Mr. Chas W. Dietz,
War Department
Washington, D. C.

Dear Sir:

In reply to your letter of October 28th, 1932 relative to my wife's claiming a trip to France as a Step-mother of my deceased son, I wish to state that my present wife never had any care of my son. In fact she never saw him and further more she does not care to make this trip. On the other hand if there should be any regulations that would permit the father to take advantage of such benefits, I shall be glad to file my application instead of my wife. Please inform me about this matter.

Yours very truly,

William Davis

My dear Madam:

The Quartermaster General desires you to be informed that the investigations which are being conducted with a view towards locating the graves of the Unlocated World War Dead, are proving successful in many cases where sufficient identifying marks can be secured. To assist in the investigation work, it will be appreciated if you will secure, if possible, a chart from the dentist who may have performed dental work for the soldier named above, prior to enlistment. The chart should include crowns, fillings, bridges, and extractions, if any. Should you be unable to obtain a chart, kindly report which teeth you recall crowned or filled.

Any information, sketches or descriptions which you may have received from comrades or officers, regarding the death and burial of this soldier, or which you may now secure from the Local Legion Post, may be of valuable aid in locating his grave, and it will be appreciated if you will forward same to this office.

You may be assured that everything possible will be done by the Department to bring the case to a successful conclusion.

For your reply, you may use the inclosed envelope which requires no postage.

Very truly yours,

L. W. Redington
