TABLE OF CONTENTS

Chapter 1: Building a Data Sleuth Team	1
The First Team	2
The Forensic Accountant	3
Technical and Strategic	3
Thorough and Efficient	4
Detail-Oriented and Effective Communication	4
Accounting Knowledge and Legal Knowledge	5
Meeting Deadlines and Developing Business	6
Forensic Accountant Problems	6
The Scalability Problem	7
The Strategy Problem	8
The Review Problem	9
The Sustainability Problem	10
Data Sleuth Solutions	10
The Scalability Solution	11
The Strategy Solution	12
The Review Solution	13
The Sustainability Solution	14
Chapter 1: Test Your Knowledge	15
Chapter 1: Solutions and Suggested Responses	17
Chapter 2: The Data Sleuth Process	19
Engagement Types	19
Simultaneously Managing Client Expectations and Objectivity	22
Professional Standards	24
The Data Sleuth Process	26
Chapter 2: Test Your Knowledge	35
Chapter 2: Solutions and Suggested Responses	37
Chapter 3: The Data Sleuth Necessity	39
Forensic Accounting Engagements Versus External Financial Statement Audits	39
The Evolution of Forensic Accounting	41
The Case of the Cash Back Payroll Scheme	42
Start With the Evidence, Not the Scheme	43
The Case of the Gambling Executive Director	44
Chapter 3: Test Your Knowledge	47
Chapter 3: Solutions and Suggested Responses	49
Chapter 4: Data Sleuth Considerations	51
Investigations Affect Real People	52
The Case of the Nonexistent Inventory	53
The Fraud Formula	55
Staying on Task with Purpose in Mind	55

The Case of the Man Cave Chapter 4: Test Your Knowledge Chapter 4: Solutions and Suggested Responses 67 Chapter 5: Client Communication and Involvement The Case of the Initial Client Meeting Client Expectations Data Procurement Client Involvement During an Investigation Ongoing Client Communication Tongoing Client Communication Chapter 5: Test Your Knowledge Thapter 5: Solutions and Suggested Responses 81 Chapter 6: The Data Sleuth Case Plan The Data Sleuth Process The Data Sleuth Case Plan The Data Sleuth Analysis Framework Evaluate the Subject's Access through Risk-Based Analysis Data Sleuth Analysis Framework From Conceptual Venn Diagram to Comparative Data Analysis The Data Analysis Plan Data and Information Gathering Communication of the Case Plan The Case of the Duplicate Payroll – Conclusion Phapter 6: Test Your Knowledge Chapter 7: Risk-Based Analysis The Case of the Puzzling Entries Risk Focus in Audits versus Risk Focus in Investigations The Case of the Puzzling Entries Risk Focus in Audits versus Risk Focus in Investigations The Case of the Mom of the Year Evaluating Risk in Divorce Cases and Estate and Trust Disputes Chapter 7: Test Your Knowledge Chapter 8: Data Sources and Data Processing Techniques Data Sources For Quantitative Data Sources Data Sources for Quantitative Evidence Data Processing Techniques Relevant Period Getting Organized before Beginning Data Processing Considerations before Processing Data Considerations before Processing Data	The Investigation Decision Tree for a Data Sleuth	56
Chapter 4: Test Your Knowledge65Chapter 4: Solutions and Suggested Responses67Chapter 5: Client Communication and Involvement69The Case of the Initial Client Meeting69Client Expectations72Data Procurement73Client Involvement During an Investigation75Ongoing Client Communication77Chapter 5: Test Your Knowledge79Chapter 5: The Data Sleuth Case Plan83The Client's Investigation Priorities85Evaluate the Subject's Access through Risk-Based Analysis85Data Sleuth Analysis Framework87From Conceptual Venn Diagram to Comparative Data Analysis93The Data Analysis Plan94Data and Information Gathering96Communication of the Case Plan98The Case of the Duplicate Payroll – Conclusion99Chapter 6: Test Your Knowledge101Chapter 7: Risk-Based Analysis105The Case of the Puzzling Entries105Risk Focus in Audits versus Risk Focus in Investigations116The Case of the Mom of the Year116Evaluating Risk in Divorce Cases and Estate and Trust Disputes123Chapter 7: Test Your Knowledge127Chapter 7: Test Your Knowledge127Chapter 7: Solutions and Suggested Responses129Chapter 7: Test Your Knowledge137Quantitative and Qualitative Data Sources132Data Sources Explained131Quantitative and Qualitative Evidence132Data	Recovery Avenues	59
Chapter 5: Client Communication and Involvement Chapter 5: Client Communication and Involvement The Case of the Initial Client Meeting Client Expectations 72 Data Procurement 73 Client Involvement During an Investigation 75 Ongoing Client Communication 77 Chapter 5: Test Your Knowledge 79 Chapter 6: The Data Sleuth Case Plan The Data Sleuth Process 83 The Client's Investigation Priorities Evaluate the Subject's Access through Risk-Based Analysis Evaluate the Subject's Access through Risk-Based Analysis Data Sleuth Analysis Framework From Conceptual Venn Diagram to Comparative Data Analysis The Data Analysis Plan Data and Information Gathering Communication of the Case Plan The Case of the Duplicate Payroll – Conclusion 99 Chapter 6: Test Your Knowledge 101 Chapter 6: Solutions and Suggested Responses 103 Chapter 7: Risk-Based Analysis The Case of the Puzzling Entries Risk Focus in Audits versus Risk Focus in Investigations The Case of the Mom of the Year Evaluating Risk in Divorce Cases and Estate and Trust Disputes 105 Chapter 7: Test Your Knowledge 107 Chapter 7: Test Your Knowledge 108 Chapter 7: Test Your Knowledge 109 Chapter 7: Test Your Knowledge 100 Chapter 7: Test Your Knowledge 101 Chapter 7: Solutions and Suggested Responses 102 Chapter 7: Solutions and Suggested Responses 103 Data Sources Explained 104 Quantitative and Qualitative Data Sources 105 Data Sources for Quantitative Evidence 107 Data Sources for Qualitative Evidence 108 Data Processing Techniques 109 Relevant Period 109 Rel		
