WITH THE COMPLIMENTS OF CURRENT HISTORY

Under separate cover we are sending you a copy of the August issue of CURRENT HISTORY. We would particularly like to call to your attention the article by Charles E. Stuart on "The Secret of Soviet Strength." Mr. Stuart was one of the top American engineers who very early went to Russia to help the Soviet government reorganize its industry.

While it is unnecessary to point out all the other articles in the August issue, we would like to suggest that you will find CURRENT HISTORY the most valuable single reference source on world affairs available today. If you are not already a subscriber, just fill out and mail the enclosed coupon to receive CURRENT HISTORY every month.

P.P.F.

Writes to the President to the effect that a short while ago he happened to pick up an old American silver Beaker, made about 1700 by a certain Anthony Isaac of Newport, R.I. Says he thought of the President's lovely collections, and is hoping that the President will care to accept it as a souvenir and a small token of gratitude for all the kindness and President has shown to him. -- On 10/8/42 the President wrote to King George stating that on his return from a trip to the Pacific Coast, he found King George's letter and "that wonderful old American silver cup." Comments on the lovely design of the cup and states he is placing it with one or two other old pieces of silver of the same period. President refers to Princess Martha's (of Norway) visit, stating that she and the children are back at Popok's Hill. States that Princess Martha has accepted a new subchaser at the Navy Yard here just before the President went away, and the President expresses the hope that by Spring time he will have a similar vessel for King George's Navy.

MR. EARLY: FOR YOUR INFORMATION

3-42-

x19

William Carroll wrote you a long letter in which he requested you to "tell Frank Walker when it will be convenient for a Committee of four, representing Cardinal Dougherty to present a Bible to the President."

In a second letter, he asked you to disregard this request -- said a "formal letter to the President was being sent by Monsignor Bonners" (the spelling of this name may not be correct).

In his first letter, he advised you of the death of the Cardinal's sister -- Miss Annie Dougherty, whose funeral is today. He asked that you or Miss Tully send a brief note to the Cardinal.

Mr. Hassett took care of this -- and the President sent a note to Cardinal Dougherty.

Dear Steve.

Kindly pardon the seeming familiarity, it is not that, but rather admiration, & confidence based upon that, through an intimate association with Joe Davis in recent weeks while perfecting plans for our all out unity Pontifical Mass for Victory, that was celebrated on Sunday at Convention Hall in Philadelphia that prompts this friendly form of address.

The underlying significance I feel will be of interest to you, it was intended to place the vast spiritual resources of our country behind and under our beloved President in this critical hour in the history of our country.

The Cardinal's address if you will

Read it carefully leaves nothing to the imagination & clarifies once and for all all doubt & confusion that may have remained in the minds of <sup>many</sup> concerning the vital question of Morals & final Authority.

Kindly bear in mind that next to His Holy Father, Cardinal Dougherty is the ranking prelate on the North American Continent notwithstanding the mere technicality of seniority that enshrines Cardinal O'Connell.

On three ~~of~~ separate occasions His Holy Father has appointed Cardinal Dougherty as His personal Representative at the various Eucharistic Congresses held on this Continent & that question therefore has been settled by His Holy Father himself.

The reports that are pouring in from all over the country are an evidence of the joy that greeted his solemn words

placing the Catholic Church squarely  
behind the President.

Incidentally I have given Ethel Davis  
carte blanche to translate his message  
into every foreign language, & specifically  
into Italian & send it at once into  
the very heart of the Eternal City <sup>and</sup>  
shake Mussolini from his tottering  
Throne.

In short it is designed to be  
God speaking will be an all out effort  
behind our beloved President, for God  
never contradicts Himself in His Work &  
next to Love of God is Love of Country &  
at this moment President Roosevelt  
is our Country.

