Honorable Frank Murphy
Washington, D.C.

My dear Governor: I had the intention to come to Washington before leaving for Europe to pay you my respects personally, and to congratulate you on your new appointment, over which all of your many friends were very happy.

I started by motor from Detroit on Saturday and there it is Tuesday and I have just arrived in Baltimore. — You never have seen anything like the roads. Most of the way solid ice.

So in the morning I am going by train to New-York and Thursday evening I am taking the Polish steamer "Batory" for a two months trip to Poland to visit my family. —

- 2 -

Before leaving there were two things that I wanted to see you about. - namely first to give you one of my books to give to the President, as I know he loves ships and reads all books about them, I was told so by Langhorne Gibson of New-York.

Second I am sending my brother in law, Billy Ulman from Baltimore to bring the book to you and to have you meet him. - He is a Prince of a fellow and I know you will like him. At the same time Bill has something on his mind that he would like to talk to you about personally.

I hope, and in fact I know you will like each other.

Here are my and my little wives best regards, and again the best of luck to you, as ever

May 9, 1939.

Mr. Stephen Early,
Secretary to the President,
Whitehouse,
Washington, D. C.

Dear Mr. Early:

I have been requested by Mr. August Naue, at present a patient in the U. S. Veterans Hospital #81, Bronx, New York to communicate with you asking your cooperation in making the necessary arrangements for the presentation of a portrait of the President made by Mr. Naue with 11,200 cancelled U.S. postage stamps.

The date preferred for the presentation is on Saturday May 20, 1939 at 11 A.M. at the Whitehouse provided this meets with your approval.

The presentation party will include, in addition to the undersigned, Mr. John Reilly, Jr., Vice Commander, Mr. Charles Weber, Past Post Commander, Mrs. Charles Weber, Past President Post Auxiliary and Past New Jersey State Officer of Ladies Auxiliary of V.F.W., and Mrs. John Reilly, Chaplain of the Laides Auxiliary. All of the above are members of the Lt. Leslie J. Rummell Post #164, V.F.W. of Newark, N. J., of which Post Mr. Naue is now a member.

In anticipation of a favorable response, I remain

Respectfully,

Arthur L. Millmore

Arthur L. Millmore, District Commander

Veterans of Foreign Wars,

May 11, 1939

My dear Mr. Millmore:

Reference is made to your letter of May ninth to Mr. Early, referred to me since I arrange all appointments.

I regret very much that it is not possible to comply with your request for an appointment with the President in order to present the portrait made by Mr. Naue. As you can readily appreciate, the President has been exceedingly busy and I have found it necessary to limit his engagements to those of an official and inescapable nature.

I am sure that you, Mr. Naue and your fellow members will understand the situation and the difficulty of making an exception, particularly when there are so many similar requests being received.

If you desire to send the portrait, either by mail or express, addressing it in my care, I will be very glad to bring it to the attention of the President at the first opportunity with an appropriate word of explanation.

With all good wishes,

Sincerely yours,

EDWIN M. WATSON

Dear President ROOSEVELT. RECEIVED

I Have just finished listening to your noon discourse on the nations Neutrality, and I am taking this opportunity to write to you, as no doubt hundreds of others have done during the past two or three weeks, but not intierly in the same light. I have heard of thousands of letters bieng sent to your co*laboring Congressman.

I desire to say in harmony with your views, expressing appreciation and approval of your broad mindedness of the vital problems ~~that~~ confronts our nation today. These are not my thoughts alone but the out growth of conversation with prominent leaders of every phase of life in our local community.

IT is only fair to say that my own views very closley parallel your verson of the neutrality repeal, although I never understood thorughly its broad significance untill I heard your Masterfull adress.

I heartily speak both the sentiments I have heard and the ones of my oun, regarding the views of banishing, the imaginary lines of personel differences, and party divisions. Which if reserved would set up guard rails around the Nation and increasingly multiply ~~loyalty~~ loyalty and respect of such government of freedom, for which we are hiers of.

I humbly beg of your apology for interrupting your vital moments of concentration upon the welfare of the American people hoping in return you will send me in your oun chosen time your autograph. that I may put it in my diary as a treasure.

I have recently had published a handbook of information, up to recent times, on NEWFOUNDLAND, and I am taking the liberty of suggesting that I would deem it a great privilege if President Roosevelt would see fit to accept a copy, which I am forwarding under separate cover, with my humble compliments at this season.

Newfoundland was greatly honoured by the visit of the President and his party to the Bay of Islands area of our Island during the past season, when he tried his luck with some of our salmon in the west coast rivers, and it is possible that he may be inclined towards accepting my offering as an appreciative reminder of his sojourn there.