The Case of the Initial Client Meeting Client Expectations 72 Data Procurement 73 Client Involvement During an Investigation 75 Ongoing Client Communication 77 Chapter 5: Test Your Knowledge 79 Chapter 5: Solutions and Suggested Responses 81 Chapter 6: The Data Sleuth Case Plan 83 The Data Sleuth Process 85 Evaluate the Subject's Access through Risk-Based Analysis Data Sleuth Analysis Framework From Conceptual Venn Diagram to Comparative Data Analysis 93 The Data Analysis Plan Data and Information Gathering Communication of the Case Plan 94 Data and Information Gathering Communication of the Case Plan 96 Chapter 6: Test Your Knowledge 101 Chapter 6: Solutions and Suggested Responses 103 Chapter 7: Risk-Based Analysis 105 The Case of the Puzzling Entries Risk Focus in Audits versus Risk Focus in Investigations 116 The Case of the Mom of the Year Evaluating Risk in Divorce Cases and Estate and Trust Disputes 123 Chapter 7: Test Your Knowledge 127 Chapter 7: Test Your Knowledge 127 Chapter 7: Test Your Knowledge 127 Chapter 7: Test Your Knowledge 128 Chapter 7: Test Your Knowledge 129 Chapter 7: Test Your Knowledge 120 Chapter 7: Test Your Knowledge 121 Chapter 7: Test Your Knowledge 122 Chapter 7: Test Your Knowledge 123 Chapter 7: Test Your Knowledge 124 Chapter 7: Test Your Knowledge 125 Chapter 7: Test Your Knowledge 126 Chapter 8: Data Sources and Data Processing Techniques 131 Data Sources For Quantitative Data Sources 132 Data Sources for Qualitative Data Sources 133 Data Processing Techniques 134 Relevant Period 135 Relevant Period 136 Getting Organized before Beginning Data Processing		
Client Expectations 72 Data Procurement 73 Client Involvement During an Investigation 75 Cngoing Client Communication 77 Chapter 5: Test Your Knowledge 79 Chapter 5: Test Your Knowledge 79 Chapter 5: Test Your Sleuth Case Plan 83 The Data Sleuth Process 83 The Client's Investigation Priorities 85 Evaluate the Subject's Access through Risk-Based Analysis 85 Evaluate the Subject's Access through Risk-Based Analysis 85 Data Sleuth Analysis Framework 87 From Conceptual Venn Diagram to Comparative Data Analysis 93 The Data Analysis Plan 94 Data and Information Gathering 96 Communication of the Case Plan 98 The Case of the Duplicate Payroll – Conclusion 99 Chapter 6: Test Your Knowledge 101 Chapter 6: Solutions and Suggested Responses 103 Chapter 7: Risk-Based Analysis Plan 96 Risk Focus in Audits versus Risk Focus in Investigations 116 The Case of the Puzzling Entries 105 Risk Focus in Audits versus Risk Focus in Investigations 116 The Case of the Mom of the Year 116 Evaluating Risk in Divorce Cases and Estate and Trust Disputes 123 Chapter 7: Test Your Knowledge 127 Chapter 7: Solutions and Suggested Responses 129 Chapter 8: Data Sources and Data Processing Techniques 131 Data Sources Explained 131 Quantitative and Qualitative Data Sources 132 Data Sources for Quantitative Evidence 132 Using Quantitative and Qualitative Data Sources 137 Relevant Period 137 Relevant Period 137 Releting Organized before Beginning Data Processing 133	Chapter 5: Client Communication and Involvement	69
Data Procurement Client Involvement During an Investigation Ongoing Client Communication 75 Congoing Client Communication 77 Chapter 5: Test Your Knowledge 79 Chapter 5: Solutions and Suggested Responses 81 Chapter 6: The Data Sleuth Case Plan 83 The Data Sleuth Process 83 The Client's Investigation Priorities Evaluate the Subject's Access through Risk-Based Analysis Evaluate the Subject's Access through Risk-Based Analysis 85 Evaluate the Subject's Access through Risk-Based Analysis 87 From Conceptual Venn Diagram to Comparative Data Analysis 93 The Data Analysis Plan Data and Information Gathering 60 Communication of the Case Plan The Case of the Duplicate Payroll – Conclusion 99 Chapter 6: Test Your Knowledge 101 Chapter 6: Solutions and Suggested Responses 103 Chapter 7: Risk-Based Analysis The Case of the Puzzling Entries Risk Focus in Audits versus Risk Focus in Investigations 116 Evaluating Risk in Divorce Cases and Estate and Trust Disputes 123 Chapter 7: Test Your Knowledge 127 Chapter 7: Test Your Knowledge 128 Chapter 7: Test Your Knowledge 129 Chapter 7: Solutions and Suggested Responses 129 Chapter 8: Data Sources and Data Processing Techniques 131 Data Sources Explained 131 Quantitative and Qualitative Data Sources 132 Data Sources for Quantitative Evidence 135 Using Quantitative and Qualitative Data Sources 136 Data Processing Techniques 137 Relevant Period 137 Getting Organized before Beginning Data Processing	The Case of the Initial Client Meeting	69
