MEETS EVERY TUESDAY NIGHT

December 27, 1939

The President of the United States
Washington, D. C.

Dear Brother Roosevelt:

Many years ago a very strange thing occurred in our
community, which stirred the hearts of Odd Fellows
living in Shelbyville at that time.

A little more than forty years ago the members of
Howard Lodge No. 15 compiled and put into book form
the truth concerning this strange occurrence.

We are pleased to present to you a copy of that little
book, which we hope you will find time to read and
place in your library as a gift from Howard Lodge No.
15, I.O.O.F., Shelbyville, Kentucky.

I have the honor to remain,

Fraternally yours,

B. A. Logan.

We told those who questioned our decorum in headlining the inclosed advertisement as we did, that our Chief Executive would be the first to smile at it.

Now it is with the kindest regards, highest esteem, and every good wish for the New Year that we send you, under separate cover and with our compliments "Your Selection" of our choicest confections.

WRIGHT, Chester M.,
Labor Division, The Committee for the Celebration of the Presidents Birthday,
New York, N.Y.
Jan. 17, 1940.

The Labor Division of the Committee for the Celebration of the President's Birthday, of which Mr. William Green is chairman, has fully completed its plans and its organization to make this year's celebration of President's 58th birthday the most successful and colorful of all. A special birthday cake has been baked and donated by the Bakery and Confectionery Workers' International Union of America, five and one half feet high, containing 58 special candles, each one containing a special check from the unions. In all this cake will contain a birthday present of approximately \$6,000, as a contribution to the I.P. fund. The Labor Division, has set aside Wed. Jan. 24th, as the day of presentation of the cake. They would appreciate it, if the committee could be informed as to the time it is necessary to notify several of the committee members, who will have to come from distant parts. - Wire from Keith Morgan, 1/17, to Miss Leland, regarding plans for the above presentation of cake to the President.

Memo from Mr. Kannee to Gen. Watson 1/19/40, that Mr. Hassett says Mr. Early has obtained the President's approval to an appointment for Wm. Green and a delegation of five labor people to present the birthday cake. The appointment is set for Wed. Jan. 24th, and still pictures will be permitted. - Another memo 1-24-40 to President from Gen. Watson, that Wm. Green can't get up until after one o'clock to present cake, wants to know if this is O.K. Pencil notation, "O.K."

March 6th 1940

"Violets."

Dear Mr. LaHand.

I will use your own paper. The package I sent, contained flowers, a small solid brass box with a stamp from India, which I placed in there myself. It was wrapped in Gimbel's Dept Store, and I mailed it myself in the newly opened Post Office on Chestnut St.

A few years ago I wrote to Mrs. Roosevelt, asking for help for our factory. My husband Mr. Alfred Lucott (Sr.) was ill.

We have had a terrible struggle. Her reply was, "I am sorry for you."

We are now on the verge of being

taken over by an Ohio Firm.

Can you see? Our 2 sons are now old enough to go into the business.

The other 2 brothers have children also. We are white people, and can't talk

"Italian & Hebrew." You can't wear wood, you can't eat wood or sell wood. We owe money, that is all.

Thank you for answering my letter. Mrs. Esther T. Lucott

It was more than twenty-five years ago that the publisher of this magazine first met him in Albany, New York, where he was associated with his father, who was a member of the firm of Dayton, Ball & Co., so well and favorably known as last makers in their day. So he comes by his last knowledge by inheritance as well as life-long training.

My Dear Sir : -

I have composed both words and music to
a song in honor of the greatest leader our country has ever had,
namely, "OUR UNCLE SAM IS A MIRACLE MAN " .

I happen also to be a pianist and singer
and have had a record cut of this song which I am mailing to

song has been neither copyrighted nor published.

I live in Tulsa, but am from Indiana.
I retired one night and could not sleep because of this song
going through my mind so arose and was still working on it when
the milkman arrived.

I would be very happy to have you
accept this record and to have the honor of your having
listened to it.

Thanking you deeply, I am

"OUR UNCLE SAM IS A MIRACLE MAN"
.....

