

Marci Nigro

Partner

As partner, Marci advises executives in need of extraordinary talent to help their companies with growth, innovation, and diversity initiatives. Having conducted over 400 searches over her 25 years in executive search, she is highly experienced in the technology, digital health, professional services, and private equity industries. Her clients range from private equity firms and their portfolio companies to large enterprises and startups. Marci also centers her practice area around diverse candidates in these sectors.

Marci first joined TEG Consulting in 1996 and played an instrumental role in helping the firm achieve exceptional growth for two decades. Marci has also been the founder and CEO of Appointed Partners, a talent solutions firm focused on coaching board and c-level executives on achieving their career aspirations. Earlier in her career, Marci was promoted through sales management roles over eight years with global telecommunications leader Cable & Wireless. She graduated from Temple University with a bachelor's degree in journalism.
