FROM: The Quartermaster General, U. S. Army, (Cometorial Division)

TO: Mrs. Caroline Day, Fairview, Indiana.

SUBJECT: Disposition of remains.

1. In reply to your letter of July 28, 1920, returning G.R.S. Form #120, requesting that the remains of your son, the late Private George W. Day, be permanently interred in the American Military Cemetery at Maereghem, West Flanders, Belgium, you are advised that representatives of this Government are negotiating with the French Government with a view toward the removal of American soldier dead from Belgium to American Cemeteries in France and should the conclusion result favorably, the body of your son will be transferred to one of the three permanent American cemeteries in France, unless you instruct this office that you desire the remains of your son to be permanently buried in a cemetery in Belgium. If the remains are buried in an American Cemetery which will eventually be abandoned and instructions are received for permanent burial in Belgium, the body will be moved at Government expense and it will be necessary for you, as legal next of kin, to assume care and custody of the grave and the United States Government will be relieved of future responsibility thereof.

2. In view of this information of which you were not previously aware it is requested that you advise this office whether you wish the remains of your son permanently interred in Belgium under this condition or returned to this country, either for private burial or burial in a National Cemetery. Upon receipt of this advice from you instructions will be issued that your wishes be complied with, provided there is no relative whose legal right to direct disposition has priority over yours.

FROM: The Quartermaster General, U. S. Army, (Cemeterial Division)

TO: Mrs. Caroline Day, Fairview, Indiana.

SUBJECT: Disposition of remains.

1. In reply to your letter of July 28, 1920, returning G.R.S. Form #120, requesting that the remains of your son, the late Private George W. Day, be permanently interred in the American Military Cemetery at Waereghem, West Flanders, Belgium, you are advised that representatives of this Government are negotiating with the French Government with a view toward the removal of American soldier dead from Belgium to American Cemeteries in France and should the conclusion result favorably, the body of your son will be transferred to one of the three permanent American cemeteries in France, unless you instruct this office that you desire the remains of your son to be permanently buried in a cemetery in Belgium. If the remains are buried in an American Cemetery which will eventually be abandoned and instructions are received for permanent burial in Belgium, the body will be moved at Government expense and it will be necessary for you, as legal next of kin, to assume care and custody of the grave and the United States Government will be relieved of future responsibility thereof.

2. In view of this information of which you were not previously aware it is requested that you advise this office whether you wish the remains of your son permanently interred in Belgium under this condition or returned to this country, either for private burial or burial in a National Cemetery. Upon receipt of this advice from you instructions will be issued that your wishes be complied with, provided there is no relative whose legal right to direct disposition has priority over yours.
