Dear Mr. Early:

"Click", the National Picture Magazine, would like to publish a picture story on the gifts received by the President from well-wishing citizens. I understand that every week the President receives many gifts, which may eventually be included in the museum of his administration when it is erected at Hyde Park. x 17,572

The magazine has asked me to write you for permission to photograph several of such gifts, which are now being held at Washington or elsewhere. It goes without saying, of course, that such cooperation would be most sincerely appreciated. x 72-C

Cordially yours,

Kermit Kahn

My dear Mr. Kahn:

This will acknowledge your letter of March twenty-sixth. I should like to cooperate with you in your desire to make photographs of certain of the gifts received by the President. Previously this would have been easy because those gifts were on exhibition in a room on the ground floor of the White House which was open to visitors.

The situation now, however, is changed. The bulk of the gifts are forwarded to Hyde Park where they are being stored in the museum section of the library. Ultimately some of them will be on view there.

At the present time there are no gifts at the White House of any special interest and one never knows when interesting gifts will arrive. As of today, I doubt if there are any gifts here that would be of photographic interest.

Very sincerely yours,

STEPHEN EARLY

Dear Mr. Kahn:

This acknowledges your further letter of April third. The difficulty in granting your request to photograph gifts in the library at Hyde Park is that the library is not yet open to the public. In consequence, the gifts have not as yet been assembled—in fact many of them are still in the packing cases.

It is possible that later this season the library may be opened to the public. In that event and when the gifts have been unpacked and put in position so that they could be photographed, it will be a pleasure to extend to you the same privilege as will be extended to other photographers.

Very sincerely yours,

STEPHEN EARLY

My dear Mr. Early:

Thank you for your letter of April 2, replying to my request, on behalf of Click Magazine, for permission to photograph the President's gifts, and saying that most of them are now located at Hyde Park.

Your patient, detailed answer is most sincerely appreciated; so much so, in fact, that I can't help wondering if, since many of the gifts are housed at Hyde Park, there would be any objections to our photographing them at the Duchess County residence. A little matter like lack of cataloguing could probably be easily overcome by our photographers, who are little models of patience and assiduity.

Permission to do this would find me very grateful, for the Magazine is most anxious to be able to treat this amiable subject, and I would be deeply appreciative if you would make every effort to let us do it.

Sincerely yours,

Kermit Kahn

Dear Mr. Kahn:

This acknowledges your letter of June twenty-fifth. I am glad to advise you that if you will get in touch with Mr. Fred W. Shipman, Director of the Franklin Delano Roosevelt Library, Inc. at Hyde Park, New York, he will extend full facilities for you to make the photographs you write about.

I regret to advise you that this office has no list of the gifts housed at the Library.

Very sincerely yours,

Dear Mr. Early:

Now that the Franklin D. Roosevelt Library is scheduled for dedication next Monday, I would like to take advantage of your offer to permit "Click" Magazine to photograph some of the President's gifts assembled there.

If you recall, a while ago I wrote you asking for this authorization on behalf of "Click", which wishes to do a story on the President's Presents, and you replied that this could be arranged following their assembly at Hyde Park.

If you could let us have this permission now, together with advice on whether any definite appointment need be made, it would be greatly appreciated. I would like to know, too, whether it would be possible to obtain in advance a list of the gifts housed at the Library.

Sincerely,
Kermit Kahn

The Japanese Embassy presents its compliments to the Department of State and has the honor to state that Mr. Toyohiko Kagawa, a prominent Japanese Christian social worker, author and lecturer, would like to present to President Roosevelt a portrait of the President as a token of his deep appreciation of the kindness shown him by the President in connection with his entry into this country a few years ago.

The portrait was painted by a Japanese artist Mr. Tobun Hayashi with peculiarly Japanese technique, from a photograph of the President loaned by the American Ambassador in Tokyo, Mr. Joseph C. Grew.

Mr. Kagawa wishes to present also the instruments called "suzuri" (ink Box) and "fude" (brush), which the artist used in painting the picture and which he thinks may interest the President.

The Embassy begs to request the Department of State to be good enough to see that these presents may be duly transmitted to the President if he will graciously receive them.

President Franklin D. Roosevelt,
Washington, D. C.

Your Excellency:

As a token of my deepest appreciation of your great kindness accorded me on my landing in your country a few years ago, and also as an expression of my congratulations to you upon your relection for the third term as President of the United States, it gives me great pleasure to present to you this portrait "Kakemono" of your excellenct drawn by a Japanese artist, Mr. Tobun Hayashi.

Mr. Hayashi is a master artist om drawing portraits with Japanese brushes. He recently drew my portrait, and it was so well done that I was led to ask him to draw your portrait.

His speciality is to reproduce portraits portraits from ordinary photographs making them as realistic as those of living persons.

He has never met you, but we have been fortunate enough to be able to borrow your excellent picture from the American Ambassador, Mr. Joseph Grew. From it he produced this portrait.

So please accept this with my best wishes and with my sincere and earnest prayer for ever-lasting international good-will between our countries and for world peace at this difficult time.

Most respectfully yours,

Signed Toyohiko Kagawa

You have the lithograph of the Sabine and U.S. Transport Governor, during the Civil War - The rescue of the four hundred marines was the work of my father, Admiral George Beall Balch - who was Executive Officer of the Sabine -

He called for volunteers and his rescue work was successful - One of the rescued officers gave him a picture of the ships, and a gold headed cane -

The last destroyer named for Father, I was to have christened but was ill at the time -

We are proud of the Navy and knowing your interest in all that pertains to it, I gave John the picture to copy -

We are sending you some dinners for your splendid work from the school and all -

With best wishes in your gallant fight for England and the world at large -

Man's testimony of three healings in his family; coming from the Lord Jesus Christ.

During October and November 1926 my wife was sick with cancer in the womb. She was five weeks in the Lane Hospital San Francisco. As a last resort an operation was advised. On the operating table for four hours, and doctors found the cancer in such condition that they dare not operate on her. They were afraid she would bleed to death or that blood poison would set in. They said that even if she were operated on, she would only live five to ten hours in intense agony. Three days afterwards she weighed only a hundred and fifteen pounds.

