Mr. Marvin H. McIntyre,
Secretary to the President,
The White House,
Washington, D. C.

Dear Mr. McIntyre:

I am one of the Government workers doing stenographic work in the Works Progress Administration. Our offices are in the Auditorium at the corner of 19th Street and New York Avenue.

In a recent letter from my mother, who lives in Hattiesburg, Mississippi, the desire to make the shirt that the President will wear on the occasion of his second inauguration, January twentieth, was expressed. My mother will soon be seventy-seven years "young", and she is eager to make this shirt for the President. She does beautiful sewing.

If it is agreeable for my mother to make the shirt, please send the proper measurements and state the exact material from which the garment should be made. If it is not agreeable or not practicable for her to make it, please let me know frankly. I shall understand and I shall try to make my mother understand.

I shall appreciate a prompt reply, and thank you in advance.

With best wishes to you and yours for the New Year, I am,

Sincerely yours,

January 5, 1937

My dear Miss Leech:

Replying to your letter of January third to Mr. McIntyre, I want to assure you that the President more than appreciates the friendly spirit which prompted the suggestion of your mother. However, he feels that he should not ask her to go to that much trouble and expense. I am sure that you will understand.

Thank you, in the President's behalf, for your kindness in writing.

Very sincerely yours,

ADDRESS OFFICIAL COMMUNICATIONS TO

WASHINGTON, D. C.

DEPARTMENT OF STATE
WASHINGTON

In reply refer to
PC

January 12, 1937

My dear Mr. McIntyre:

With reference to your memorandum of January 5, 1937, I believe it might create an embarrassing precedent for the President to accept the gift offered him by Dr. Harry Loeffler, apparently a foreigner, through his friend Mr. S. H. Waltz of Lebanon, Pennsylvania, especially since it appears that Dr. Loeffler is coming to the United States at some time in the future and would no doubt feel entitled to a personal interview with the President if the gift were accepted.

If the President desires, I should be glad to have the gift returned to Dr. Loeffler through the American Consul General at Copenhagen. I am returning Dr. Loeffler's letter herewith, but am holding the gift until I hear from you.

Sincerely yours,

For the Acting Secretary of State:

P. Southgate

HON. MR. PRESIDENT FRANKLIN D. ROOSEVELT, DEAR SIR,

PLEASE ACCEPT MY SINCERE CONGRATULATIONS AT AGAIN BEING THE CHIEF EXECUTIVE OF OUR COUNTRY. I FEEL CERTAIN THAT IT WOULD BE IMPOSSIBLE FOR THE UNITED STATES TO EVER HAVE A PRESIDENT WHO COULD BE MORE INTERESTED IN OUR CITIZENS THAN YOU ARE. SURELY NO PRESIDENT COULD ACCOMPLISH MORE THAN YOU ALREADY HAVE, TWARDS IMPROVING THE LIVING CONDITIONS OF THE POOR PEOPLE HERE IN AMERICA. MY GREATEST WISH IS THAT YOU HAVE THE BEST OF SUCCESS DURING THE COMING YEARS OF YOUR ADMINISTRATION, AND THAT THE LOYALTY AND SUPPORT OF THE ENTIRE NATION MAY BE YOURS.

I AM SENDING YOU A LITTLE GIFT WHICH I HAVE MADE. I AM BLIND AND I DERIVE MUCH PLEASURE IN MAKING SUCH ARTICLES AS THOSE WHICH I AM SENDING YOU. THIS IS A VERY SMALL GIFT I REALIZE, BUT I AM VERY HAPPY TO GIVE IT TO YOU, MR. PRESIDENT, AND I HOPE YOU WILL FIND IT USEFUL.

