Dear Madam:

The Act of Congress which provides for pilgrimages to cemeteries in Europe by mothers and widows of members of the military or naval forces of the United States who died in the military or naval service at any time between April 5, 1917 and July 1, 1921, and whose remains are now interred in such cemeteries, all necessary expenses of which pilgrimages are to be paid by the United States Government, requires that the Secretary of War make an investigation and submit the results of such investigation in a report to Congress not later than December 15, 1929. The purpose of the investigation is to determine the total number of mothers and widows entitled to make the pilgrimages, the number of such mothers and widows who desire to make the pilgrimages, the number who desire to make the pilgrimages during the calendar year 1930 and the probable cost of the pilgrimages to be made.

In order that the report referred to may be made and plans completed for conducting the pilgrimages, it is requested that you answer the following questions by filling out the blanks left therefor and return the letter to this office by return mail in the enclosed envelope which requires no postage.

Dear Mrs. Roe:

I have the letter of June 12th which you and the other mothers and widows who recently made the pilgrimage to Europe were so kind as to send me in appreciation of the courteous care and attention you received throughout the journey.

The pilgrimage was authorized by Congress in an endeavor to bring a measure of comfort and solace to the hearts of the mothers and widows whose loved ones made the supreme sacrifice for their country during the late war, and it would seem from the generous expressions contained in your letter that the effort has not been in vain.

I am delighted to know that you were pleased with the arrangements made for your comfort and welfare and that the personnel as a whole rendered such satisfactory and commendable service. I feel however that the task has been materially lightened by the wonderful spirit of cooperation and consideration shown by the mothers and widows making the journey.

You are assured that the St. Mihiel American Cemetery will be perpetually maintained in the same fine condition in which you found it, as it will continue to be the constant effort of the Quartermaster Corps, which is charged with the care of all National cemeteries, to make it a fitting resting place for the heroes who are buried there.

Dear Madam:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.
