November 21, 1923.

Mrs. Carmela Tosca Dattolo,
Atripalda, Province of Avellino,
Italy.

Dear Madam:

The Quartermaster General desires you to be informed that the permanent grave of Private, First Class, Sabino Dattolo, Company K, 148th Infantry, is Grave 14, Row 1, Block C, Flanders Field American Cemetery, Wazeghen, Belgium.

This is one of the permanent American military cemeteries to be maintained by this Government in Europe. Each grave will be marked by a headstone of white marble, of suitable design, with name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

You are assured in effecting removal of the remains, the utmost care and reverence were exercised and more than willingly accorded by those who performed this sacred duty. The grave of the deceased will be perpetually maintained by this Government in a manner befitting the last resting place of our heroes.

Very truly yours,

O.Q.M.G.

INSTRUCTIONS FOR THE PROPER COMPLETION OF G. R. S. FORM NO. 16-A

Enter information, as noted below, on reverse side of sheet in the *corresponding numbered space*. This form is supplemental to and is to be forwarded with G. R. S. Form 1-a, reporting reburial location. To be used in answer to Question 26, Form 114, in case no means of identification on body.

1. Show ~~reburial~~ soldier's name, serial number, rank and organization, and by whom disinterred and reburied.
2. Give date and accurate information as to location from which the body was disinterred and the group and unit which made disinterment.
3. Give date and accurate information as to location of reburial and the group and unit which made reburial, and how reburial was made—in casket, wooden box, etc.
4. State to what degree decomposition has progressed, whether recognition is possible, and how the body was originally buried—in a casket, box, burlap, etc. This statement should be as complete as possible.
5. (a) State whether identification tags were found buried with body and on grave marker by reporting "Yes" or "No".
(b) State whether or not body appears to have been a hospital case. Were any identifying articles found in or on body or grave? List any personal effects, letters, money-order receipts, and the like found on body or in grave. Give any and all information which it is thought might be of use in identifying the body, other than that tabulated under Item No 6.
6. Give all information as to body description and dental chart as nearly correctly as the condition of the body will allow. Items (e) and (f) under the body description are very important and should be very complete. The dental chart is also very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspids (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found.

MISSING TEETH	All teeth missing through previous extraction (not those fractured or displaced by recent wounds) should be scratched out, thus:	
CROWNED TEETH	Block in solid the crown of tooth (label gold, porcelain, or gold and porcelain), thus:	
BRIDGE WORK	Block in solid the crown of tooth (label gold bridge, gold and porcelain bridge) thus:	
FILLINGS	Draw filling on tooth accurately as possible (block in and label gold, silver, cement), thus:	
CARIES (CAVITIES)	Outline location and size of cavity, shade in thus:	
DENTURES (PLATES)	Draw diagram of relative size and shape of plate block in teeth attached and indicate retaining clasps on natural teeth with the word "clasp"	

7. Show name of person supervising the disinterment and the name and title of the person approving same.
8. Show name of person supervising the reburial and the name and title of the person approving same.

WAR DEPARTMENT
OFFICE OF THE QUARTERMASTER GENERAL OF THE ARMY
WASHINGTON

FROM: The Quartermaster General, U.S. Army, (Cemeterial Division).

TO: The relatives of our dead.

SUBJECT: Participation of patriotic societies in funerals.

1. The American Legion has expressed its desire to render any possible aid and comfort to relatives of our soldier dead returned from Europe for burial at their homes, and to honor their fallen comrades through participation in the funeral ceremonies. To this end the Legion requested this office to furnish the National Headquarters with the names and addresses of next of kin, approximate date of return and other data. This information cannot be furnished to others than relatives of the dead, since it is peculiarly their property and its dissemination to others would be a violation of our obligation to them and to the dead.

2. The desire of the American Legion is brought to your attention in order that, should you wish any aid from the organization or that it participate in the funeral of your soldier dead, you may bring the matter to the attention of the commander of the local post, or if there be no local post, to the attention of the National Adjutant, American Legion, National Headquarters, Meridian Bldg., Indianapolis, Ind.

3. It is understood to be the intention of the National Headquarters, American Legion, in case there is no local post in the immediate vicinity of the intended burial place of any returned soldier's remains, to direct the nearest post to take action on those cases where relatives so request.

4. The American Red Cross desires also to render comfort to the relatives of our dead, through their local chapters, which are in operation in almost every town. We are sure they will be glad to serve whenever they may be called upon.

5. The same is doubtless true concerning the other welfare organizations which were officially recognized during the World War and are still in operation, as well as other military associations which are locally established.