I HAVE BEEN TOLD THAT THE W.P.A. FURNISHED A PORTION OF THE FUNDS TO BE USED FOR PURCHASING TALKING BOOK MACHINES WHICH WILL BE LOANED TO SIGHTLESS PERSONS THROUGHT THE COUNTRY. IT WAS A VERY WORTHWHILE THING FOR THE W.P.A. TO DO. I KNOW THE TALKING BOOK MACHINES WILL BE APPRECIATED BY ALL THOSE WHO WILL BORROW THEM. I AM SOON TO BE LOANED A TALKING BOOK AND I AM SURE THAT I SHALL ENJOY IT, BECAUSE I SHALL BE ABLE TO HEAR MUCH FINE LITERATURE WHICH HAS NOT YET BEEN PRINTED IN THE BRAILLE SYSTEM. THE MONEY PROVIDED BY THE W.P.A. WILL AID GREATLY IN MAKING MANY BLIND PERSONS HAPPY. I WANT TO EXPRESS TO YOU, MR. PRESIDENT, MY SINCERE GRATITUDE.

AGAIN I WANT TO WISH YOU MUCH SUCCESS IN CONTINUING YOUR GOOD WORK.

YOURS SINCERELY,
MARY JANE LAMOUREUX.

Your Excellency:

Last week I mailed to you via Parcel Post a tray, with your likeness portrayed in inlaid wood.

As I have been building a forty-five foot yacht and using these materials in inlaying the panels of the cabins, it has been a pleasure to use some of this material in making your picture. Knowing that you would appreciate this coming as it is from one boat man to another.

You need not fear if the tray gets wet as all these woods used are natural no stain being used and it has been finished off with Valspar.

With all of my best wishes for a Happy and Healthy New Year, I am most

Under separate cover, I am forwarding to you copy of essay on "Limiting Judicial Review", which please accept with my compliments.

In writing the essay I hoped to offer points of view and present materials which should be considered in approaching the questions raised by the recent decisions, and also to suggest ways and means of limiting judicial review by constitutional amendment or statutory enactment.

Imagine the thrill I felt upon reading your Message to find that had my corrected proofs gone to the printer a week later, I could have cited you in support of my conclusion: "It is safe to say that our trouble has been due less to our Eighteenth Century Constitution than to the desertion of the paths laid out for Congress by Marshall, and marked by Holmes, for the ways of Field, Peckham, and White."

The Honorable Mr. & Mrs.Franklin D.Roosevelt

Washington D.C.

Very much esteemed Friends: (I say friends, because I consider that you are friends to all the people in our country) I consider that I am assuming Quite an unsilicited authority in trying to write you, as I am only a back woods countryman, with very limited education and common sense combined together? Also; Practically a pauper too? But it's a pleasure to me to think & believe, that you are my friends, and that is because you have done so much good for suffering humanity, & I believe that I am at least part human. Even though, you may not consider it an honor to your selves to receive such a message from a subject of my standing? It's a pleasure to me to send it, together with the accompaning part. I have thought for nearly three years (several times)of sending this message, but failed to execute my thoughts until to night? I have never had the pleasure of seeing & meeting but one President? And that was Mr.Cleveland & Wife in 1887 when they made a trip South to Atlanta Ga. I was on a visit back to see my folks in Tenn. And saw them in Nashville & Atlanta too, as I was on my way back to the sunny clime. Now you can realize my illiterate, narrow mindedness in the statement as follows? In my simple way of thinking & looking at the matter: We have not had but one real President, since Mr.Claveland, until you assumed the office in 1933? And that one was Mr.Wilson. In my poor judgement, those between, were only catpaws for the corporations & money powers combined? However; I may be wrong in my vision of the matter. Well: I decided that I wanted to see you "Cussed into office this time" So I am coming & bringing my little brood, together with the inlaws & outlaws to give them all a trip & treat they never had before? And I make this earnest request of you ? If you consider us too sorry & honery, to be associated with you & your class, when you get a glimpse of our appearance, just be frank & honest enough to tell us that you have no space or place for us to occupy, & kindly send us back home, & there'l be no hard feelings toward you by us. Yet should you care to entertain us long enough to find us out, we will be glad to give you references?