The doctors told me, "No man in the world can cure your wife. The longest she can possibly live is one month." They also said that it was no use to spend time or money, as there was no hope of any kind for a cure. She was sent home and was twelve days without food or water.

But, Praise the Lord! On the twelfth day at five o'clock P. M. a man and woman came to my house. They were strangers to me. The evangelist said, "We heard that your wife is sick and not expected to live." I answered, "Yes."

THE GREAT PHYSICIAN IS MY LORD JESUS CHRIST

★ ★ ★

Man's testimony of three healings in his family; coming from the Lord Jesus Christ.

During October and November 1926 my wife was sick with cancer in the womb. She was five weeks in the Lane Hospital San Francisco. As a last resort an operation was advised. On the operating table for four hours, and doctors found the cancer in such condition that they dare not operate on her. They were afraid she would bleed to death or that blood poison would set in. They said that even if she were operated on, she would only live five to ten hours in intense agony. Three days afterwards she weighed only a hundred and fifteen pounds.

The doctors told me, "No man in the world can cure your wife. The longest she can possibly live is one month." They also said that it was no use to spend time or money, as there was no hope of any kind for a cure. She was sent home and was twelve days without food or water.

But, Praise the Lord! On the twelfth day at five o'clock P. M. a man and woman came to my house. They were strangers to me. The evangelist said, "We heard that your wife is sick and not expected to live." I answered, "Yes." He said, "If you believe in God, Jesus Christ will heal your wife." I said to him, "Don't you think I am a good Christian myself?" He answered me saying, "Everyone calls himself a Christian by the mouth but not many are really so at heart." I asked, "What do you mean by that?" He asked me if I was a sinner before God. I said, "Everybody is a sinner before God and maybe I am the worst." He said, "Praise the Lord."

"God sent His only begotten Son, Jesus Christ, into the world to save the sinner from sin. And if you believe that He, Jesus Christ, was crucified especially for you on the cross of Calvary; that He died, was buried and arose the third day; and that He has the power through the Blood; HE WILL FORGIVE YOUR SINS AND HEAL YOUR WIFE. I said, "Your words sound good to me, but what can I do for my dying wife?" He answered saying. "If you believe, we will pray to God in the name of Jesus Christ and trust Him." All four prayed for about ten minutes and they went home.

In a half hour or so my wife said,, "I feel hungry." And, Praise the Lord, she was healed right there. I did not know the power of prayer. God says in the Bible that He knows what you have need of before you open your mouth. MY SON had been sick with asthma for ten years; MYSELF with stomach trouble for twenty three years. We were all three healed and were saved by one prayer. If you seek salvation, see Romans 10:8-14-17; for healing see James 5:14-16, Mark 16:15-20. Psalms 103:3.

Praise the Lord! For the past fourteen years we have never been sick; no medicine, no doctors. Our doctor is Jesus Christ, the Son of God. Three months after my wife left the hospital a nurse came to investigate what had become of her. Doctors had expected her to die long before this. The nurse asked to see Mrs. D. Kardassakis. My wife said, "I am she." The nurse said, "I want to see the sick one, and will not leave until I get complete information about her." My wife testified to the nurse what Jesus had done. The fourth month after the healing the same doctors examined her and found her condition perfect. She had gained twenty-four pounds up to then and weighed (139) one hundred and thirty nine pounds, and gained to 175.

November 1931 — Examined again: found the condition perfect. Praise the Lord All three of us are still well. If you are a sinner and sick, ask the Lord Jesus Christ to forgive your sins and heal you. He is the same God yesterday, today and forever; I Jno. 1:7. When we are sick or have sin, we pray the Lord and He heals us; and He has baptized us with the Holy Ghost. This Jesus Christ, the Son of God, is mighty to deliver. Praise His Holy Name Forever ! !

And ye Shall Serve the Lord your God, and he shall bless thy bread, and thy water: and I will take sickness away from the midst of thee. Exodus, 23:25.

PRAYER OF FAITH IN GOD

Dear Heavenly Father; I come before Thee in the name of my Lord, Jesus Christ. I pray, O God, my Father, have mercy on me and forgive my sins because I am a sinner before Thee. I know you love me for thou art a merciful Father and did send Thine only Begotten Son, the Lord Jesus Christ, to the Cross of Calvary to shed His Precious Blood for my sins. He died for me and the third day He rose from the dead and I believe the Lord Jesus Christ now sits at the right hand side of Thee and He prays for me because He is a Merciful Saviour and I believe the Precious Blood of Jesus cleanseth me from all my sins. I believe this moment you have forgiven all my sins and have written my name in the heavenly Book of Life. I pray, O Father, I am helpless and sick; lay Thy powerful hand upon me and rebuke the enemy's power on me and heal me. I promise I will give my testimony to help the sick, and Father, protect me from now on, with thy power, I will sin no more and help me to do Thy Will. Praise Thy Wonderful Name! Hallelujah! Amen!

Note:—You MUST pray before God because this is His Command.

INVITATION

Dear Reader: Please give careful attention to my instructions. Open your Bible and study the Word of God, in the Almighty Name of the Lord Jesus Christ. For this handkerchief read Acts 19:11-12. Mark 11:22-26. Mark 16:15-20. James 5:13-16. Psalms 107:20.

My Dear Lord Jesus agrees with me for your healing. Matthew 18:18-20. You will agree, obey the Bible and repent of your sins. 1 John 1:7-10. Romans 10:8-17. Kneel down and pray unto the Lord. He is in front of you by the Holy Ghost. Ask Him to forgive your sins and heal you. Give Him your honest promise that you will serve Him by giving your testimony to help other sick people. This is God's command. Psalms 105:1-2. Luke 12:8-9. Then the Lord will heal you, soul and body, through the precious Blood of Jesus. God's promise, (Exodus 23:25) "And ye shall serve the Lord your God, and He shall bless thy bread, and thy water; and I will take sickness away from the midst of thee."

At last, take the handkerchief in the Name of the Lord Jesus Christ and place it upon the chest of the sick person, and trust God. Obey and glorify His wonderful Name. Thank Him and praise Him. Hallelujah! Amen!

