

2021 Ebeid Neighborhood Promise UpLift UpTown: Safety & Beautification Grant Program Guidelines

[APPLY HERE](#)

Funded by the ProMedica Ebeid Neighborhood Promise, UpLift UpTown supports projects, programs, events, and other approaches that address safety, blight reduction, greening, and beautification efforts in Toledo's UpTown neighborhood. Successful applications will address a specific need or area concern that contributes to increased perceptions of safety, reduce opportunities for crime, and contribute to enhancing the look, feel, and experience of the neighborhood. Resident-driven projects are preferred, however, neighborhood partners, stakeholders, and others leading projects are welcome to apply, so long as the project takes place within the neighborhood borders as depicted below and has a clear benefit to the Uptown neighborhood. Projects that include an artistic or creative element are encouraged.

We are currently supporting inclusive and impactful projects that take place in the 43604 zip code after July 1, 2021. Current granting levels are \$500 and \$1000 per project.

Please note: Individual Applications will be liable for tax consequences if they receive a check payable to them over \$600 (or receive more than \$600 in total payments from The Arts Commission within a calendar year). Arts Commission staff will connect applicants with the Ebeid Center's Financial Opportunity Center to assist in managing tax liability or other financial management needs.

If you have questions about the grant application or seek assistance connecting with collaborating artists, please contact Lindsay Akens, Creative Placemaking Manager at The Arts Commission, LAKENS@theartscommission.org or by phone 419-254-2787 x1019.