Now to farther assure you of my simple minded backwoods countryism? I call your attention to the receipt of a crate of Mangoes which you should have received on the last day of June or the first day of July 1935 without any notice or advice, as to the shipper? And for proof to you now of the shipper, you will find the shipping receipt inclosed. I suppose it was delivered to you, as I was not advised otherwise? My intention at that time, was to visit you soon after sending the fruit? But as usual; I neglected doing so, & have kept neglecting it until now. And I fear we will not be there in time to see you "Cussed into Office" but hope to be.

You know it's often said, that it takes all kinds of people to make a world? So if that be the case, I am probably one of them (such as I am) but i'm whiling away my time, waiting for the last roundup? Then perhaps i'll know who & am & where I belong. So with best wishes for your succes in doing what you think is best? I now sign off by adding these words; If the above is not worth your time to read, just pass it into the waste basket & tell us beat it home. But remember that you are the only President I have cared this much for.

Yours Very Resp. W.A.Larkins Box 56

Dear Mr. Roosevelt:

You are, of course, always attended by sturdy men whose duty it is to make your every movement as safe as possible, and as easy as possible, however, there is always the possibility of a slip on an icey pavement, step or a highly polished floor, and although we would not for the world recommend the wearing of the J. B. L. CAN'T SLIP ICE CREEPER on a highly polished floor, there is still a possibility of slipping on such a floor.

You will find enclosed two pair of J. B. L. CAN'T SLIP ICE CREEPERS, one for yourself and one for Mrs. Roosevelt, of whom we are very proud and for whom we have the deepest respect. We trust you will present this pair to her and that she will find them indispensible in her wonderful work with the Girl Scouts and her many out of door activities.

Golfers, Fisherman, Hikers and lovers of out of door sports find them handy and very practical.

They are easily slipped ontb the bottom of the shoe, the little prongs gripping into the ice or the surfacæ, making your footing almost a hundred per cent sure. We have placed many of them with the postal carriers who claim there is nothing like them on the market and eventually we hope to have them on every market in this country, but that takes time and money.

We hope you will like them and be able to use them to advantage.

Very respectfully submitted,

THE J. B. LOCKER MFG. CO.

Language in which written: German

Date of communication: January 31, 1937

Addressed to: The President

Name and address of writer: Mrs. Charlotte Lewkowitz
1233 Lexington Avenue
New York City

Substance of statements made by the writer:

She and her husband are staying in New York for a while, to push the sale of yerba mate. The mate produced in Paraguay is of the highest grade. On January 19th the writer's husband sent a package to Dr. Ross T. McIntire, the President's physician, with samples of the best two grades of Paraguayan mate. This was to be an Inauguration Day present. Since that time, her husband has been looking through the mail every day with great eagerness, but has received nothing from the White House. The writer and her husband expected to bring into the United States 155,000 pounds of mate, most of it to be used as samples. They have found that the $5,000 set aside for opening an office, freight, duties, advertising, etc. was not a large enough sum. Endeavoring to help their adopted country, Paraguay, and to support the President's idea of a greater exchange of goods, the writer and her husband have put all their savings into this attempt to popularize yerba mate in the United States. Now they fear all will be lost. A few words from the President in recommendation of yerba mate would popularize the beverage. She is enclosing a picture of her two daughters and some pictures of Paraguay. She begs the President to save her husband from ruin.

Request made in communication: A letter recommending Paraguayan yerba mate.

Remarks: Enclosures: 9 photographs.

Seine Excellenz
President Franklin D. Roosevelt,

Wenn ich mir gestatte, Euer Excell. einen Brief in deutschen Worten zu übersenden, so bitte ich dies einer deutschen Frau zu entschuldigen, die zunächst erst diese Sprache ü. spanisch beherrscht.

Ich halte mich mit meinem Manne seit 3 Monaten vorübergehend hier auf, um für unser Land den Export von Yerba Mate zu heben, und dann für das ganze Land einen Vertreter hier zu lassen, um dann wieder zurück nach Paraguay zu gehen, wo wir Besitztum haben.

