

Get your **FREE** First Time Rider Bus Pass!

Ask your Smart Trips coordinator about a free UMO Bus Pass.

This pass comes preloaded with \$60 in stored value, which never expires - use it until the balance runs out.

You can spend it however works best for you: as a month of unlimited rides, or as pay-per-ride at \$2 a trip. Either way, it's a great chance to start taking the bus more - for your commute to work, errands, or anywhere else life takes you.

Scan the QR code, visit ridewta.com, or call (360) 676-7433 for routes and times. Your worksite Smart Trips coordinator can also help with trip planning.
