RECEIVED
THE WHITE HOUSE
DEC 22 1933

My dear Mr. President:

It is unnecessary to say
you anything about the Plan of Washington;
but you may care to read of how that plan
came to be made, and the personalities. And
if you do not find the time to read, you will
find the pictures engaging and helpful.

So I am taking advantage of the Christmas
season to send you a copy of the "Life of Daniel

Faithfully,

My Medal

'Tis only a scrap of silv'ry ore,
Yet more than treasure trove,
For Mary herself has giv'n to me
Freely this sign of love.
Her image is there with outstretched arms,
Cross and the Hearts Divine,
A Heart that is pierced with sharpest blade,
Thorns do the Other twine.

'Tis only a scrap of silv'ry ore,
Mark of a Mother's care;
And on it she graved in simple words,
Simply a Mother's pray'r:
"O Mary, conceived without a stain,
Void of our sin's decree,
Pray for us now and ever more
Having recourse to thee."

'Tis only a scrap of silv'ry ore
Hanging upon my breast;
But with it come peace and golden joy,
Mercy and final rest.
So leave to the world its tinsel wealth,
Power and groping lore;
But let me retain my tiny scrap,
Scrap of the silv'ry ore.

My Beloved President:

I wish you to know that I stand solidly behind you in your battle to drive the money changers and also witchcrafts out of the temple, who desire to do you harm. I am sending you a bronze Crucifix for you to place in the White House for your protection, it will work wonders. This is not asking too much of you, by inviting Rev. Coughlin to spend Christmas Day with you? Who to me is known as Christ, the world knows Him not. He knows of all things. Rejoice in the Lord, I pray, the Star that shone over Bethlehem, may shine over the White House this Christmas night. This Holy Year will bring great tidings to the whole world. Christ will Come. Wishing you and your family the fullness of the Blessings of a Very Happy Christmas. Very devotedly Yours in Christ. Mrs. Antonia Barick. 2319 E. 83 St. Cleveland O.

Mr. + Mrs. F. D. Roosevelt
President of the United States
White House
Washington D. C. U. S. A.

Dear President:

I dont know how to start this letter because I havent much experience in writing letters to Presidents but I guess you will understand my standings at the end of my letter.

For a long time I have been planing to make you a Christmas gift. So finally I decided to make you a old fashioned Christmas frame, It's specially designed for Christmas. And finally before Christmas I'm sending you this frame by Parcel Post, and hope that you will get it before Christmas Eve. I hope Dear President that you will accept my humble gift, and that you Mr. + Mrs. Roosevelt will like it.

p. P. 7.

I'm a boy of 13 years of age, going to Munger Ent. Public School, I'm in the 8th grade now and in a couple of weeks I'll be in the 9th. I'm taking up my studies pretty good, and at home I practice on my accordian which I received from my father as a christmas present two years ago; its the best thing I like to do is to play on it, its pretty old and worn out. My father promised to get me a new one for christmas but it looks like he won't have enough money to buy me a new one because he hasn't worked for quite a long time. My parents are polish, and I was born in Canada and have come to Detroit with my parents 10 years ago.

Only one thing I hope that you the President of the United States will like my hand frame, its not so extra finished, because I didn't have much of tools to work with, also I didn't have the material, I had to scrape up some money off the

lunch money my father gave me every day. I spent 8 cents and left the rest of the 13 + cents for the material, and my mother dear helped me to paint and decorate it.

I hope you will not mind my writing so much, but I wish to own one of your photographs with your own signature only one will be enough.

Now I'm closing my letter and wish you with the bottom of my hearth a Merry Christmas and a prosperious New Year, and let Almighty God Bless your family and your country.

His Excellency
The President of the United States
Washington, D.C.
U.S.A., America

Dear Honorable Sir:

Allow me the honor to present you two volumes, written in English, of the complete works of late Kanzo Uchimura which are recently published. We believe that he was the greatest prophet of Japan in our time. The reason why I present you his works is that he owed much to true Americans and had the deep interest in the destiny of American people. He was first taught the Christian Bible by Colonel Clark in Sapporo Agricultural College some sixty year before. After that he went to your country and studied at Amhurst where he got the deepest influence from personality of President Seeley. After he returned to Japan, he preached most vigorouly the Christian truth through his long life which was only ended by his death three years before.

Indeed he threw sometimes harsh words against Americans as well as his own countrymen, but it was evidently because of his deep love for them. When the Anti-Japanese Immigration Act was passed in your country, he felt great disappointment and protested against it in the

name of justice and liberty, which he thought as the original spirit of your national foundation. You can imagine how that legislation has given the deep displeasure in the genuine heart of many sincere Japanese, and has caused much troubles in many innocent homes. I myself have my own story about it. A girl who is related to me is married to a Japanese doctor in Honolulu, but because of a certain clause of the Immigration Act, she is permitted only a short temporal stay with her husband and then sent back to Japan. So she has had to cross the Pacific Ocean to and from once or twice a year to live with her husband. Don't you think this is awfully unreasonable and sad? Can't you amend the Act as soon as possible for the sake of the happiness of such innocent people as well as for the peace between two great nations?

Mr. Uchimura was a great peace-lover. He spoke once before the American missionaries that if there should break out a war between America and Japan, they ought first to shoot him and march on over his corpse. I believe God created man in His own image. So Americans and Japanese are both children of God. It is ridiculous to think such a thing as a war among the children of the same God. I pray that there shall never be a war between your country and our own. We must both firmly maintain peace as the Co-Countrymen of the Kingdom of God

Wishing the happiness of your country and hoping the peace on earth,

I am

Yours faithfully

Mr. and Mrs. Roosevelt;

My kind friends I am sending you a Christma box, which contains nuts and a walking cane. The nuts are Black walnuts, White walnuts and Hickory nuts. This walking cane is made of Black walnut. I made this cane from a rail I had taken from an old rail fence which is about one hundred years old. That is something you dont see much of any more. I have made a good many walking canes for good old friends of mine. So I made you one. It is one of my new style canes. I call it a fiddle bow walking cane. I used my two bladed pocket knife in carving it. On the front side is a rattle snake engraved and a Capitol letter P. which stands for President. And on the back side

of the cane is your initials and the year 1933. I have three little motherless Daughters. They are sending the nuts to you. We live in Union Township, Johnson County, Indiana

Pres. Roosevelt:—

This is just a token of what you have done for me and the rest of my coworkers in Wieboldt's dept. store.

I am not a professional artist, but everybody thought it was such a nice picture, that I decided to send it to you.

Hoping the new year is full of success for you and your administration. I am,

Respectively Yours
