President Franklin D. Roosevelt
White House
Washington, D. C.

Dear Mr. President:

I do not know if my words and plea will reach your heart, but I hope and trust they do. In the present situation and problems of the world, you stand like a guardian of a great volcano. MAY GOD HELP YOU IN THE SALVATION OF MAN!

Never in my life have I had such great admiration, respect and love of man as I feel for you dear President. Let the Lord give you some time to read and think over my writing and proposition.

As a naturalized citizen, I have voted three times for you. And now in my old age, I shall write of you, to let your name be forever praised by the Nation for keeping us free from the chains of tyranny. I believe all true Americans are thankful to be blessed with a President like you.

Everyone listens to your voice whether days are sad or happy, therefore, I plead for a half-hour program on January 1, 1942 (and again in July) where you will bestow greetings to the Nation at the New Year, and at the same occasion it may be helpful to all concerned, to ask of workers, for the love of freedom and our country, that they offer one hour's pay, the proceeds of which may be:

- 80% for the American Red Cross
 - 10% for the cost of collecting funds
 - 9% for the care of children inflicted with infantile paralysis, under your supervision
 - 1% for the author of this letter, which would be deeply appreciated.
-

I have faith in the Lord and hope in you that you may look upon my life which I will relate to you briefly.

-2-

I was born of Polish parents, in Poland in 1877.

In 1888, eleven children cried at the grave of our father.

Six years of my life were spent serving in the Russian Army, and then in 1912 I stood on the free soil of this wonderful country.

Being healthy, but without an education like most immigrants, I had no choice but to perform manual labor.

After the death of my first wife, I married again, and now have eight children, three of which are married. One son is now serving his third year in our great Navy, and is on the destroyer Greer 145.

For seventeen years we have lived in three rooms, rented at twenty dollars.

Three times have I met with accident.

I have worked 8,000 nights on the Pennsylvania Railroad, and at the present I am working days.

Although I am weak physically, my soul is strengthened by my faith in God and hope in you.

WITH THE LORD AS YOUR PROTECTOR
LET FREEDOM REIGN!

Thanking you for your attention, I am

Yours with the greatest respect,
