My dear Mr. President:

Last year in September we wrote and asked you if we could not dedicate the El Paso High School annual to you. Now the book is out and I am sending you a copy.

We dedicated the theme Pan - Americanism to you with our hearts and souls, in hopes that we could in some way show how thankful we are that we live in a free country and have such a grand man as you for our leader.

I hope you will find some spare moment in which to look through THE SPUR.

Dear Sir:

I am sending you by express
a walking stick.

We are American Missionaries having served
India 38 years. We feel we owe you and our glorious
American Govt our heart-felt thanks for having
sent a Troop Ship to bring us safely home. We
landed in New York July 13th but we are
pledged not to reveal the name of our Ship.
Our Captain was a wonderful man and guided
our Ship so faithfully thru many perils in the sea.
As a token of our appreciation and high esteem
I am sending you this cane made in India in
my own little workshop where old men & orphan
boys were helping me. This cane is made of ebony
and Sandal wood. The band is Indian silver
upon which I intended to engrave your initials, but
we were called away suddenly from India so I
must leave that for others to do.

Mrs. Eaton and I have been engaged in aiding
the outcastes of India, having built a wonderful
home in Bangalore S. India, where hundreds are
sheltered and cared for. We thank God it has been
our joy and privilege to serve so many destitute ones.

Poor India is in a sad plight - internal troubles
within and invasion threatened from enemies without.
Therefore we feel safer in our own Native Land, and
we appreciate being at home again.

Pastor and Founder Elder Mother
Rose A. Horn.

I am writing you in reference
of a vision from the Lord, I had.

thru prayer, I am ordered
by a "Deity Supreme" to address you
via mail, I have a command from
the Good Lord to spread this vision
to you.

It was laid on my heart and I
cant refuse longer.

Hon., Sir, I am enclosing a sample
of my vision done in Needle & Thread
by me.

I saw every thing in a Victory slogan
such as. Victory Soft Drinks, Victory Food
Names of Business, Victory Toys, Victory
toys etc. - But nothing for Jesus.

It grieved me and I "questioned"
the Lord; Asking Oh! God, Why are
"these things, Then in my meditations
this answer was given me.

There is no Victory save thru
Our Lord Jesus Christ.

And gave me this scripture
1st Cor. 15 - chapter 57 Verse -

III

But Thanks be to God Which giveth
us the Victory Thru Our Lord Jesus
Christ.

After receiving the Scripture I be-
gan to Thank the Lord for it; I felt
like I could get more from the Lord.
I was not satisfied, so after while I
began to pray and tarry before the Lord,
and the Lord was truly dealing wonder-
fully with me.

After meditating I rose taken the
pencil and drew the letter V- for Victory
I placed in the V- all the other
words that the world should be glad.

The little cross in the bottom of
the letter V- represents the cross, where
Our Lord was crucified, according to
the scriptures.

The White denotes pureness.

The Red denotes the "Precious Blood
of Our Lord Jesus Christ," shed to save
all, thru Victory over Death.

Mr. President, I know you are as
 "Our Dear Deceased President Lincoln"
 a "God" fearing man.

I am asking you in the name of
 "God the Father," "Jesus the Son" and the
 "Blessed Holy Ghost" to call a nation
 to an endless prayer every day - Luke
 18th Chapter 1st Verse.

Men ought always to pray and Not to
 faint. We Will succeed.

1st Chronicles, 29th Chapter - 11th Verse.

Thine Oh! Lord is the greatness,
 and the power and the "glory" and the
 "Victory" and the Majesty, for all that
 is in the Heaven and the earth is "Thine".

Thine is the Kingdom, Oh! "Lord," and
 Thou are exalted above all.

Isaiah 25-8-

He will swallow up "Death in Victory"

V

and the "Lord God" will wipe away
wipe away tears from off all faces,
and the rebuke of his people shall
he take away from off all the earth,
for the "Lord" hath spoken.

Mr. President. I sincerely hope
you will accept this symbol
of Holiness from an humble servant
of God, and I pray you have the Di-
vine Guidance; Faith believing Victory
is yours.

Dear President Roosevelt:

It has been my wish for a long time to send you this album of stamps. To-day as we are doing our all for this war effort, I cannot help but think of the giant task that is before you the leader of our Nation. I want to express my personal gratitude and assure you that we all are behind you to WIN THE WAR. Perhaps you may find a few minutes of relaxation from your worries as you go through your stamp collection. Since I have grown older I have other hobbies so please except these stamps for yourself or someone you wish to start a collection for.

My classification is Three-A and I have a family of three, my wife and two daughters. I am twenty four and now posses an Amateur Radio License, which will put me in line for a Radio-Operator's job. In the CCC I operated Radio for The Government for one Year.

I would like to tell you of the fine job you have done for the Youth Of America in the CCC. As a member of that organization I gained very valuable experience under the guidance of Army Reserve Officers and Forestry Men. These men we all can be justly proud of.

Sir, as your time is very valuable I will not take too much of it. I hope there is some stamps you do not already have, at least a cover or two.
