

Join Smart Trips and WTA in the Memorial Day Parade!

**SMART
TRIPS**

Smart Trips is looking for people on bikes to join us and WTA as we roll through the parade. Our theme is **Get There Smarter**. We'd like to showcase all kinds of bikes and all kinds of riders - individuals, families, groups of friends, everyone is welcome. Cargo bikes and e-bikes are encouraged but any kind of bike is OK.

Participants are encouraged to wear their Smart Trips t-shirt, blue to match the bus, or any fun and festive outfit worthy of a parade (but please be sure you can bike safely). Helmets are mandatory.

When: The parade is Saturday, May 23 and starts at Noon. We ask that you show up to stage with us by 11:45am at the latest. Please note: dependent upon where our parade unit is in line, there can be a substantial wait until we make it on the parade route.

Where: We will be assigned a spot to wait that will be on a side street near the start of the parade route at Alabama St. and Cornwall Ave.

RSVP: Encouraged, but not required. If you RSVP by emailing info@whatcomsmarttrips.org, we can tell you exactly where to meet us on the day of the parade. It's ok to show up without RSVPing, just look for the bus.
