'Happy, Happy, Birthday'

Dear Mr President, May God
bless you, and leave you here,
many, many years.

Do you know Mr President, in
celebrating my Father's birthday
we not alone gave, but asked
in return, we knew he would
not refuse us on his birthday.
What I want is not for myself
but for the darling mothers,
and the new born babes.

No room they said to our
King of Kings, on Christmas Eve.
No room I have to say to our
darling mothers, when my floor
is over crowded. Do you know

cMc

how many mothers we had confined
in 1941 at Mercy Hospital,
1657 Mothers, many of thoes
dear mothers went home in
four days to make room for
others. that is not fair to them.
Please ask your Committee if
you may see the plans of our new
wing (Mercy Hospital Canton Ohio)
not one penny miss spent.
The site of President W. Kinley's
home. and we need it so badly.
My mass and Holy Communion
was for your dear patients

to bring you into this world.
God give them eternal rest.

Through the courtesy
of our beloved Senator
Gloss, the writer is trans-
mitting a homely token
of his great respect and
admiration. It is a shell
taken from the cliffs
on the shore of James
River (Surry Co.) opposite
to, and in sight of, James
town Island. The vicinity
in which it was found
abounds in larger & more
eloquent remnants of crusta-
cean evidences of the distant

aborigines, and also to those
men and women who
rocked the cradle of our
American democracy.

So when you beheld
this shell may it call
to mind the cause for
which you have so nobly
fought, and for which
you and our people are now
fighting - democracy, which
has in it the strength and
vitality of the everlasting
hills, may it also speak to you,
in Father Neptune's language, of
the sea, which you so much
love.

Every happy returns, sir,
of the day.

past. Having no knowledge
of zoology, an estimate can
not be given of the age of
this shell - it is certainly
quite old.

This shell is as I found
it, in all of its simplicity
and unadorned. Fragile
as it is, insignificant as
it may appear, it is vocal
of the strength and vitality
of the everlasting hills.
In it, too, are the elements
from which the shore line
of Jamestown Island were
fashioned. The sun, rain and
wind which wore it also
wore ~~also wore~~ that of James-
town familiar, perhaps, to the

feel.

Guess, you will think me foolish, but it is the way I feel towards you, from the beginning until the end, we have a large hand charcoal drawn picture of you, we bought 8 yrs ago, from an unfortunate person, and it is our pride to have it hanging right in our front hall, where everyone can see it, we are so proud

Once more wishing you a very sincere and Happy Birthday, and always in my thoughts and prayers.

In spite of woes
And foes
Uptilt your chin, sir.

Do not let the war
Begin to mar
Your friendly grin, sir.

Do not let your mind abide
Too much inside;
But trust yourself, to win, sir.

If your senate debates too long
Employ the song
The people sing, to truth a-hin, sir.

The ranks of those who disapprove
Your every move
Have grown so thin, sir.

Soon your marshalled,
growing force

Of course,

Will strain the Japanese grin,
sir,

And cost fewer lives

In bombing dives

On the European point of sin, sir.

But with all, we ask

To share your task

To see our nation win, sir

Handwritten scribbles and signatures

I had hoped to have this reached you on your Birthday but I just got it today. Please keep it and wear it as it is blessed.

I believe that God knew when you were Born that you would lead your people out of this war to peace and good will to all men as the Angel smog so long ago.

Your people have faith in you just as Moses when he had his people even down to the sea when the enemy was at their backs

It will port you on much that will put
you in a position to visualize their ability to make
big production and no doubt confirm their
intention to conquer Asia or any part
of the Pacific they desired.

Many large American Industries have
educated these sons of Japan in our ways

It might be a good guide for Admiral

an Air Craft Carrier well located could be a
surprise to them as a reminder of their

Your Excellency
President of the United States

Dear Mr. Roosevelt:

We are sending you this message as a cordial token of mutual, helpful, good will from the Sisters of Saint Joseph, La Grange, Illinois, for we fully realize in this time of distress, and implication in the War, what deep anxiety and mighty responsibility must be yours, as the leader of these great United States. We have followed your career of beneficent service to our Country, since you have been the President. Blessed are they who have learned to look upon life from the view-point of service to humanity as you have done.

We have listened to the grace and compelling power of your voice over the radio and have been pleased to hear your plea for confidence in God and in Prayer, asking your people to draw closer to God. Your voice has fired millions of our young men - the flower of our land - with patriotism, and they have left home and life's dearest interests to protect Christianity and to fight for a just Peace.

They have gone forth to bring back to Christ a world that is tired of living un-Christ like. That irreligion has been a failure in the United States and in the world, is universally acknowledged. It is only by turning to God as a nation that the United States shall find favor with the Prince of Peace. The evil forces that are loose in the world today were made in defiance of God. Always in the History of the world God has, in His own good time, brought down those who would defy Him.

We are enclosing a Sacred Heart Badge. It has great efficacy. We hope you will wear it and place your trust in the Sacred Heart of Jesus. May He encourage you and strengthen you always. These Badges are the insignia of the Divine Cammander.

Again we wish to assure you of our loyalty. We are with you in sympathy, heart, and mind. Our Sisters and the children under our care - hundreds of them - are praying for your intention. Daily, and many times a day, we ask God to bless and direct and to guide our good President; to save our boys, and to send a just Peace to the United States and to the world.

Yours most faithfully in Christ,

Sisters of St. Joseph.
