Mr. M. H. McIntyre,
Assistant Secretary
to the President,
The White House,
Washington, D.C.

Dear Mr. Secretary:

I am indebted to you for your gracious and friendly note of October 22d, 1936, replying to mine of the 15th.

Under separate enclosure - by parcel post - my four youngest have sent you their childish token of their affection for the One you serve so well; and to ask if you will be kind enough to deliver their simple token with congratulations from four young Americans to that Great American and Humanitarian - the Honorable Franklin D. Roosevelt - beloved President of the United States, re-elected, by the grace of God, on November 3d, 1936.

The children overlooked sending a message with their offering. I am enclosing it herewith. Would you mind tacking it in the upper corner when you deliver it.

Sincerely,

Geo. H. Lavan

Notice to Employes

PAYROLL TAX DEDUCTIONS

Your attention is called to certain obligations that must be assumed by yourself, as well as by the Company, as a result of the recently enacted Federal "Social Security Act" recently passed by Congress and approved by President Roosevelt.

First. Beginning January 1, 1937, the Company is required by law to deduct from your wages 1%, providing you are not over 65 years of age. If your wages exceed $3,000 the amount upon which the deduction is to be figured is limited to $3,000. The tax so collected is turned over to the Federal Treasury. It is the first direct Federal tax on your wages. The amount of this tax that you must pay, increases gradually up to 3% for the year 1949 and continues at that rate, thereafter.

Second. Within the near future, there will commence the registration of all wage earners. You will receive a Registration Card from the Federal Government upon which you must furnish certain information regarding your personal and employment record. Further details with respect to the procedure will be issued as soon as same are available.

Third. During the year 1936 the Company was likewise required to pay a Federal tax on the amount of the pay-roll paid out. The first year the tax is 1%. It will continue at an increasing rate until it reaches a total of 6%.

Manifestly, the heavy tax thus enacted on the Company, must have an adverse influence on what it might otherwise do in employe benefits of one form or another. Like all taxes, it also has the undesirable effect of increasing selling prices.

Further information may be had, if desired, by inquiring at the Personnel Department.

No, I didn't stand - my knees fell down in prayer. "The star spangled banner" I do not know the name of the singer - but never was I so stirred.

We (my mother and I) are so happy today - happy for America, and our hearts are filled with grateful love and devotion for you. We thank you for the past four years and we will continue to pray for you. Remember Scripture, "I will guide thee with Mine Eye."

We are sending you a small testament and we will feel honored if you accept it. My mother, feeble and frail and eighty, voted Democratic for you although she always voted the Republican ticket. She says of you "He is one who loves his fellowmen." Jesus said "If ye love not your brother whom ye have seen how can ye love God whom ye have not seen?" God bless you always.

Faithfully, Charlotte Seger.

Thanks

To our Lincoln-like President

Congratulations! I ask

My mother, Mrs. Charlotte Leeger and I sent you congratulations (telegram) Monday night. Your God guided leadership prompted that faith because

"If God be for us, who can be against us."

Said Jesus "Inasmuch as ye did it unto the least of these, ye did it unto me."

When "The Star Spangled Banner" was sung after your kind "neighbor" talk, I saw your kind face and it seemed as if His hand was on your head and I seemed to hear "Well done, thou good and FAITHFUL SERVANT."

My dear Miss LeHand:

It is a practical certainty that as the President and his party sail to South America they will be subjected to some rather severe heat. Domestic and World Affairs certainly require our Chief Executive to keep a cool head, and without even inferring his inability to do so without extraneous and mechanical assistance I am taking the liberty of shipping to you, for such distribution as you may believe wise, a half dozen of our warm weather Hawley Helmets.

The model being shipped is a new shape this year, and larger. I do not see how anyone involved in the Democratic campaign could fail to need slightly larger hats after the splendid and overwhelming victory of November 4th.

Quite incidentally, I continue to hear rumors that Fred Fagg of Northwestern University and the Illinois Aeronautics Commission may succeed to important responsibilities in the Bureau of Air Commerce. As one of the granddaddies of civil aviation, and its regulation, I cannot help but most heartily endorse Fagg. He 'knows his stuff' and he has demonstrated an ability to do it without getting into trouble.

Dear Miss LeHand:

This morning's paper proves to me how far out of touch I am with national affairs. I did not realize that the President was leaving so shortly for his South American cruise. I have attempted to correct my error by shipping the helmets discussed yesterday direct to Mr. Roosevelt on the U. S. S. Indianapolis at Charleston. The shipment is going air express. It may interest you to know that leaving here late this afternoon, it will be in Charleston at about two o'clock tomorrow morning.

Remaining now is a worry that the Navy or the Secret Service might "salvage" these derbies prior to their appropriate delivery and it occurs to me that you might be communicating with the "Indianapolis".

I am sorry to have had this mix-up.

Dear Mr. President:

During the week-end that you spent with us this fall, the Laramie County Sportsmen's Association had the honor of presenting to you a young buck antelope taken from the Western Plains near this City.

The head of this animal has been mounted and we have forwarded it to you by express December 18th. We hope that it may bring to you many pleasant memories of your visit with us and of the many friends that you have here.

With our wishes for a very pleasant holiday season,

Yours sincerely,

Ken E. Hendershot

President,
Laramie County Sportsmen's Association