Von den Millionen Sträuchern des fast noch unberührten paraguayischen Urwaldes u. des Landes künstlichen Plantagen wird die beste Yerba Mate aller Länder gewonnen u. gerade das untereinander mischen der Blätter

Weil ich jetzt sehe, wie sehnsüchtig mein Mann täglich die Post durchsieht, u. sie ganz lustlos nur bearbeitet, weiss ich, dass er den Brief seiner höchsten Sehnsucht nicht dabei gefunden hat -- ein Schreiben aus der Privatkanzlei S. Excellenz, wegen Eurer Exc. Ansicht über den Befund unseres aromatischen Gebrauchs-Tees, der ausser dem Genuss Millionen Menschen in Süd-America, u. Europa vor Erkrankung bewahrt u. heilt, bei Rheumatismus, Asthma, Nierenleiden und Magensäure, denn von über 40 Millionen Menschen wird er in England, Deutschland und

Süd America als Tagesgetränk geschätzt, weil er nicht nervoes macht, wie die meisten anderen Tees, nach deren Genuß man meist keinen Schlaf findet.

Wir haben uns von Paraguay nach New York mit 155.000 Pfund der besten Yerba Mate auf den Weg gemacht, mit den besten Wünschen der Regierung, der Yerba-Mühlen, und der ganzen Bevölkerung, welche interessiert ist, am Verkauf des Artikels nach Nord-Amerika dieses, bei uns in Unmengen vorhandenen besten Tees, und sollte damit verbunden sein, für die Einnahmen der Verkäufe Waren zur Probe zu kaufen, die bei uns in stärkerem Maaße als bisher, eingeführt werden könnten, nachdem der größte Teil der Einnahmen natürlich für Propaganda im Lande verbleiben sollte. Aber wir haben einen Fehler in dieser Berechnung gemacht,

man hätte nur die Hälfte Ware und die andere Hälfte gleich in bar für die Propaganda mitbringen müssen, denn es zeigt sich, dass die hier ausgegebenen Doll. 5.000.- für Einrichtung, Zoll, Fracht, und etwas für Inserate u. Radio, nicht ausreicht, dieser guten Sache und dem guten Tee die Wege zum Publikum zu eröffnen.

Darum richte ich privat die ganz ergebene Bitte an Ihrer Excellenz, die Güte zu besitzen, durch einige Worte Eurer Excellenz Urteil als Yerba-Mate Kenner, eine Existenz und eine Familie vor dem Untergange zu retten, denn wir haben unser ganzes Besitztum restlos zu dem Zwecke hypotheciert, um unserem armen Lande die Absatz-Möglichkeit hierher zu erschließen.

das mit der Absicht unsrerseits geschah, die von Ihrer Excellenz angestrebte Waren-Austausch-Idee zu unterstützen, als stiller und eifriger Roosevelt-Verehrer, dem Manne mit dem frohen, männlichen Siegerblick.

Damit S. E. den Presidenten und das Volk von Paraguay, das einige Tagesreisen hinter dem, von S. E. kürzlich besuchten Argentinien liegt, im Bilde kennen lernt, gestatte ich mir, einige Postkarten beizufügen, und ausserdem meine Amateur-Fotografie meiner beiden Mädels, die persönliche Fürbitte an Ihre Excellenz hiermit tun sollen um einige Zeilen in einem Briefe an uns, damit unser Tee hier im Publikum leichteren Eingang findet und wir vor dem

Wir haben unser ganzes Besitztum nebst unseren

Your Excellency:

Governor Philip F. La Follette has asked that we send you a token of Wisconsin cheese with the wish and in the belief that you will enjoy this product in which Wisconsin takes so much pride.

You will notice that the package is fashioned as a valentine. This of course, is not a standard practice. The idea of using cheese for valentine greetings was given to the Wisconsin cheese industry this year by a group interested in the welfare of our great dairy state. This group is called the Winnebagoland Club.

Wisconsin appreciates Governor La Follette's deep interest in its dairy products, and we are indeed proud of the commission we have of dispatching a Wisconsin cheese valentine to you in his behalf.

We have the honor to remain,

Very truly yours,
