Dear Sir:

Trusting in faith and the tolerance of sharp-eyed secretaries, I hope you may receive this small token of our great respect and admiration.

This gift is the result of a picture of your desk which appeared in the Saturday Evening Post - a perfect picture except (and I thought you could use this gift) for the cord on your telephone. It will keep out the kinks.

Could be the opposition could use some, too.

Very respectfully yours

Dear President

I am sending you my book of the rail road life of myself. Edward McGillicuddy and Crackerjack Keating. I hope you will like it and read it though. I know you are a busy man this book is yours, I hope you will not disfavor what I have said about the G.O.P. but I cant help it. I have sent my book to the Telling Lodge which I belong to Tacoma Wash San Francisco Cal I am a member in good standing of Lodge 965 Brotherhood of railroad trainmen Chicago Ill and have sent some of my books there; and one to my namesake Cornelius — McGillicuddy who is manager of the American league Base Ball. if I could sell them for 50cts a piece. I could get rid of a half million books. I go to all labor lodges and shops on the rail roads, a great many think one dollar is to much for the book.

But I think it is worth one dollar of any working mans money.
I am meeting with success on the critical I wrote in the book in regard to the G.O.P. there is not a Democrat paper in California, but there is enough Democrats that will vote for you to carry the state and you will be our next President, hoping you will receive the book and favor us with a reply.
Wishing you health wealth and Prosperity
We are Sincerely yours

BOOK: DETECTIVE AND CRIME STORIES.

The Leaders

You cannot say that war is waste, or say
That Man learns nothing from his death. The fire
That feeds on mortal wood leaps high, and they
Who feel its fury have a noble pyre.
The men who died before their groping minds
Could find the worldly cause died much like sheep
In blind stampede, sent mad by those behind
To break the fences that the herders keep.

But those who know the flame, who understand
That men are fated but to die, and then
But sacrifice so future men may stand
Up closer to the vital sun—these men
Ride roughshod over every challenge hurled,
One hand upon the bridle of the world.

A picture of our choice of an ALL AMERICAN team of 26 different nationalities which we consider the Greatest Team gathered together in our history, has been sent to you by Mrs. MacMannis and myself. We are known to over 13,000 home folks for our work here in Palm Beach, Florida. We have been listening to the Berlin D.X.J. short-wave broadcast for over 15 months and have relayed the good news to the home folks of our boys, now prisoners of war, and in grateful thanks some 1350 families have sent us pictures of their sons, hubbies and fathers. Out of this collection of pictures we (Mrs. Mac and I) have picked our ALL AMERICAN TEAM, like Grantland Rice and Graham Mc. and the foremost sports writers. We thought you might want to see our choice. The card from which this was taken was on display here for 3 weeks and 4 days. We are going to take these pictures and compile an albumand try and have some big firm copy it and give one free to each boy whose picture is therein. It is the talk of the Palm Beaches.

Sir:

As I am one of the many greatly interested in your welfare and the coming election, it is a honor and pleasure for me to enclose a "Sacred Heart" badge, which I pray you will carry with you to protect and bless you, that you may continue to lead this nation in the future.

HESE SACRED HEART BADGES ARE

to a very saintly priest, and He alone blesses

, a saintly nun of the Precious Blood Order,
nd was taken to St. Rita's Hospital in Lima,
on Sister and, giving her one of these
ter, you have received many Sacred Heart
badges, but NEVER one like this. It is blessed by OUR DEAR LORD HIMSELF." Sister was cured. Sister loaned the badge to a patient who was about to undergo a very serious operation. The patient was cured instantaneously and left for home next day.

The case of Mrs. Viola Fargen, a Lutheran, of 3511 Buckingham Drive, Detroit, Michigan, is particularly wonderful. She had undergone an operation and Doctors said she was dying. She had received a number of blood transfusions, but all to no avail. Her veins had collapsed. Post-operative pneumonia had set in, and she was in coma. Her step-daughter, a Roman Catholic, had been given one of these badges, and two hours after placing it on the patient, she came out of the coma; all fever and pain had left her, and she was hungry. She was cured and left for home within a week. The Doctors at the Women's Hospital where this wonderful cure took place, declared that no medical skill could be given credit for her recovery as she was beyond that. Mrs. Fargen and all her Luthern relatives firmly believe that she was cured by the SACRED HEART through the use of HIS SACRED SYMBOL WHICH HE ALONE BLESSED.

A man in New York was seriously ill, suffering from Meningitis. Brain and nerve specialists were called in. All said that he could not recover and told his wife to expect his death at any minute. His wife received one of the miraculous Sacred Heart Badges from her cousin. She took it to the hospital and placed it on the unconscious man. In a very short time he regained consciousness. That was July 29; August 3 he was able to return to his home. He was asked if he would appear before seventy-five doctors who were interested in his case. He consented to do so. He was told that they could not understand his being alive; that he was surely "A Miracle Man."

Best of all was the miracle of grace given to six of the sick man's close relatives, who had been away from the Church for twenty-six years. Upon hearing of this miraculous cure they all returned to their Faith at once, faithfully attended a Mission being then given, received Holy Communion and are now most happy.

PRAYER FOR THE SICK.

Pour forth the rich blessings of Thy Sacred Heart upon me, Oh, Jesus.

Oh, Blessed Jesus, look upon me with Thy beautiful eyes and extend Thy Blessed Hands in Benediction over me. Help me, Make me well.

