Dear Sir,

I am sending you a copy of the Bible
that is used in the teachings of Christian
Science and Health with this is the Scriptures
By Mary Baker Eddy.

The same has been sent to you by me for your
last birthday.

I have worked out a plan that can
be used for all time.

This plan consistent to the teachings of
Christian Science has proved itself in
daily experience, and demonstration.

Although I have only an 8 year
public school education and 6 months of
high school. I should like to prove this
discovery in practical experience. a plan that
fulfills its merits in human needs.

I trust that I can be of some service to you.
I am receiving Home Relief and am
grateful to rest on this guidance.

To His Excellency Franklin D. Roosevelt,
President of the United States of America:

Dear Mr. President: I have the honor to send you a copy
of my book "Política Exterior del Presidente Franklin
D. Roosevelt" (Foreign Policy of President Franklin D.
Roosevelt)

This work is the result of one year research, done
far apart from the best sources of information.

In writting this book I aimed two major purposes:
to supply the readers, specially these beyond the Rio
Grande, with a complete outline of our current foreign
policy, and to pay homage to the greatest statesman of
our age.

Additional copies can be obtained either from me or
from my agent in México, D. F. I shall be glad to
authorize new editions or translation.

Very respectfully,

J. Villaronga Charriez

The Honorable Franklin D. Roosevelt
President of the United States
The White House
Washington, D. C.

Dear President Roosevelt:

Although you have so much to occupy your time and mind, it is possible that you may have heard of the campaign now under way in Los Angeles County to sell a minimum of \$40,000,000 of War Bonds during the month of July to pay for the Cruiser U.S.S. Los Angeles. The details were arranged with the Navy and Treasury Departments some weeks ago, and the Honorable Frank Knox, Secretary of the Navy, was with us on June 30 to launch the campaign.

The famous naval artist, Arthur Beaumont, has done a good deal of work on behalf of the campaign. Among other things he has done an original lithograph on stone, a first hand print of which he has autographed, and it is being mailed to you under separate cover.

Our community is sincerely and patriotically aroused over this campaign. It is one of the finest things that has ever happened here. We feel that Arthur Beaumont has done an outstanding job, and we thought that you might wish to keep your copy as a part of your permanent collection. We hope you will agree with us that it is beautifully done.

We want our cruiser to be completed soon enough to help finish the grand job that our Navy is now doing in the Pacific.

Sincerely yours,

GEORGE SHELLENBERGER
Executive Secretary

Print Case

July 20, 1943

My dear Mr. Shellenberger:

The President has asked me to thank you for your letter of July ninth, in which you so proudly apprise him of the campaign that is now under way in Los Angeles County, to sell enough War Bonds to purchase the Cruiser U.S.S. Los Angeles. To know that the home folks are keeping faith with their boys in the armed forces must be as heartening to them as it is, I assure you, to the President.

Your tribute to the artist, Mr. Arthur Beaumont, has been noted with appreciative interest and the President wants you and the members of your Committee to know that he is exceedingly grateful for your kindness in presenting to him that beautiful print, autographed by Mr. Beaumont.

Very sincerely yours,

Grace G. Tully
Private Secretary

Dr. B. Cooper - Request to send gift to
President Roosevelt

Dr. Bernie Cooper, DDS, 10115 Superior Avenue, Cleveland, Ohio,
called at this office today requesting permission to forward
two caricatures of President Roosevelt and Prime Minister Churchill
to the President as a gift. Dr. Cooper is a dentist and his hobby
is the making of caricatures of various persons out of various
odds and ends of metals. Pictures of some of his handiwork ap-
peared in Life magazine the week of May 3, 1943 on Page 107.

Enclosed herewith is a photograph of the caricatures which he
proposes to forward to the President. He states that if same is
permissible, he desires to forward one set for the President and
another set for presentation to Prime Minister Churchill. These
models are approximately 6" high, weigh about 2 pounds, and are
made of discarded 50 mm. projectiles and odds and ends of nuts,
bolts, and washers.

It is requested that you furnish this office with information
as to whether or not these models should be forwarded to the
White House and if so, kindly furnish instructions concerning
the method of shipment, address, etc..
