REASON FOR INVESTIGATION

Investigation of B/C Case of Dans

A. Registration card shows information as stated above, but no location of death or burial. B/C for Dans, 1454487, burial conf Commune of Apremont, reburied to Cty 1232.	F. No record
B. There is no record of original burial for this man, no G.L.B. File papers for Dans consist of letters from Europe concerning the concentration of this Unknown from gr 31, plot 2, cty 741, Apremont, Meuse to gr 30, sec 12, plot 1, Cty 1232. (see letter, Chas. J. Wynne, 5/13/18. (Tag was found on body of Dans with serial number belonging to above man. (Note: The burial of Frank Davis is confirmed in another location, and is perfectly straight.)	G. Form 1-A D-2279 records Unknown, 1454487, in grave 31, plot 2, B/A Cty 741, Apremont; reburied per form 16 as Dans, 1454487, tag on body, into gr 30, sec 12, plot 1, Cty 1232 per from 1-A, D-11027.
D- No record	H. The burial records for the Commune of Apremont show that many men from the same organization, Co A, 130th M G Bn, died and were buried in the immediate vicinity of the original location of the Unknown Dans, so that it is natural to presume that Cunningham, dying on 9/28/18, would also be buried in this vicinity.
E. No record	J.

SUMMARY

It is the opinion that the body of Frank Cunningham is buried as Dans, in grave 30, sec 12, plot 1, Argonne American Cty 1232, Romagne, Meuse, such identification to be based on the records of burial of this office, as shown in the file papers for that location, and on the fact that the date of death of Cunningham and the location of original burial of Unknown Dans agree with the burial records of many men from Cunningham's organization killed in action at that time.

Concur: very explicit opinion, note serial # agrees.
