IN REPLY REFER TO QM 293 A-M

Day, Frederick D. (STM)

July 12, 1932

Mrs. Ellen J. Day,
119 Hancock St.,
Auburndale, Mass.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

CHAS. W. DIETZ,
Captain, Q. M. Corps,
Assistant.

Dear Madam:

Your attention is invited to the enclosed copy of an Act of Congress approved March 2, 1929, entitled an Act "To enable the mothers and widows of the deceased soldiers, sailors and marines of the American forces now interred in the cemeteries of Europe to make a pilgrimage to these cemeteries".

The records of this office show that you are the mother of the late Sargeant Frederick D. Day, 101st Engre., Co. A, whose remains are now interred in the St. Mihiel American Cemetery, Thiaucourt, Meurthe-et-Moselle, France.

Will you please advise this office whether or not he is survived by a widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish her full name and address in order that action may be taken to extend an invitation to her to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

In the event your son was survived by a widow who has since re-married it is requested that a statement to that effect be made.

Mrs. Ellen J. Day,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

I am unable to secure a chart from the local dentist - as requested, as it has been destroyed. I would also state that no bone fracture was ever sustained by my son. I regret not being able to furnish this information, but in this particular case I feel it is not so important - as the Chauvois cemetery is small and no wounded soldiers are buried there I believe - only those who died from disease - and it would seem that no confusion could occur. SUBJECT: Identification of Remains of
Frederick Day, Sergeant, 101st Inf.

1. Sergeant Day died of pneumonia on the 22nd day of January, 1918, and according to the records kept at Plot C, Chaumont, Hte-Marne, France, was interred in grave #106, Plot C., Chaumont. The above-mentioned records also show that Floyd Bolin, Private, Serial No. ---, Machine Gun Company, 166th Infantry died the same day and was interred in grave #107. The records of the Graves Registration Service at Tours showed that Day had been interred in grave #107, Plot C, Chaumont. For the purpose of determining what grave Day was buried in, I visited the cemetery at Chaumont and found that Day's marker was on grave #106 and that the marker of Floyd Bolin was on grave #107. I thereupon requested the Chief, Graves Registration Service to make positive identification. I was informed by letter that same had been done and that the original information given me was correct. I afterward visited the cemetery and found that Day's marker had been moved from grave #106 to #107 and Bolin's marker had been moved from #107 to #106, thereby making the graves correspond with the record at Tours.

2. I am now informed that Mrs. Marie W. Bolin has requested the remains of Floyd Bolin to be returned to this country. In view of the facts as stated above, it is requested that a very careful investigation be made to determine the identity of the body returned.

3. My interest in this matter is due to the fact that I am related to Sergeant Day.