WHY MANY CHRISTIANS SUFFER WITH CURSED DISEASES

Because of disobedience, reads God's Word. Deut. 28:15-68 gives us the names of the curse-diseases. Examine yourself wherein you have disobeyed the Word of God, for your own benefit.

The Holy Ghost puts every Christian to work, as He wills, the office being selected from God, and He gives gifts as He wills. Read 1 Cor. 12:6-11 about these spiritual gifts from the Word of God. Every Christian must know his office work so as not to do the other man's work, thereby causing confusion. (God forbid). Every disobedience receives chastisement, for correction, but all these worketh that one and the selfsame Spirit, dividing to every man severally as He will. Read 1 Timothy 5:22.

Many servants of God do the wrong things, such as laying hands on the sick without authority from God, and contacting demon power, and offering prayer before repentance has been made by the sinner. God will not answer such a prayer. After the sick person repents of their sins, then they are ready to be prayed for to be healed.

Read Jeremiah 17:5, "Thus saith the Lord: Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the Lord."

We suffer because of the curse upon us, for our disobedience to God's Word. Jeremiah 8:22. Jer. 30:13. Jer. 46:11. REPENT! REPENT! REPENT! Psalms 103:3, "Who forgiveth ALL thine iniquities; who healeth ALL thy diseases." Give thanks unto the Lord for your correction and glorify His Wonderful Name, for His mercy, and follow Jesus. Matthew 10:38. "And he that taketh not his cross, and followeth after Me, is not worthy of Me." You MUST give your testimony to help the sick to have faith in God. This is the COMMAND of GOD for EVERY Christian. Read Psalms 105: 1-5. Luke 12: 8-9. This is the way to glorify God and save souls. Hallelujah! Amen!

INVITATION

Dear Reader: Please give careful attention to my instructions. Open your Bible and study the Word of God, in the Almighty Name of the Lord Jesus Christ. For this handkerchief read Acts 19:11-12. Mark 11:22-26. Mark 16:15-20. James 5:13-16. Psalms 107:20.

My Dear Lord Jesus agrees with me for your healing. Matthew 18:18-20. You will agree, obey the Bible and repent of your sins. 1 John 1:7-10. Romans 10:8-17. Kneel down and pray unto the Lord. He is in front of you by the Holy Ghost. Ask Him to forgive your sins and heal you. Give Him your honest promise that you will serve Him by giving your testimony to help other sick people. This is God's command. Psalms 105:1-2. Luke 12:8-9. Then the Lord will heal you, soul and body, through the precious Blood of Jesus. God's promise, (Exodus 23:25) "And ye shall serve the Lord your God, and He shall bless thy bread, and thy water; and I will take sickness away from the midst of thee."

At last, take the handkerchief in the Name of the Lord Jesus Christ and place it upon the chest of the sick person, and trust God. Obey and glorify His wonderful Name. Thank Him and praise Him. Hallelujah! Amen!

Dear Miss LeHand:-

Under separate cover I am mailing to you a pamphlet of an from far away erudite writeup of the long ago, and I trust that I have not committed a breach of propriety in doing so.

I just finished reading an article relative to the omniferous reading habits of the GREATEST President our wonderful America ever had,and just wondered if it would not be a relief to him to scan lightly over such as light matter in the pamphlet.I am fully aware that he has no time under the difficult matters confronting the President and which the people as a mass have confidence that he will handle to the very best interest of the Nation.

If it is possible to get this pamphlet in his possession,and that there is no impropriety in doing so,I will greatly appreciate,not by reason of lack of weight,neither is it of any worth-while,just a profusion of thoughts that was brought to my mind from a dream that touched a main spring in my mind from a dream of some child-hood days,hurriedly written just for a keep-sake for my family.

I do hope that I have not erred in sending this to you,and,if you will,kindly drop a postal of its receipt.

Most respectfully

Wm.R.Karsteter.

Will you give me some duplicates of stamps if you have any to spare? I am on my first year of stamp collecting and have my firs t album almost full.Of course it is only a small album from the 5 and 10 cent store.

I am sending you a picture of the White House.I drew it by looking at pictures.Two of the pictures must have been anti each other because one picture showed 2 chimneys and one picture showed 4 chimneys.

Well,I'll end it by saying my street and number.

Dear Mr. President:

A few days ago, we sent you a complimentary copy of our newest publication, MR. ENGLAND, by Paul Manning and Milton Bronner.

We thought you would be interested in reading this story of Britain's "man of action," particularly for its three outstanding features. First - It is a complete and authentic biography of Winston Churchill. Second - It is a vivid pen portrayal of the venturous life of this vigorous Englishman. Third - The price at which it is offered, $1.00, makes it available to thousands of Americans who are not frequent book buyers.

At the back yard gate.
She smiled and told me.
Of a dream she had.
Of things she'd hope to do
Of happiness and sorrow
The whole year through
At the back yard gate.

She spoke of the neighbors.
And about her garden too.
And then her kiddies
Came to play beside her
There - and I'm still
Hearing her call. I'd say
Even though she's far away.
I love her as I did.

Each day has its light

God keeps helping us

beautiful we know
it could not be a mis-

Day.

at a sunrise
Filled with Hope
and filled with joy
There's a promise
In the sky.

It may mean a greater part
of the promise of God's heart.

But look and see - 'tis
yonder day.
all the glooms are washed

'Tis God's sky all radiant

From the shadows of the
night.

'Tis day - be glad - 'tis day.

Why! Why? Why?

The whys of life are many.
The quest is ever true.
The why of me does not explain
The very why of you.

One eternal question
Stands out like shining sands.
The why of Earth or heaven
Our hearts to understand.

A motto stands before us
'Tis simple that is true
As long as God be for us.
Our faith will be renewed.

M. B. Kingery.

I sit and look about me.
I think I ought to know.
But after all I ask me
Just how we think 'tis so.

Yes, the why of this
And the why of that
Will help our minds to
But in the right direction
We'll try and win the goal.

Why does fruit grow on a tree
And vegetables in the ground
And why - the wonder of each day
The answer I've never found.

O tell, little why word -
Why - do we try to know
So very many little things -
My life should help me grow!

The Back Yard Gate.

The back yard gate.
Is a beloved place.
Where friends go to wait
And talk about the duck.
The chickens and the goat -
They joke they laugh.
And share their glee.

