate confirmation is not required.

The individuals named on this list have been certified as to security in accordance with Public Law 643, 80th Congress, as amended by Public Law 298, 82nd Congress.

If you approve the proposed designations, the Department will proceed with appropriate arrangements.

Kenneth Rush
Acting Secretary

May 25, 1973

MEMO FOR THE PRESS OFFICE:

The President today announced the ^{designation} ~~appointment~~ of Dr. S. Paul Ehrlich, Jr., of Falls Church, Virginia, as Alternate Representative of the United States of America on the Executive Board of the World Health Organization.

The United States Government was elected to membership on the Executive Board of the World Health Organization for a period of three years on May 16, 1973.

The Board meets in Geneva, Switzerland, beginning May 28, 1973.

During the U. S. Governments last period as a Member of the Executive Board ~~Dr.~~ Dr. Ehrlich was our United States Representative on the Executive Board.

(NOTE: He will again be nominated to be United States Representative in the near future, however, in order that the U. S. Government be represented at the meeting commencing May 28th it is necessary to designate him as Alternate Representative until such time as he can be nominated, confirmed, and appointed as U. S. Representative.

~~There~~ There just isn't time to do this at this late date before the May 28th meeting.)

He will serve at the pleasure of the President and without additional compensation.

Tom Jones

I have attached a copy of the announcement on this same subject in 1969.

THE WHITE HOUSE

WASHINGTON

May 18, 1973

MEMORANDUM FOR:

ROY ASH

FROM:

JERRY H. JONES

SUBJECT:

Twenty-Sixth World Health Assembly

In the event the Twenty-Sixth World Health Assembly elects the U. S. to serve on the Executive Board, the Secretary of Health, Education and Welfare, Caspar Weinberger, has submitted the nomination of Dr. S. Paul Ehrlich, Jr., Director, Office of International Health, to serve as our representative. Dr. Ehrlich is a Republican from Virginia. Attached at Tab A is his resume.

Whenever the U. S. becomes entitled to designate a person to serve on the Executive Board of the World Health Organization, the President designates a representative of the U. S. by and with the consent of the Senate. The representative must be a graduate of a recognized medical school and have spent not less than three years in active practice as a physician or surgeon.

I recommend appointing Dr. Ehrlich. Jim Cavanaugh concurs in this recommendation.

LIMITED OFFICIAL USE

May 24, 1973

MEMORANDUM FOR THE PRESIDENT

Subject: Designation of the Alternate Representative of the USA on the Executive Board of the World Health Organization

The United States on May 16, 1973 was elected again to membership on the Executive Board of the World Health Organization.

Recommendation will be made shortly for the designation of Dr. S. Paul Ehrlich, Jr., of Virginia, as the Representative of the United States of America on the Executive Board. It is unlikely that this designation, which requires Senate confirmation, could be accomplished in time for him to attend the meeting of the Board which begins May 28.

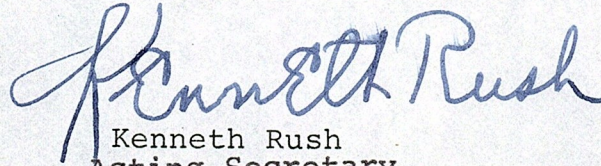

Since we actively sought our election to the Board it is important that the United States have representation at the forthcoming meeting. I recommend, with the concurrence of the Department of Health, Education, and Welfare, that pending the accomplishment of his appointment as Representative, Dr. Ehrlich be designated to serve as Alternate Representative.

Dr. Ehrlich has been accorded security clearance on the basis of a full field investigation by the Federal Bureau of Investigation which is being updated by the Department's Office of Security.

Nov. 7 1973

MEMO FOR THE PRESS OFFICE:

The President today announced his intention to nominate Dr. S. Paul Ehrlich, Jr., of Falls Church, Virginia, to be the Representative of the United States of America on the Executive Board of the World Health Organization.

He previously served in the same ~~post~~ position when the U. S. Government was elected to membership in 1969 for a three year term which expired in July 1972.

In May of 1973 the U. S. Government was again elected to membership for a new three year period which ~~began~~ began on May 28, 1973.

At that time Dr. Ehrlich was appointed by the President as the Alternate Representative of the United States of America on the Executive Board of the World Health Organization (this is a straight appointment not requiring Senate confirmation). He still serves in that capacity.

(You "posted" this appointment on 5/26/73 in Florida.)

(I have attached a copy of the info sheet I gave you at that time which explains why he was given a straight appointment at that time instead of being nominated for the post of Representative)

(NOTE: Why there has been such a long delay in getting around to nominating him can only be answered by someone in the Jerry Jones area. You will note the original request from the State Dept. is dated 5/23/73)

Although the U. S. Government was elected to a 3 year term, Dr. Ehrlich serves at the pleasure of the President.

