# 40 DAYS OF SEEING YOURSELF *in Scripture*

A VISUAL PILGRIMAGE THROUGH THE GOSPEL OF JOHN

*This practice is an invitation* to not merely read the story but to enter it—to walk alongside Jesus, to hear His voice, and to see His story unfold in a way that opens your heart to the truth that He has fully entered into your story. It's a way of letting His Word take root, not just in your mind, but in the rich soil of your spirit, as you engage with Him with all your senses—seeing, imagining, listening, and feeling His presence.

**Begin each day with open hands and a quiet heart, asking the Holy Spirit to meet you here. Whisper your need for Him to open your eyes, to soften your heart, to make this experience holy. Let this time become a still, sacred space where His story shapes yours.**

## HOW TO TAKE THIS VISUAL PILGRIMAGE

### *Focus on the Image*

- **Spend a few moments with the artwork. Notice where your eyes are drawn.**
- **Can you picture yourself in this scene?**
- **Where are you? What are you doing? Why might you be doing this?**
- **Who else is there? What emotions fill the space?**
- **What is Jesus saying to you as you enter the scene?**
- **What is Jesus particularly and tenderly inviting you into that changes the scene of your life right now?**

### *Reflect and Journal*

- Take a few moments to write down your thoughts, impressions, or what you sensed the Holy Spirit revealing to you.
- Did any part of the Scripture or artwork resonate deeply with you?
- How might this moment with Jesus change the way you approach your day?

### *Close in Prayer*

Thank Jesus for meeting you in this time. Ask Him to help you carry what you've received into your daily life.