While standing at
The old back gate.

They consult about

And live - right close.

They grieve and share
The joys of our own

Then it all there ran
a thread of gold and purest

They sat and I sat
And wondering just why

Words paint pictures
Of mysteries sheen -
They're filled with music
Or a dreamers dream -

Words make a book
Be of value to you.
Or words tear our love
Like a paper - in two.

But watch and see
About you - the results
Of them all.
Words are from heaven
Or with them we fall.

Build with the Knowledge
It is well to be wise
Love words and Know them
They comfort and guide -

Words - just words
But O - what they mean
They dress you in silver
Or - shame you - it seems

Myself May 13-37.

May Time Is Peace.

May time is Peace time
While flowers are in bloom.
Peacefulness is so busy
Keeping life in tune.

May time is the gay time
When Natures love tells us.
The urges of happiness is here
For a gayer play time my dear.

May time filled with blossoms
Of the dog bloom so very white
In all their beauty we see.
God's great plan of mistery.

Here a bloom and there a blossom
Here a song and there a sigh.
There is music in the air
And summer time is nigh

Peace time is ever present
When we with nature do agree
God gave us all this loveliness
For all the others - and me.

The Sun Across The Sky.

The sun never sets,
And neither does it rise
But always does it travel
Across the heavenly skies.

It changes its position
And service does it give.
Is always in situation
But actively does it live.

It's colors gay and bright
Are changed each day.
And at it's movements
comes the Lights glad rays.

Failure.

Everyone has a right to be a failure.
Even birds that fly above over-head.
Everyone has a right to be lonesome.
Why - in that seems to be the fun.

Life is such a glorious conection -
That we find amusement all about.
But just why is it so needful,
If some purpose to it went without.

Without the understanding
To help him be a better man.
And me a lovelier woman
And know and help them understand.
Why a failure ?!

Everyone has a right to be a failure.
Even though He be called a man,
Even woman who has stood.
Such little things.

as babies in their babyhood.
and life and bubbly things.

Failures are so very nice
Everyone has loved them with their care.

So big guy - don't you falter
Mother was a failure -
Thats the reason you are here.

M. B. Kingery.

Myself & Failure -

a part of lifes lessons in life are to cause us to adjust and grow to prepare for the standing before and with the Angel Courts -
None of us know just when -

Mrs. Bradner failed to live as long as we - Therefore she was the failure in that incident.

Pop Wingery was a failure to be a barber instead of a boilermaker.

I failed to be an actress to become a wife and mother.

Some people fail to be content as they are and so they get busy to create something.

While mother was busy taking time out away from active interests - like being an actress - you may have been in the action of growing into a baby.

Therefore she was a failure as an actress or a songstress -

a failure at one thing does not mean a failure at all things.

But instead of doing other things she did help you to be yours.

M. B. Wingery.

Myself. July 40.

Wonder.

Isn't it wonderful when we look and see
The beauty of the things that be.
Our debt to life and love and song
That linger with us all the years.
all life long.

We can ever see and know
God's world of life and wonder
We are but children in his sight
How may we ever find our way.
All Life long?

How may we born - when we must stand?
How may we live it thru?
The wonder of it all - Life Love
And mighty grace - Seen
From Heavens smiling face

all Life Long!

We walk - we stand - we
smile we weep.
For all the glory we should
seek.
We need to look and linger
near
What best in life we
hold so dear
all Life long!

the idea of life and
death - which Jesus
called Sleep.

How was it to sleep
in mother Earth's

spring back into life
again - a new
creature.

There is a sort of majesty
about this thing called
death - after all there
is Something.

Myself.

"Be Still."

Be Still -
The sun is shining
Be still -
a day is being born -

Be Still -
a silver lining
is glowing to adorn -
The Sky.

Be Still -
Hope grows anew.

I did not want to pray
Lest in all the words I said
I'd make a wrong thot
In to-day!

Be Still.
God loves this time
He loves this glory time -
Be still -
as I lower my eyes -
I find God loves the Earth
Even as I do the skies.

and I - - - I asked long ago -
Why - "be still"
But now - - I know!

M. B. Kingery.

This is the results of the thots
and emotions at a funeral.
I suddenly felt - that sleep
was the last "being still".
and a door closed between
this friend and this Earth

a rest from a weary
land.
a hearts desire to under-

By an artist not small
Nature - in desire to

N. B. FLOWER.

He Paints the Fence

By ANNE CAMPBELL

Painting the picket fence, he must reflect
That pickets are the dusty facts of life,
And when the paint is dry, he must expect
To plant some blossoms there. They will be rife
With beauty when the summer comes again.
Their perfume will be wafted down the lane,
And all who come shall see the pickets white
And firm behind this flowering delight.

Upon Life's palings, I shall train, with prayer,
The vine of faith, the blossoms of true love,
Though when the winter comes, for all my care
The snow will cover them. But high above
Rides the eternal sun, bright in the sky,
And every force within the ground stands by
To call my flowers into the Springtime bloom
Of faith that lifts the spirit from the gloom.

Hon. F. D. Roosevelt, President,

My Dear Mr. President:

I have taken the liberty to send you under separate cover a copy of my new book, "The Greatest Thing in the Universe, The Living Word of God".

This book was written for the English reader but it is a study of the wonderful designs that are found hidden in the numbers that are mentioned in the original languages of the Bible.

In these times of doubt I hope that the book may be a help to some in our land to have a more firm belief in the Bible as the inspired Word of God.

I rejoice in your firm stand for the basic principles of democracy.

With my best wishes, I am yours truly,

LeBaron W. Kinney.

A NEW BOOK with the title . . .

THE GREATEST THING IN THE UNIVERSE

THE LIVING WORD OF GOD

By LeBaron W. Kinney

Read what some have said about the Book:—

Dr. W. H. Houghton said in his review in *The Moody Monthly*: "Here is a most interesting and profitable book on the structure of the Scriptures. There have been differences of opinion as to whether or not number has significance in the Bible. Mr. Kinney's work is one of the strongest presentations we have ever seen of the affirmative side of this question. The volume will be of real value to Bible students, and it will furnish much internal evidence for the inspiration of the Word of God. We could wish preachers might possess it for their own help and loan it to an unbelieving but thoughtful friend."

