

*A Prayer  
When You Need  
All the Things  
& Today to  
Turn Around:*

*Abba Father*  
who is everywhere  
and here,  
right here,

1

Turn everything, and me,  
right around,  
that my eyes and heart might  
meet Yours,  
be yours,  
and be Yours in the world,  
that all Your ways  
would turn me & this  
whole old world.

2

Give whatever's  
best to nourish  
and flourish me.

3

Give me great grace  
to forgive others,  
so I can experience  
Your great grace and  
forgiveness of me.  
Give daily courage  
to turn away  
from whatever's not  
deeply soul-good for me.

4

Be on the throne  
of my heart,  
Be what I want most.

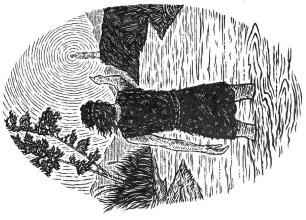

5

Be sure to turn me again  
to see that  
You are my help, my hope,  
my home...

In the name of Jesus,  
the only One who has ever  
loved me to death,  
and back to the realest life,

*Amen*

## The Prayer When You Need

a Lifeline:

HOW.

HELP.

HERE.

Lord, **how** I want You.  
Lord, **help** me want You more.  
Lord, **here** is me... just wanting  
to be here with You.

In the name of Jesus,  
the only One who has ever  
loved me to death,  
and back to the realest life,

*Amen*

7

Here... are my hands raised in  
adoring worship.

Here... is my heart, my life,  
this moment.

Here... am I, all of me.

9

LORD,

You'll get no hoarding or tight-  
fistedness from me right now –

Only **HERE**:

Here... is my box of worries.

Here... is my knot of concerns.

Here... is my heart of endless  
thanks.

5

Help: Be my everything,  
because "human effort  
accomplishes nothing" (John  
6:63 NLT) – so come give me  
life, come be my life.

4

Lord, **how** I want You.

Lord, **help** me want You more.

Lord, **here** is me... just wanting  
to be here with You.

In the name of Jesus,  
the only One who has ever  
loved me to death,  
and back to the realest life,

*Amen*

7

You'll get no false sense of self-  
sufficiency from me right now--

Only **HELP**:

Help: Still my heart to hear Your  
heart for me.

Help: Secure my mind in You,  
that You are my vine, where I  
rest and abide,

You producing all my fruit.

3

How could You be asking me  
to point to Your goodness  
through this?

How could I be more  
cruciform like You with all  
of this?

How could I simply be with  
You and love You more in  
this?

2

LORD,  
You'll get no Whys from me  
right now--

Only **HOW**:

How would You like me to be  
through this?

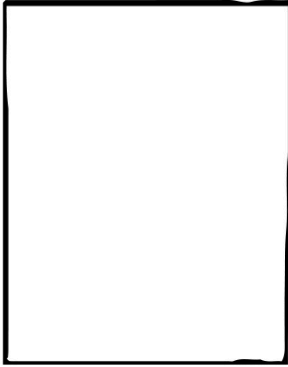

How would You like me to  
steward this?