You are no doubt aware of the origin  
of this movement which began through  
a discussion with our mutual friend  
Frank Walker & his very able assistant  
Pie Bronin, then at a very critical  
period another mutual friend and  
one of God's noblemen Joe Davis came to  
my assistance & has been most  
helpful <sup>and</sup> to all of clergy and  
men I owe a very deep debt of

gratitude.

Now about the Presentations that are to be made to the President in connection with this Celebration.

The first is the Spiritual Bouquet a picture of which I sent to you with the Bible & a description of its symbolism.

It is a magnificent work of art, that a Holy man Mother Bernice of the Holy Child spent 106 hours of loving labor in executing this little masterpiece.

No 2. Is a Bible similar to your own with the following exception.

In Rome when a Cardinal presents a gift to the Head of a State it must bear the Cardinals Crest & Seal of Authority. This Bible then will be in accordance with the Protocol, it is bound in beautiful leather of Cardinal red & bears the seal & shield of the Cardinal. A special page has been inserted for the inscription a copy of which is enclosed, & at this moment I think it constitutes

in itself an historic message.  
With these two gifts will be autographed  
copies of His Cardinal's address  
and that of Bishop Lamb's &  
this will constitute a complete  
record of this affair.

In connection with the Bible  
it will be of interest to you to know  
that when I asked His Cardinal  
to inscribe His Bible to the President  
he did so in my presence, &  
then asked me to read  
the inscription back to him,  
as I did so tears came to his  
eyes & for the first time I  
knew the love that prompted  
him to place the vast  
resources of the Catholic Church  
squarely behind our beloved  
President at this critical  
hour in our country's history.

I do not care to present these  
gifts through political

channels, to do so would  
be to mix politics with Religion  
which I know Mr President does  
not like & we love him all  
the more for it.

Therefore will you kindly tell Frank  
Walker when it will be convenient  
for a Committee of four representing  
His Eminence & the Archdiocese  
of Phila to call for a period not  
to exceed 10 minutes, no fiction  
no publicity or anything else so far  
as we are concerned, but we will  
gladly do anything that in your  
estimation will be helpful.

The Cardinal's Sister Miss  
Annie Dougherty died last  
night at the ripe old age of  
82. God spared her to hear  
her distinguished brother  
make his plea for unity on  
Sunday & she died happily.

SHERWOOD 7600

She will be buried very simply  
on Friday Nov 6th & there is  
no occasion for either sorrow  
or sympathy as she <sup>has</sup> gone  
to her Eternal Reward.

However if yourself or Miss Tully  
could find time to send  
a brief note to the old  
gentleman I am sure  
we will appreciate it.

Sincerely & Gratefully Yours.

Bess Carroll.

This entire thing is also  
a part of Joe Davis' mission.

Sincerely

Bess Carroll

To his Excellency, our beloved President,

FRANKLIN DELANO ROOSEVELT:

With best wishes for every choice gift of God, whom we beseech to guide, enlighten and keep him in health and strength for the welfare of our Nation.

May our entire people unite as one man behind our Leader, and uphold his hand in this hour of our trial, in order that our Republic, founded on liberty, justice for all, and fear of none but God, may last and prosper.

Writes the President that he would like to give him a turkey for his Thanksgiving dinner. Says the President can have a bird similar to the one that he had last year. Asks that the President (or someone whom the President designates) contact Mr. Potts office at the Beltsville Research Center with instructions for Mr. Cave.----Miss Tully, Nov. 23rd, sent a memo to Guy Spaman asking him to send someone out to Beltsville to get the turkey and saying the man should present himself to Mr. Potts. Miss Tully, Nov. 23rd, sent Memo. to Mr. Cave re the turkey.--The President, Nov. 30th, sent a personal letter to Judith Leitzel, the granddaughter of Mr. and Mrs. Daniel J. Cave, asking that she convey his appreciation to her grand parents for the turkey that was given to him for his Thanksgiving dinner. The President said it was perfectly delicious and was enjoyed ever so much by all of the members of his household.