Dr. R. L. Moyer, Dean of Men, Northwestern Bible and Missionary Training School, said: "I have read with great pleasure your book THE GREATEST THING IN THE UNIVERSE. I have for a long time believed in the numerical structure of the Scriptures . . . I welcome your book as an additional proof—an infallible proof of the infallible Scriptures. I pray that the Lord may give it a wide circulation and that it may be used of Him to stabilize many in this restless age in which we live."

Rev. C. E. Myrick, Trinity Baptist Church, Memphis, Tenn., wrote: "I have read your book, and I think it is the greatest thing any man has written about the Word in recent years. I have read it, re-read it, and constantly refer to it. I am commending it to others."

Dr. H. O. Van Gilder, editor of *The Ohio Independent Baptist,* said in that paper, "This book by LeBaron W. Kinney is something for which Bible students have been waiting. It is not just another book on Bible numerics."

Dr. John R. Rice, Editor of *The Sword of the Lord,* said: "I thank God for the book . . . I am especially pleased with the warm spiritual note in it. I think it should have a fine circulation."

Dr. J. O. Kennaman, an Editor of *The Congregational Christian Beacon,* wrote a column-and-a-half review of the book, from which we quote: "No minister can afford to be without a copy in his library. It is really the best that the reviewer has ever read . . . . a great and thought-provoking work."

Dr. Frank Gaebelein says in the *Foreword*: "Those who read the book carefully will find that the author opens up new marvels in the precision, intricacy, and inexhaustible beauty of God's written revelation. His thoughtful pages bear overwhelming testimony to the inspiration of Scripture . . . As I examined its pages, I was impressed by the fact that Mr. Kinney has produced more than a technical treatise. Out of linguistic details that in the hands of most writers would be comparatively barren he has brought helpful lessons. Indeed, one of the most valuable features of his work is the deep devotional spirit which pervades its pages. Christians who read it will be confirmed in their love of the Word of God; unbelievers will be challenged by the perfection and beauty of Scripture."

Mrs. Martha Snell Nicholson, author of *"Wings and Sky,"* a fine book of religious poetry, said: "I don't seem to be able to find words to express our delight about the book. It is simply a treasure-house. It is amazing the things you have revealed to us. It has left us breathless . . . It contains more riches than I had dreamed a book could contain."

Rev. Richard Neale, Baptist, wrote: "The book, *The Greatest Thing in the Universe,* has been a real blessing to my heart."

The following is a list of chapter headings: I.—The Greatest Thing in the Universe. II.—Every Word and Every Letter Inspired. III.—Truth Hidden in Numbers. IV.—Double. V.—The Numbers Three, Four and Five. VI.—The Number Six. VII.—The Number Seven. VIII.—Noah, the Eighth Person. IX.—The Number Eight and the Love of God. X.—The Number Nine and the Word AMEN. ENGLEBRIGHT, Rep. Harry L.
June 16, 1941.

Writes the President that he has been requested by the Hon. Andy L. Pierovich to present the President with an honorary membership certificate making him a member of the Kit Carson Mountain Men of Amador County, California. Says he is also presenting the President with the emblem of the Order, a gold-mounted horse tooth. States the Kit Carson Mountain Men is an organization to preserve the old history of the Mother Lode gold mining section of California and the pioneer spirit of the famous scout, Kit Carson.----Gen. Watson, June 17th, wrote Judge Pierovich saying the President asked the General to thank the Judge for this honor and saying that nothing but the heavy stress of circumstances and pressure on the President's schedule prevents the President from writing personally.---(Copy of General Watson's letter was sent to Rep. ASHE, Mrs. Katharine Johnson
Denver, Colorado
Filed: August 27, 1941

Wrote to the President (covering letter to Mrs. James Roosevelt) stating that she wants to send to the President a silver embossed cake knife, marked S.B.J., which stands for Susan Bard Johnstone, Mrs. Ashe's great grand-mother. Says the President previously expressed a wish for some memento of Dr. Bard for the Roosevelt Library. Also says that the cake knife may have belonged first to Dr. Bard. Expresses a desire to secure some copies of the sketch of the "Red House", in which her father was born, and asks how she can obtain them. States that her book on the life of Dr. Samuel Bard is almost finished., and asks where to submit it. Akks where to send the cake knife. -- The President replied on August 20, 1941, that he is thrilled at the thought of the cake knife, and states that they are going to have a special case in the Dutchess County room in the Roosevelt Library which will contain various historic things which belong to St. James' Church, including the Bible given the President by King George VI. Thinks this would be an appropriate place for the knife. Says Mrs. Ashe could either send it to the Director at the Library at Hyde Park, or wait and bring it herself. Expresses hope that Dr. Butler can find some way of publishing the book as one of the Columbia University historical studies. -- Attached is letter of August 19, 1941, to the President from Louis A. Simon, Supervising Architect, Public Buildings Administration, transmitting photographic reproductions of the old Bard House, showing elevation and roof plan.

President Franklin D. Roosevelt

My dear President:

I have your friendly letter of July 10th in which you mention my sister who is a paralytic patient. I'm glad that you forwarded my letter to the National Foundation for Infantile Paralysis. Perhaps something can be done to aid her. She simply can't walk and must be moved by hands as her whole body seems to be paralyzed.

Under separate cover Mr. President I have mailed you a few pubications touching on the Slovak people. Am of Slovak descent and take a cultural interest in this ethnic group which numbers close to 1,000,000 in this hemisphere. I believe that you received a Slovak delegation about a year ago in Washington from the various parts of this great land of ours. The material that I have mailed you may give you some idea about the Slovak element in the United States. One of the books is a novel and the other is a history of the Slavonic brothers Cyril and Methodius the Apostoles of the early Slavs.

At least I want to show you my appreciation for your kind act. I'm just a steel worker employed in a steel mill near Pittsburgh and there is little that I can do with my small earnies as my mother has been in poor health for many years. I'm employed in one of the defense works in a minor capacity. Thanking you on my sisters' behalf, I beg to remain.

