Discontinuation Information

This product discontinuation notice serves as a formal notice that thinkRF is now discontinuing the S240 Spectrum Analysis Software application as of November 15th, 2023.

The S240 Spectrum Analysis Software application will be replaced with the new web-based S1000 Spectraware. As such, the S240 will no longer be supported. thinkRF encourages all existing S240 deployments to use the new S1000 Spectraware. Stay tuned for more features and capabilities!

We appreciate your understanding and value your partnership. We look forward to thinkRF's continued support of your company's spectrum monitoring requirements in the years to come.
