Under the law, 1933 is the last year you may make the pilgrimage at the expense of the Government, and it is imperative that this office have an expression from you as to whether or not you desire to take advantage of the opportunity afforded you.

It is requested therefore you answer the following inquiry, sign your name, and return this letter to this office.

Dear Madam:

Your Government has provided an opportunity for all Mothers and Widows of deceased members of the American Forces who were lost, buried at sea, or whose remains are now interred in Europe, to make a pilgrimage to the cemeteries in Europe. This was done in the hope that all who may make the pilgrimage will derive a measure of comfort and solace from the visit.

You are numbered among those who are privileged to make this pilgrimage.

During July and September of this year, inquiries were addressed to you as to whether or not you desire to make the pilgrimage to Europe. To these inquiries no reply has been received from you.

You probably do not realize how important it is that a reply be received from you. If we do not receive replies, it becomes very difficult to make the necessary and proper arrangements for those who are to make the trip, as everything must be arranged in advance. Consequently, it is just as important for the Government to know the names of those who do not desire to take advantage of its offer as it is to know the names of those who do.

Will you please devote a few moments of your time to write either the word "YES" or "NO" in the following space\_\_\_\_\_, thus indicating whether or not you desire to make the pilgrimage during 1933 and sign your name here\_\_\_\_\_. Use the enclosed envelope, which requires no postage, and return this sheet.

This reply will assure your Government that no worthy Mother or Widow has failed to receive its offer in commemoration of a loved one departed, and will greatly assist in making the necessary preparations for those of them who wish to take advantage of the privilege.

For The Quartermaster General,

Very truly yours,

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Receipt is acknowledged of your reply to form letter forwarded you under recent date relative to the pilgrimage to the cemeteries of Europe, wherein you advise that your health will not permit you to make a pilgrimage during the year 1932.

Competent personnel will be provided to care for the mothers and widows from the time of their arrival in New York until their return thereto. Medical attendants and all other necessities will be arranged for and in the event you decide to make a pilgrimage, you are assured everything possible will be done for your care and welfare. During the summers of 1930 and 1931 many mothers of advanced age and in poor health made the pilgrimage and appear to have benefited therefrom.

Your name is being placed on the list of mothers and widows who are eligible to make a pilgrimage in 1933. However, should you change your mind in view of the above, and desire to make a pilgrimage during the summer months of 1932, it is requested you advise this office in order that arrangements may be made for you.

Dear Madam:

Receipt is acknowledged of your reply to form letter forwarded you under recent date relative to the pilgrimage to the cemeteries of Europe, wherein you advise that your health will not permit you to make a pilgrimage during the year 1932.

Competent personnel will be provided to care for the mothers and widows from the time of their arrival in New York until their return thereto. Medical attendants and all other necessities will be arranged for and in the event you decide to make a pilgrimage, you are assured everything possible will be done for your care and welfare. During the summers of 1930 and 1931 many mothers of advanced age and in poor health made the pilgrimage and appear to have benefited therefrom.

Your name is being placed on the list of mothers and widows who are eligible to make a pilgrimage in 1933. However, should you change your mind in view of the above, and desire to make a pilgrimage during the summer months of 1932, it is requested you advise this office in order that arrangements may be made for you.

For The Quartermaster General,

Very truly yours,

Dear Madam: The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.