MEMORANDUM FOR THE PRESIDENT

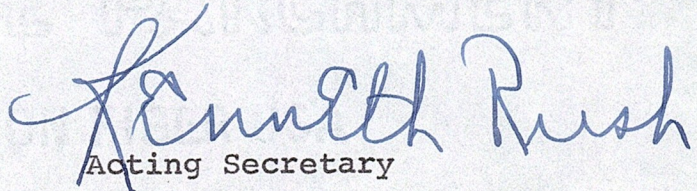

Subject: Nomination of the Representative of the
United States on the Executive Board of
the World Health Organization

The United States on May 16, 1973 was elected again to membership on the Executive Board of the World Health Organization. I recommend, with the concurrence of the Department of Health, Education, and Welfare, that Dr. S. Paul Ehrlich, Jr., of Virginia, who represented the United States during its previous term of membership on the Executive Board, be designated to represent this country on the Board during the term of membership which begins May 28, 1973.

This appointment would be made in accordance with the provisions of Public Law 643, 80th Congress, as amended.

Dr. Ehrlich has been accorded security clearance on the basis of a full field investigation by the Federal Bureau of Investigation which is being updated by the Department's Office of Security.

There is attached for your approval the nomination of Dr. Ehrlich as the Representative of the United States of America on the Executive Board of the World Health Organization.

NOVEMBER 8, 1973

Office of the White House Press Secretary
-----THE WHITE HOUSE

The President today announced his intention to nominate Dr. S. Paul Ehrlich, Jr., of Falls Church, Virginia, to be the Representative of the United States of America on the Executive Board of the World Health Organization. Earlier this year the United States was elected to membership on the Executive Board of the World Health Organization for the period expiring May 27, 1976. Dr. Ehrlich has served as Alternate U.S. Representative since May 26, 1973.

Dr. Ehrlich previously served as U.S. Representative on the WHO Executive Board when the U.S. Government was elected to membership in 1969 for a three year term which expired in July 1972.

Since August 1970, Dr. Ehrlich has served as Director of the Office of International Health in the Department of Health, Education, and Welfare. He has been with the Office of International Health since October 1967, serving as Associate Director for Bilateral Programs until October 1968 when he became Deputy Director.

He was born in Minneapolis, Minnesota, on May 4, 1932. Dr. Ehrlich received B.A. (1953), B.S. (1955) and M.D. (1957) degrees from the University of Minnesota, and an M.P.H. from the University of California at Berkeley in 1961. He served as a Medical Officer in the U.S. Coast Guard during 1957-58 and was with the Grants and Training Branch of the National Heart Institute during 1959-60. In 1961 he was made Chief of the Field and Training Section, Heart Disease Control Program, Division of Chronic Diseases, in San Francisco, California. From 1966 to 1967 he was Assistant Chief for Program Development of the Heart Disease Control Program and in 1967 he was made Deputy Chief.

Dr. Ehrlich is married to the former Geraldine McKenna. They have three daughters and reside in Falls Church, Virginia.

LIMITED OFFICIAL USE

MEMORANDUM FOR THE PRESIDENT

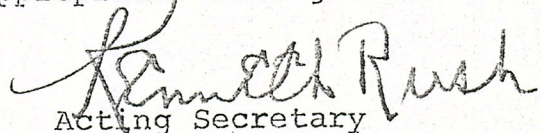

Subject: United States Representation at the
Twenty-seventh World Health Assembly
of the World Health Organization,
Geneva, May 7 through 25, 1974

The United States Government, a Member of the World Health Organization, has been notified of the convening of the Twenty-seventh World Health Assembly in Geneva, Switzerland, from May 7 through 25, 1974. I recommend, and the Secretary of Health, Education, and Welfare concurs, that you designate the Chief Delegate, Delegates, and Alternate Delegates to this meeting as indicated on the attached list.

Public Law 643, 80th Congress, requires Presidential designation of the Chief Delegate, Delegates, and Alternate Delegates to sessions of the World Health Assembly. Senate confirmation is not required.

The individuals named on this list have been certified as to security in accordance with Public Law 643, 80th Congress, as amended by Public Law 298, 82nd Congress.

If you approve the proposed designations, the Department will proceed with appropriate arrangements.

Acting Secretary

DRAFT PRESS RELEASE

The twenty-seventh session of the World Health Assembly, the supreme governing body of the World Health Organization, is to meet at Geneva, Switzerland, from May 7 to May 25, 1974.

The Assembly is composed of delegates representing all 135 Member countries. It meets annually to consider policy, program and budget matters relating to the Organization, and to review past activities of the Organization.

At this annual meeting, agenda items will include a review of the work of the Organization, especially in the areas of biomedical research, diagnostic materials, communicable diseases, cancer research, the human environment and health assistance to refugees in the Middle East. Budget, financial and program matters relating to the Organization for the coming year will also be discussed.

In accord with Public Law 80-643, the President has designated the following three Delegates and three Alternate Delegates to represent the Government of the United States of America at the Twenty-seventh World Health Assembly:

Delegates: Charles C. Edwards, M.D.
S. Paul Ehrlich, Jr., M.D.
Francis L. Dale

Alternate Delegates: Milo D. Leavitt, M.D.
Francis W. Parnell, Jr., M.D.
David J. Sencer, M.D.

The United States delegation will also include three Congressional Advisers and seven Advisers:

Congressional Advisers: Honorable Jacob K. Javits
Honorable Harrison A. Williams, Jr.
Honorable Paul G. Rogers

Advisers: James E. Banta, M.D.
Ms. Rose Belmont
Benjamin D. Blood, D.V.M.
James S. Cootman, Jr.
P. F. Robert de Caires, M.D.
Edward W. Lawrence
Coleman J. Nee