Very gratefully yours,

I have a picture of the gathering which took place at Anton J. Cermak's tomb in the year 1934, when our good President Mr. Roosevelt and yourself had visited the Bohemian Nat. Cemetery, to lay a wreath on the unfortunate mayor's casket. The picture of the President is the best that I have seen yet, and I think it would fit very nicely as a relic in the new Roosevelt museum. If you have not the picture, I shall gladly send it to you, that it may adorn the said museum.

PAN AMERICAN AIRWAYS SYSTEM

TERMS AND CONDITIONS

THE PROVISIONS OF THE CONVENTION OF WARSAW OF THE 12TH OCTOBER, 1929 WHEN APPLICABLE SHALL CONTROL IN LIEU OF SUCH PROVISIONS OF THIS AIRWAYBILL AS ARE INCONSISTENT THEREWITH

1. (a) The term "Company" as used on the face and back hereof shall mean the company named in the first line of 2X on the face hereof.

(b) The term "Carrier" as used on the face and back hereof shall mean the Company and any other company, person, agency or organization which shall have agreed to carry property under the terms, conditions and provisions stated and referred to on the face and back of this Airwaybill and over whose lines the Goods shall be routed in each particular instance, and shall include the agents, representatives, employees and servants of the Company and each such other company, person, agency and organization.

(c) The term "Pan American International Air Express Service" and "Air Express Service" as used on the face and back hereof, respectively, shall mean the transport services (whether or not such services shall be air transport services), and services auxiliary or accessorial thereto, operated by or on behalf of any of the Carriers, in which such Carriers shall have agreed to carry property under the terms, conditions and provisions stated and referred to on the face and back of this Airwaybill.

2. Notwithstanding the assumption and/or performance by any of the Carriers of any undertaking to forward and consign the Goods for carriage by any agency or agencies not a part of the Air Express Service, or that any Carrier states a rate through to any point, (even though part or parts of the route are not served by the Air Express Service), or may collect sums in respect of the charges of any such other agency or agencies, or that the Destination is not a point served by the Air Express Service, and notwithstanding any other fact, whether or not of a similar nature or character, or any possible inference, it is agreed that (i) undertakings hereunder to forward and consign the Goods for carriage by other transportation agencies not a part of the Air Express Service shall not be deemed undertakings to carry the Goods, and none of the Carriers shall be liable for any act, default, negligence, or omission of any other such transportation agency or its connections, or its or their failure to provide proper facilities or service, to make connections, or to collect and/or to remit any amount designated by the shipper to be collected on delivery, or for any loss, damage or delay which may occur to the Goods while in its or their custody, and none of the Carriers shall be under any responsibility by virtue of any such undertaking with respect to the Goods subsequent to the forwarding and consignment thereof for carriage by any such agency and prior to the re-delivery of the Goods thereafter to a Carrier, and (ii) any such transportation agency shall be deemed to be acting on behalf of the shipper and/or owner of the Goods and not as agent for, or on behalf of or for the account of, any of the Carriers, and (iii) undertakings hereunder to forward and consign the Goods for carriage to Destination by other transportation agencies not a part of the Air Express Service shall not be deemed undertakings to deliver the Goods at such Destination and none of the Carriers shall be liable for any act, default, negligence or omission of any other such transportation agency or its connections with respect to such delivery or its or their failure to make proper delivery of the Goods or for any loss, damage or delay which may result from the misdelivery or nondelivery of the Goods by such transportation agency or its connections, and none of the Carriers shall be under any responsibility whatsoever with respect to the delivery of the Goods at Destination, and (iv) Carriers shall be liable only for the use of reasonable care in the selection of such other transportation agencies, and (v) no bill of lading contained herein shall be deemed to be a contract for carriage or for any other service with respect to the Goods, prior to the delivery thereof at the Departure Point specified therein to the initial Carrier thereunder or beyond the Terminal Point specified therein, and none of the Carriers shall be responsible under such contract with respect to the Goods prior to such delivery or subsequent to the forwarding and consignment of the Goods, if required, at such Terminal Point for carriage onward therefrom by an agency not a part of the Air Express Service, and (vi) the contract under each bill of lading contained herein is separate and distinct from the contract under each other bill of lading contained herein.

The shipper authorizes any act or any duty in connection with any act, referred to or contemplated in paragraph 2 on the face hereof, to be performed by any agent or correspondent which may be selected by any Carrier. The exercise of only reasonable care shall be required in selecting any such agent or correspondent. Each of the Carriers shall, as to each such agent and correspondent, be authorized, in forwarding and consigning the Goods for carriage by any transportation agency or agencies not a Carrier or Carriers as defined above, to select such agency or agencies and their routes, unless such agencies or routes be specified in writing by the shipper, to make all arrangements for such carriage, including the execution and acceptance from any such transportation agency of its bill of lading, contract of carriage or receipt in such form as may be issued by it, with any special clauses or provisions, whether written, printed, pasted or stamped (including provisions limiting the liability of any such transportation agency and/or its connections), to consign the Goods for such carriage without declaration of value or with a declaration of a value not in excess of the carriage valuation declared on the face hereof (irrespective of any authorization by the shipper to declare the Goods at the maximum value not subject to an excess value charge), and in the name of the shipper or in the name of any Carrier or consignor or shipper, and/or in the name of any Carrier or its agent or representative, or the consignee named on the face hereof, as consignee; to consolidate the shipment with other shipments; and to enclose the Goods in other wrappers or containers and separately or with the property of others. In performing any of the aforementioned acts or duties, none of the Carriers or any such agent or correspondent shall be deemed to be acting as, or subject to the responsibilities of, a Carrier, but only as agent for the shipper to perform such acts and duties and shall be required to exercise only reasonable care.

3. Without limitation on any other provision hereof, in the event that the forwarding and consignment of the Goods for carriage by other agencies than the Air Express Service, or carriage in the Air Express Service, according to original routing instructions, or by customary routes or agencies, will, in the opinion of any of the Carriers, result in delay, or will be impracticable, the Goods may be re-destined by any of the Carriers for carriage by any other route or agency or if, in the opinion of such Carrier, there is no other practicable route or agency, it may place the Goods in storage in the manner and with the effect stated in paragraph 6 below. The Carriers shall not be obligated, however, to re-destine the Goods for carriage by any route or agency other than that stated in such routing instructions, unless such re-destination shall be specifically agreed to by the Company with the shipper, and in the event of any such change pursuant to any such agreement the shipper shall be obligated to pay all additional charges and expenses which may arise by reason thereof.

