Dear President Roosevelt -

I came to town this morning
for the dual purposes of getting
out the first copies of the "Dedicated"
(the first copy of the gift edition
goes to you with this note) & of
seeing Commissioner Mc Ninch in
accordance with the suggestion
conveyed to me via Mr. He Hands
most kind letter of the 22nd.

"The Federalist" is by far the most
ambitious publication we have
sponsored so far & I am anxious
that it will delight you as much
as it does us of the Foundation.

It is offered in three editions

Justice Brandeis & Professor Earle
did a great deal of work on this
during the past summer & I feel
certain it is the finest thing so far.
Within a few days you will re-
ceive your copy stamped in gold
with your name.

As Commissioner Mc Nuch had
received neither a copy of the
letter I have already referred to, nor
any instructions from the White
House he was in considerable of
a quandary as to how to proceed
& therefore nothing was accomplished.
But tomorrow I hope to see
James & get some clarification
& possibly, if necessary, while
here, you may be good enough

My dear Mr. President:

The report of the Norroena Society's activities last year shows
that we received a publicity to over three million people.

You will see from our radio address that the purpose of the
Society is to instill love of institutions and appreciation for orderly,
evolutionary form of governments and that it is possible for nations to
play together, thereby developing a national character which will stabilize
governments and encourage individualistic endeavors and cement the friend-
ship and fellowship that should go with good government.

OFFICE OF THE PRESIDENT

book given

May 10, 1938.

Hon. Franklin D. Roosevelt
White House
Washington, D. C.

Dear Mr. President:

I am sending you under separate cover a copy of the publication which we issued in conjunction with our Twenty-Sixth Anniversary Celebration. We were very happy to print on the first page of this journal a prayer for you which was offered at a recent meeting of the National Council of Young Israel.

We are deeply grateful for the humane and friendly attitude which you have adopted for all mankind and for the unfortunate sufferers in Central Europe in particular. Please accept our small token of appreciation and may G-d grant you the strength and the courage to continue in your splendid work.

Sincerely yours,

Jacob O. Zabronsky

Dear Mr. Le Hand,

Thank you very much for your kind letter of May 25th. I appreciate the fact that Mr. Roosevelt is burdened with the many problems and details of national and international affairs. However, I sincerely trust that he can spare a moment to send his personal acknowledgment for the prayer which was offered in his behalf at our recent rally.

Our supplication was spontaneous coming at the suggestion of the Honorable Irwin Steingut, who was National Chairman for our recent Twenty-Sixth Anniversary Dinner. A personal letter from the President would be most encouraging and inspiring to our general membership.

Awaiting the favor of a reply, I am

Sincerely yours,

This school was started in the year of 1934 with
an enrollment of 18 and closed last year with an

close to 300 students. These are young men and
women whose lives have been dedicated to Christian
Service and the cause of righteousness in this
present wicked world.

May God bless you Mr. Roosevelt as you carry on
your most responsible position as the President
of the United States of America.

My dear Mr. President:

Last February I was fishing down Islamorada, Florida,
(down the Keys). We left the dock went out into "The
Stream", and in about ten or fifteen minutes, while
near Alligator Light,, Bango,, Whiz-z-z-z and I had
a sailfish on the line.

He didn't weigh very much but looked to be a mile long,
when he jumped fifteen feet, broke water, trying to get
off that hook. We got him on board the boat, tied a
line around his snoot and hung him up. He measured seven
foot, two inches - of fighting fish. When we went back
to the dock we threw him up on shore and one of the boys
sawed off his bill and placed it in the back of my car.

About a month ago I was looking among the tools back of
the seat, found it, and got the idea, that if it was
polished up and fixed right, it would make a novelty
letter opener or paper cutter. The finished article
is coming to you, via parcel post. I hope you'll accept
it, put it on your desk and find it useful.

We fishermen have to stick together.

Very truly yours,

Howard B. Norton