Oh, Heart of Jesus, who by His touch cured all diseases, let go forth a healing power to restore health to me.

Kissing Thy inage, I beg you with all my love and trust, come to my aid; do not delay. I ask this of Thy bounty.

O good Jesus, hear me. Most Sacred Heart of Jesus, have mercy on us. (3 times).

MOST SACRED HEART OF JESUS, HAVE MERCY ON US

THESE SACRED HEART BADGES ARE

BLESSED BY OUR DIVINE LORD HIMSELF

Our Lord appears to a very saintly priest, and He alone blesses these Sacred Heart badges. This blessing is so sublime that the devil rages when he hears it spoken of. This good Priest has not given permission to divulge his name.

Sister M. Antonia, a saintly nun of the Precious Blood Order, met with an accident and was taken to St. Rita's Hospital in Lima, Ohio. A Priest called on Sister and, giving her one of these badges, he said: "Sister, you have received many Sacred Heart badges, but NEVER one like this. It is blessed by OUR DEAR LORD HIMSELF." Sister was cured. Sister loaned the badge to a patient who was about to undergo a very serious operation. The patient was cured instantaneously and left for home next day.

THE POWER OF THE MASS

In the past the missions have been founded and sustained both spiritually and materially by the Mass. In rebuilding and expanding the missions which have been ravished by war, the Mass will play the same dual role. Spiritually, the Holy Sacrifice is the greatest source of grace for the missionary and the peoples among whom he labors. Materially, the contributions of the laity at home to such organizations as the Seraphic Mass Association help greatly to sustain the physical life of the missionary and his mission.

Consider the benefits listed here as only part of the returns from your membership offering. The work that your alms makes possible in the mission fields is inestimable. Ask or write for the interesting descriptive booklet of the Seraphic Mass Association.

BENEFITS — 6,000 Special Masses offered every year for all members, living and deceased.

500 Masses offered daily by Capuchin Communities.

300 Days' Indulgence every time you perform a good work for the Seraphic Mass Association.

A Plenary Indulgence, upon the usual conditions, on the Feasts of—Epiphany (Jan. 6), Exaltation of the Cross (Sept. 14), Our Lady of Sorrows (Friday after Passion Sunday) and St. Fidelis (April 24).

A special share in the prayers and good works of the Capuchin Order and of Capuchin missions.

MEMBERSHIP — $5.00 enrolls you as LIFE member — with all benefits continuous after death.

$2.00 enrolls a deceased person, relative, or friend as PERPETUAL participant.

50¢ enrolls you as ANNUAL member (to be renewed each year) — with all privileges.

THE Capuchin Order's houses of study, where our missionaries are trained, are not self-supporting. We depend upon the voluntary offerings of our friends to educate our students.

For this purpose we have established scholarship burses. The interest on a completed burse supports a student for the priesthood in the Capuchin Order.

Any donation is gratefully received, and all donors share in the prayers and good works of the Capuchin Order.

Dear Surmy:

I enclose herewith a letter addressed to Steve Early, and referred to me because it deals with an appointment, from Mr. Herbert C. Macdonald, Liaison Officer representing the Government of Jamaica.

We would not, of course, arrange for this presentation directly to the President, but I would like to have your recommendation as to whether I should receive it on his behalf?

Thank you.

The White House,
Washington, D.C.

Dear Mr. Early:-

As you are probably aware, there are approximately 19,000 labourers from Jamaica, British West Indies now working in the United States.

One of these workers, Alvin Marriot, is a well known sculptor in the West Indies. He has created from wood a very excellent bust of President Roosevelt and wishes to present it to him.

I quote his own words: "It is my wish that this work be presented to President Roosevelt on behalf of the Jamaican workers here with their undying love and affection."

Will you please let me know if such a presentation can be made to President Roosevelt, and if so, how could I proceed.

I know how extremely busy you are but I trust you can spare a few moments to deal with this request.

Yours faithfully,

A Novena to the Sacred Heart of Jesus

O Divine Jesus, who hast said: "Ask and you shall receive; seek and you shall find; knock and it shall be opened unto you," behold me prostrate at Thy feet. Animated with a lively faith and confidence in these promises, dictated by Thy Sacred Heart and pronounced by Thy adorable lips, I come to ask (here mention the request).

From whom shall I ask, O sweet Jesus, if not from Thee, whose Heart is an inexhaustible source of all graces and merits? Where shall I seek, if not in the Treasure which contains all the riches of Thy clemency and bounty? Where shall I knock, if it be not at the door of Thy Sacred Heart, through which God Himself comes to us and through which we go to God?

To Thee then, O Heart of Jesus, I have recourse. In Thee I find consolation when afflicted, protection when persecuted, strength when overwhelmed with trials, and light in doubt and darkness. I firmly believe Thou canst bestow upon me the grace I implore, even though it should require a miracle. Thou hast only to will it and my prayer is granted. I own I am most unworthy of Thy favors, O Jesus, but this is not a reason for me to be discouraged. Thou art the God of Mercies and Thou wilt not refuse a contrite and humble heart. Cast upon me a look of pity, I conjure Thee, and Thy compassionate Heart will find in my miseries and weakness a pressing motive for granting my petition.

But, O Sacred Heart, whatever may be Thy decision with regard to my request, I will never cease to adore, love, praise and serve Thee. Deign, my Jesus, to accept this, my act of perfect submission to the decrees of Thy adorable Heart, which I sincerely desire may be fulfilled in and by me and all Thy creatures for ever and ever. Amen.
