Accelerator Grant Program 2020 How to Complete Your Final Report

This document provides information to grant applicants on the final report process for recipients of an Accelerator Grant.

Applicants are asked to submit their final reports no later than the last day of the fourth month following the month in which funds were disbursed by The Arts Commission, unless otherwise requested and approved in writing. Grant period dates will be confirmed in writing through an individualized grant agreement that the recipient will review and signature accept.

Grant Program Participants are asked to:

- Spend grant funding in the manner described in the grant application no later than forty-five days following the disbursement of funds by the Arts Commission.
- Submit a final report with below stated attachments in designated file formats no later than 120 days following the disbursement of funds by the Arts Commission, unless otherwise requested and approved in writing.
- Final reports should be submitted online at theartscommission.org/forartists Click on the button *submit accelerator grant final report*
- Artist are asked to include acknowledgement in all marketing materials and signage with either “This project is partially funded by an Arts Commission Accelerator Grant made possible through support from ProMedica, the Ohio Arts Council, the National Endowment for the Arts and other generous supporters” and/or using the Arts Commission logo from provided files and associated Style Guide.

We suggest that you create a draft of your answers in a word processing application to then copy and paste into the online final report form. Please note the stated character limits for each question on the online form.

The online final report process will ask for the below categories of information:

Grant Recipient Information

Name

Address

Phone

Email

Preferred pronouns

Social Media Handles

Narrative Information

What category or categories of support did you receive through the Accelerator Grant Program? (please check all that apply)

Equipment
