Dear Morton:

I want to thank you again--both personally and as Chairman of the Federalist Society of Delaware Law School--for honoring us with your presence on Wednesday, October 5th. We greatly enjoyed your words of wisdom, and your one-liners too!! (Perhaps the reality of your words shocked a few of the stray liberals who found their way to your speech). Also, everyone who accompanied you to the Hotel DuPont for dinner had a great time, and we all felt privileged to dine with one of our top conservative leaders (and mentors), although we feel bad that you didn't get your lemon souffle for dessert.

We realize how busy you are and the many demands on your schedule--we very much appreciate the fact that you took personal time to speak at Delaware Law School. Thanks again!!

Respectfully yours,

Greg Feldman

Dear Morton:

This is just to confirm your speaking engagement at Delaware Law School on Wednesday, October 5, 1983.

As Joyce and I discussed on Friday, August 5, 1983, we will pick you up at the Wilmington train station at 5:59 P.M., and we will put you on the 10:38 P.M. train back to Union Station. We will send you a check for \$34.50 to cover the train fare in the near future.

I want to thank you very much for including the Federalist Society of Delaware Law School in your hectic schedule! We are honored, and we look forward to seeing you on October 5th. Thanks!

Respectfully yours,

Greg Feldman, Chairman

MEMORANDUM TO: FAITH RYAN WHITTLESEY

THROUGH: Jonathan Vipond, III

FROM: Morton C. Blackwell *MB*

SUBJECT: Invitation to Speak to the Federalist
Society of the Delaware Law School

I have been invited by the Chairman of the Federalist Society of the Delaware Law School, Gregory Feldman, to address their meeting on Wednesday, October 5, 1983.

The Federalist Society is an officially recognized student group and a part of the Delaware Law School and, as such, is a 501(c)(3) organization.

There are other Federalist Societies in other law schools. The purpose of the group is to provide a forum for discussion of various legal issues from the conservative perspective.

They have asked that I address their group on the issues of school prayer, tuition tax credits, and abortion. The format is approximately a 20-30 minute talk followed by Q&A.

Since they are a 501(c)(3) organization, they will provide the train ticket. I am scheduled to depart from Union Station at 4:30 p.m. on AMTRAK, October 5th and will return later that same evening.

I request your approval.