Words & Music By
Goldie Stewart Levin

Oh, Our Uncle Sam is a Miracle Man
And we're all for the Red White and Blue,
While the band sounds taps for the Soldiers over there,
We cheer for our Team to an old college air,
America, America, The States we love them all,
We love the Hoosiers on the Wabash,
And we love Caroline,
Then there's Michigan, where We wish again
Of course there's Louisiana, We're a little
ashamed of you,
Oh, we'd give you back to the Indians
But that would never do,
So we'll stand you in a corner,
Just like little Jackie Horner,
For Our Uncle Sam is a Miracle Man,
And we're all for the Red, White and Blue.

.....
Oh, Our Uncle Sam is a Miracle Man
And we're all for the Red, White and Blue,
While the Band sounds taps for the Soldiers over there,
We cheer for our team to an old college air,
America, America, The States we love them all,
We love the dear old Oakies,
Who by the Grapes of Wrath were torn,
We love the show-me State, the Ozark Lake,
Where Pendergast was born,
We love old California with its Sun,
We love the thirteen states we started from,
We love New York, and We love Washington Square,
We love Old Plymouth Rock, for the Pilgrims landed there,
OH, Our Uncle Sam is a Miracle Man,
And, We're All for the Red, White and Blue.

MEMORANDUM FOR

MRS. EMMEN

My dear Langworthy:

Your letter of March 28, 1940, was received a number of days ago, and then a short time later the package containing the lithograph for the President came along. I immediately took steps toward placing the lithograph and your letter before the President as I felt sure he would be particularly pleased to receive your gift for his collection of like matter. As you probably know, the President has been extremely busy of late keeping up with a number of matters, especially the fast changing European situation, and at the present writing a suitable opportunity has not presented itself for inviting the President's attention to your letter and the picture. However, I can report that your letter and the picture are now in the President's study and that he will be asked to give them his attention just as soon as things have quieted down a bit.

The White House will undoubtedly send along an acknowledgment a little later on, but at the same time I plan to follow this matter myself and shall be very glad to write you again when the President has actually had an opportunity to view the lithograph.

Very sincerely yours,

D. J. CALLAGHAN,
Captain, U. S. Navy,
Naval Aide to the President.

MEMORANDUM FOR

MRS. EBEN

With reference to the attached copy of letter from Mr. Langworthy, the original of which I presume has probably been sent to you, I am sending over the package received today from Mr. Langworthy.

I have not opened the package, but knowing of the contents I feel that the President may want to look over the lithographs and will probably want to accept the gift for his collection.

Would you let me know something further on this, at your convenience, so that I may acknowledge a letter addressed to me by Mr. Langworthy on the same matter.

My dear Mr. President:

Knowing of your great love for the Navy and being somewhat familiar with your very fine collection of ship models and old prints, I am taking the liberty of sending you a small gift to add to your collection in remembrance of my pleasant association with you in 1920 when I had the good fortune to serve as your Aide.

This original lithograph, made on stone by the artist Arthur Beaumont, Lieutenant in the Naval Reserve, was inspired by the recent trip made by yourself on the U.S.S. Tuscaloosa. He has titled it "A President's Mission".

As soon as I saw this lithograph I knew you would like it and I prevailed upon Lieutenant Beaumont to let me have it. You may be familiar with his paintings of Naval Subjects and he informs me that he met you during the year 1934 on the U.S.S. Indianapolis during the Fleet review.

With my sincere regards, I am

Faithfully yours,

Sgd/ Elmer D. Langworthy.

Dear Mr. President.

I am sending by mail
a few Schley pecans - They are good
for whatever ails you. If you run
across any with black spots on the meat
don't risk eating them - They are full
of iodine, but your pecan specialists
in Albany Ga. say it's 'scab' which
we all agree is worse -

The three little penguins are
from South Carolina too & may
favor some of our best Citizens -

Best wishes for a good rest.

Sincerely,

Mr. (& Mrs.) J. O. Lawton -