4. Neither the Company nor any of the Carriers assumes any obligation to transport or deliver the Goods by a certain time or to carry them by any specified aircraft or other conveyance, or over any particular route or routes or to make connections at any point according to any particular schedule. Each of the Carriers is authorized to select, and to deviate from, the route of the shipment, notwithstanding the same is stated hereon, without any liability therefor, and to do all acts on behalf of the shipper, including, without limiting the generality of the foregoing, restating Points (A) and (B) and (C) and (D) on the face hereof, which may be necessary or appropriate in connection with or as a result of any such selection or deviation.

5. If in the opinion of any of the Carriers it is necessary to hold the Goods awaiting forwarding, re-forwarding, consignment for carriage, transportation or delivery, such Carrier may store the Goods for the account and at the risk and expense of the shipper and/or owner of the Goods, in any warehouse or other available place, or with customs authorities, and the shipper shall indemnify each of the Carriers against all such risks and expenses.

6. If any of the Carriers (a) shall be unable to forward or consign the Goods for carriage by any agency not a part of the Air Express Service or (b) shall reasonably conclude that because of the existence of any state of facts, actual or reported, it is or will be unsafe or impracticable to proceed on the route, or in the event of physical necessity or any emergency, then such Carrier may place the Goods in storage at the nearest practicable place in a warehouse or other place of storage, or in the event specified in (b) above forward the Goods by any route or agency to or toward the Destination of the Goods stated on the face hereof, all at the risk and expense of the Goods, the shipper, the consignee and the owner of the Goods. Any such disposition of the Goods shall constitute a valid and final delivery thereof under this Airwaybill, terminating all contracts hereunder and all responsibilities of each of the Carriers upon dispatch of notice thereof to the shipper.

7. Any of the Carriers may deliver the Goods at any place to any transfer agent, for transfer or delivery, and in such case all responsibility of the Carriers shall cease as soon as the Goods come into the custody of any such transfer agent and until they again come into the actual physical custody of one of the Carriers. Any Carrier so delivering the Goods to a transfer agent shall be liable only for the use of reasonable care in the selection of such transfer agent. The transfer, custody or delivery of the Goods by any such transfer agent shall be subject to its rules and regulations and to the provisions of the form of contract, if any, of such transfer agent, whether or not actually issued.

8. If it is necessary to make customs entry of the Goods at any place before the Goods reach Destination, the Goods are hereby consigned at such place to the person named hereon by the shipper as customs consignee, or if none, to the Carrier to such place or point, or to such customs consignee as any of the Carriers may designate (authority so to do, as well as to designate customs clearance point or points, being hereby granted), but as the agent and representative of the shipper and/or owner of the Goods, without responsibility on the part of the Carriers, or any of them, therefor, whether or not any of the Carriers be named or act as such customs consignee. For the purpose of making customs entry of the Goods and fulfilling Government requirements in respect thereof, and for the purpose of such customs entry only, a copy of this Airwaybill, certified by any of the Carriers, as correct, shall be deemed an original.

9. If the Destination is point (B) or point (D), in the absence of other arrangements, notice will be sent to the consignee by any ordinary method available to any of the Carriers, of the arrival of the Goods thereat, but none of the Carriers shall be responsible for failure of the consignee to receive such notice. No Carrier shall be obligated to effect delivery of the Goods at the address of the consignee. If packages are stored on the premises of any of the Carriers, a daily storage fee of 1% of the total transportation charges of the Carriers may be assessed commencing five days after arrival of shipment. If the Goods remain uncalled for at Destination, upon expiration of thirty days, any of the Carriers will have the right to sell them, in one or more lots, at public or private sale, without notice, or to return them by any of the Carriers and/or any other transportation agency to point of receipt stated in 1X(a) on the face hereof, and upon arrival there to await instructions of the shipper, for which purpose the shipper hereby expressly gives the Carriers, and each of them, all necessary authority for such sales, or for re-shipment and re-exportation of such shipment. The shipper agrees to pay, in case of such return of the Goods, a return transportation charge equal to the original transportation charge, and all other charges and expenses on account of nonclaimer of shipment. If the shipper shall refuse or neglect to make such payments within fifteen days after such return of the Goods, any of the Carriers is authorized and empowered to dispose of the Goods, or any part thereof, at public or private sale, after giving shipper at the address stated hereon ten days' notice of its intention so to do, and to pay itself and the other Carriers, out of the proceeds of such sale, any and all charges, advances and expenses of the Carriers, and each of them, plus costs of sale, holding any surplus subject to orders of the shipper. A sale of any shipment shall not, however, discharge any liability hereunder to pay any deficiencies.

10. None of the Carriers shall be liable for loss, damage, deterioration, destruction, theft, pilferage, delay or default, misdelivery or nondelivery not caused by the actual negligence of any of the Carriers or of their representatives, correspondents, agents, servants or employees.

11. None of the Carriers shall, notwithstanding negligence on its or their part, or of its or their agents, representatives, correspondents, servants or employees, be liable for any amount in excess of the declared carriage value (in United States of America currency) stated on the face hereof; provided, however, that if under the law governing in any particular case, any of the Carriers shall be exempt from liability, or its liability shall be limited to a lesser sum, then none of the Carriers shall be liable for any amount, or any amount in excess of such lesser sum, respectively. The Carriers may deduct any unpaid charges, advances, damages or other sums to which they, or any of them, may be entitled. None of the Carriers shall be liable for loss of profits, or for consequential or special damages, whether or not any of them had knowledge that such loss or damages might occur.

12. The full charges of the Carriers for carriage of the Goods hereunder, whether prepaid or collect, and any further sums becoming payable to any of the Carriers, and all fees, duties, taxes, charges, advances and payments made or incurred by any of the Carriers (not required hereunder to be borne by any of the Carriers), shall be deemed fully and irrevocably earned whether or not the Goods are lost or damaged or arrive at the Terminal Point specified in the last bill of lading contained herein, or Destination, and shall be due and payable at any stage of the service hereunder.

