Mrs. Lula Dade,

Dear Madam:

There are enclosed herewith two tags and four identification pasters which have been prepared for the purpose of protecting your baggage while in transit, and to insure its safe arrival at the hotel where you are to stop in New York City. Please attach the tags to the handle of each piece of your baggage and place a paster on each end of each piece of your baggage before leaving your home.

Upon your arrival in New York City, you will be met at the railroad station by an Army Officer who will be in uniform. During your sojourn in New York before sailing for Europe, and upon your return from Europe, you will stop at the Young Women's Christian Association, 179 W. 137th Street, New York City.

All mail intended to reach you between June 10th, 1932, the day you sail from the United States, and July 2nd, 1932, the day you leave Europe, should be addressed to you in care of American Pilgrimage, 146 Avenue des Champs Elysees, Paris, France; for example:

Mrs. Mary Smith,
c/o American Pilgrimage,
146 Avenue des Champs Elysees,
Paris, France.

In making reservations for your journey home from New York City, it is necessary for this office to furnish the railroads with the exact time and date of your departure. The party you are to travel with will be disbanded in New York City on the day following your return from Europe and all arrangements for your accommodations will be made with the railroads by this office accordingly. Upon your return from Europe, it will therefore be necessary for you to remain in the hotel over night as a guest of the United States Government.

There is also enclosed herewith information relative to the cemeteries in Europe.

Dear Madam Dade:

Receipt is acknowledged of your letter of October 23rd in which you express appreciation for the pilgrimage you made to the graveyards of Europe in honor of your husband, the late Private Henry Dade.

It is gratifying to know that your trip was entirely satisfactory and that you were accorded such courteous and efficient service by the officers of the Army and other personnel. The Quartermaster Corps is proud of the honor bestowed upon it by being charged with the conduct of these pilgrimages, and has expended every effort that those making the journey might have a comfortable and pleasant trip. I feel, however, that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the pilgrims themselves.

In compliance with your request, an order has this date been issued that a flag in memory of your husband be forwarded you, provided one has not previously been furnished.

With sincere appreciation of your complimentary remarks regarding the conduct of the pilgrimage, I am

Dear Madam:

I am glad to inform you that it has been found practicable to arrange for the mothers and widows scheduled to sail on the American Trader, August 26th, to make the pilgrimage earlier in the summer at a time of the year when the ocean voyage is most pleasant and the climate and conditions in Europe are more satisfactory. All invitations to sail on the American Trader, August 26th, have accordingly been cancelled and arrangements are being made for you to sail on the American Merchant, June 10, 1932. A formal invitation is enclosed herewith.

In making application for your passport, please present the invitation to sail on the American Merchant, June 10th.

If, for any reason, you are not able to sail on June 10th, you will of course be given an opportunity to make the pilgrimage during the year 1933. It is hoped, however, that you will be able to accept the enclosed invitation and sail on the American Merchant, June 10th.

Dear Madam:

In the early part of the year 1932, you will be forwarded a formal invitation to make a pilgrimage to Europe in honor of your husband, the late Private Henry Dade.

The records show that Private Dade died on board the "Scotian" on January 27, 1918, and was buried at sea. You will realize therefore, that when you make the pilgrimage, no grave can be shown you as that of your husband.

The names of deceased members of the American forces whose death and burial occurred at sea, will be inscribed in memorial chapels now under construction in the Brookwood and Suresnes American Cemeteries in Europe, and although the names will not be inscribed when you make the pilgrimage in 1932, the itinerary prepared for your pilgrimage will include visits to both cemeteries.

In order that the records of this office may be complete and correct, it is requested you advise whether your husband is survived by a natural mother, a step-mother, or any woman who took care of him for five years before he was 18 years of age. If so, please furnish her name and address, and relationship.

In order that proper arrangements may be made for your pilgrimage, it is requested you complete the questionnaire enclosed herewith and return it to this office in the enclosed envelope which requires no postage.

Receipt is acknowledged of your letter of October 23rd in which you express appreciation for the pilgrimage you made to the graveyards of Europe in honor of your husband, the late Private Henry Dade.

It is gratifying to know that your trip was entirely satisfactory and that you were accorded such courteous and efficient service by the officers of the Army and other personnel. I am glad to inform you that it has been found practicable to arrange for the mothers and widows scheduled to sail on the American Trader, August 26th, to make the pilgrimage earlier in the summer at a time of the year when the ocean voyage is most pleasant and the climate and conditions in Europe are more satisfactory. All invitations to sail on the American Trader, August 26th, have accordingly been cancelled and arrangements are being made for you to sail on the American Merchant, June 10, 1932. A formal invitation is enclosed herewith.

In order that there may be no misunderstanding, it is requested you destroy the invitation issued you to sail on the American Trader, August 26th, and complete the card enclosed with the invitation to sail on the American Merchant, June 10th, returning it to this office at your earliest convenience.

In making application for your passport, please present the invitation to sail on the American Merchant, June 10th.

If, for any reason, you are not able to sail on June 10th, you will of course be given an opportunity to make the pilgrimage during the year 1933. It is hoped, however, that you will be able to accept the enclosed invitation and sail on the American Merchant, June 10th.