13. If gross weight, measurement or quantity carried exceeds the weight, measurement or quantity on which charges have been computed, any of the Carriers may collect charges on such excess. Any error in transportation or other charges or in the description or classification herein of the Goods is subject to correction by any Carrier. Should a package or shipment consist of several parcels for more than one person, full charges shall be paid on the parcels for each person as if shipped and consigned as a separate package or shipment. The shipper and/or owner of the Goods shall be jointly and severally liable for all additional amounts.

14. The charges of the Carriers do not include the charges or expenses of any agency not a part of the Air Express Service.

15. Upon delivery of the Goods to any agency not a part of the Air Express Service, any of the Carriers may authorize such agency to collect, prior to delivery of the Goods, and for the account of any one or more of the Carriers, any unpaid charges or advances of, or other sums owing to, any of the Carriers.

16. Any of the Carriers is authorized (but shall not be obligated) to advance any duties, taxes or charges and to make any disbursements with respect to the Goods, and the shipper and owner of the Goods shall be jointly and severally liable for the repayment thereof.

17. None of the Carriers shall be obligated to incur any expenses or advance any money in connection with the forwarding and consignment of the Goods unless the same is previously advanced to the Company by the shipper on demand.

18. In case the shipper shall have requested it so to do on the face hereof, and the Company shall have signed paragraph 2X on the face hereof, the Company as agent for the shipper will arrange for the insurance of the Goods, in the amount of shipper's valuation for carriage stated hereon, under policy or policies referred to on the face hereof. If the shipper shall not so request, the Company shall be under no obligation to arrange for insurance on the Goods on behalf of the shipper, consignee and/or owner of the Goods, and in such event the shipper, consignee and/or owner of the Goods assume all risks except for loss or damage caused by negligence of the Carriers. Any charge made for valuation is an additional charge relating to transportation and not to insurance.

19. If the shipment covered hereby is a C. O. D. shipment, the Company, upon the collection of the amount designated by the shipper to be collected on delivery (such amount to be collected in currency of the United States of America or its equivalent at the time of collection), will remit to the shipper the balance thereof at the rate of exchange on the date of collection remaining after deducting all remittance charges and all unpaid charges of the Carriers and all other sums hereunder. Such balance shall be remitted in such currency as the shipper shall designate, but only when and if, and to the extent, permitted by law.

20. All particulars herein mentioned relating to the Goods, except only the number of packages with the marks thereon, are those declared by the shipper, and none of such particulars (including anything stated as to contents, size, weight, quality, quantity, condition, country of origin, value, and the like, or implied from the character of packages designated) shall constitute, as against the Carriers, or any of them, any part of their description of the Goods as herein receipted for.

21. Without limiting the generality of any other representations by the shipper, the shipper represents that the packages do not contain letters or other mail matter or other goods of any kind whatsoever the carriage of which may be prohibited by any law or governmental regulation.

22. The shipper, consignee and owner shall be jointly and severally liable for all loss, damage, injury, or death caused by the Goods if the Goods are by their nature likely to cause loss, damage, injury or death, unless their nature has been fully disclosed by the shipper on the face of this Airwaybill, and such Goods may be abandoned or destroyed at any time without notice or compensation.

23. The Goods at all times that they are in the possession of any of the Carriers shall, to the exclusion of all rights and claims of others than those of the shipper and the Carriers, and each of them, be subject to the instructions of the shipper, which shall not be inconsistent with the rights of any of the Carriers, or with any of the provisions set forth on the face or back hereof.

24. The shipper, consignee and owner of the Goods shall be jointly and severally liable for the payment of, and indemnity of Carriers for, all unpaid charges, advances and disbursements of the Carriers, and all costs, expenses, expenditures, fines, penalties, loss of time, and damages which (a) any of the Carriers may incur or suffer by reason of the illegal, incorrect or insufficient marking, numbering, addressing or packing of packages, or the description of the Goods, or of the absence, delay or incorrectness of any export or import license, or consular, board of health or other required certificate or document or of any improper customs valuation, or incorrect statement of weight or volume, or (b) under the provisions of this Airwaybill are to be borne and paid by the shipper, consignee and/or owner of the Goods, and each of the Carriers shall have a lien on the Goods for the same, and each of them, and no such lien, and no right of any of the Carriers to collect any of the foregoing, shall be in any way affected, or lost or prejudiced, by reason of the acknowledgment of payment, if not actually paid, or by reason of the delivery of the Goods or the surrender of possession of the Goods. Nothing herein contained shall be construed as imposing any obligation or liability upon the Carriers or any of them to remedy or take any other action whatsoever in respect of the illegal, incorrect or insufficient marking, numbering, addressing, packing, valuation or description of the Goods or the incorrect statement of their weight or volume or to impose on them or any of them, any other obligation or liability whatsoever.

25. In case of loss, damage, delay, misdelivery, nondelivery, or failure to collect and/or remit any amount designated by the shipper to be collected upon delivery, notice of claim must be given to one of the Carriers in writing sufficiently describing the Goods in question, the date of the loss or damage, and the nature of the claim, within ten days after delivery of the Goods to the consignee, or in case of nonarrival or nondelivery, within one hundred and twenty days after the Company's signature of 2X on the face hereof. None of the Carriers shall be liable in any suit which may be instituted upon such claim unless such notice shall have, in fact, been so given, and shall not be liable in any event, unless suit shall have been instituted within two years after the date on which such loss or damage was caused. Any of the Carriers shall have the right immediately to inspect any article in respect of which notice of claim has been given.

26. Without limiting any of the other provisions, none of the Carriers shall be liable for any loss, damage or delay directly or indirectly due to war risks or hostilities or the act or restraint of any government or strikes, riots or civil commotions.

Dear Mr. President:

We are sending you an enlarged photograph of the only "Y" Bridge in the United States. This bridge is located in our home town Zanesville, Ohio and spans the Muskingum and Licking rivers. The bridge is on U.S. route forty.

Zanesville is the leading clay city of southeastern Ohio and has been referred to as American Typical City.

This picture is an aerial view taken by Woman Yeamick of our Zanesville News Co. It was finished by Lenard Kyle and John Hunter employees of Julandt's photo service, with whose compliments we are sending it.

Respectfully yours,
Lenard Kyle
