Support Connectivity In Action

For organizations that are on the leading edge of digital connectivity and interoperability, sponsoring AgGateway events offers the opportunity to support the important work of our member volunteers. Sponsorship dollars allow AgGateway to develop highly productive, value-packed experiences for attendees, ensuring that we're advancing on our key goals in an enjoyable, creative, high-energy environment.

In return, sponsors enjoy unique value and benefits for their investment:

- 1 Maximize Exposure:** Put your company's name in front of hundreds of leaders focused on advancing digital connectivity in the agriculture industry.
- 2 Create Affinity with the Digital Ag Leaders: This is the place to be!** AgGateway is the recognized forum for the exchange of ideas and digital implementation in agriculture. If you want to be seen as a leader in digital ag, sign up now. Hundreds of ag professionals will see your logo and associate it with efforts to increase business efficiency, improve information exchange, and advance the industry's efforts to feed and fuel the world.
- 3 Support The Connectivity Cause.** Your investment is critical in supporting AgGateway's work, and we've developed a broad selection of sponsorship opportunities for your consideration. Acting now ensures you get the package you want, which is important – several opportunities are limited and are based on a first-come, first-served basis.

About AgGateway Events

AgGateway hosts two major events annually, bringing together our member companies and affiliated organizations along with connectivity stakeholders from across the agriculture value chain.

Mid-Year Meeting

June 8-10, 2026

Prairie Meadows Racetrack and Casino
Altoona, Iowa USA

The Mid-Year Meeting is a true working event. AgGateway working groups discuss the status of key projects and set plans for the remainder of the year, and attendees representing a wide range of industry segments meet to share connectivity challenges and opportunities that lead to identifying new projects. The event also offers orientation for new members, business-focused sessions providing industry perspective, and numerous high value networking and education opportunities.

Annual Conference

November 9-11, 2026

Hilton Nashville Downtown
Nashville, TN USA

The Annual Conference is AgGateway's flagship meeting, attracting not only members but industry leaders and decision-makers that are interested in exploring what AgGateway has to offer – and to gain insight into the important advances taking place in digital agriculture. The event features organizational meetings, general sessions with industry leaders, presentations on a wide variety of interesting topics, prestigious industry awards, and multiple open working group sessions focused on the many AgGateway projects underway.

June 8-10, 2026

- Signage with your company name/logo (along with all Silver Sponsors) posted at breakfasts
- Shared screen display of your company name and logo during the opening General Session
- Recognition on top-level sponsor banner with your company name and/or logo
- “Thank You” in the AgGateway eNewsletter and social media posts prior to event
- Company logo and sponsor link on AgGateway website and event Mobile App

Ala Carte Sponsorships

These options provide more targeted opportunities to reach attendees and demonstrate your support. Along with the benefits described below, all sponsors will be acknowledged on the AgGateway website, at the event, and in the conference app.

\$5,000 Conference Internet Service

(1 available) All attendees will use a customized password you define to log onto a landing page featuring your logo.

\$5,000 Room Key Cards

(1 available) Room key cards are custom printed with your company logo. Each time a conference participant enters his or her room at the conference hotel, your logo will be front and center!

\$4,500 Attendee Lanyards Sponsorship

(1 available) This provides the opportunity for your company name and/or logo to be placed on the lanyards attached to each attendee name tag.

\$4,500 Attendee Nametags

(1 available) This provides the opportunity for your company name and/or logo to be placed on the front of no-flip nametags provided to all meeting attendees.

\$3,000 Gateway to Ag Careers Sponsorships

(Several available) Each year, AgGateway's successful Gateway to Ag Careers program provides a select group of college students with the wonderful opportunity to observe and participate in the conference, providing them with insight into real world operations within their major fields of study. This sponsorship covers a student's travel expenses, lodging and meals at the conference. This is a great opportunity for everyone involved: Students learn about our member organizations, and our members get a first look at new talent. This is truly a unique opportunity for your organization to encourage and support the next generation of leaders in agriculture.

\$2,500 Water Station Sponsorship

(1 per day) When our attendees get thirsty, they will see your logo next to every water station for an entire day.

\$1,500 Break Out Session Sponsorship

(Several available) Show your support by sponsoring one of the "Meet-Up" sessions (topics selected are first-come, first-served) planned at the conference, which are designed to dive into a specific topic or sector issue related to digital connectivity. Sponsors receive verbal acknowledgement at the meeting as well as signage with your company name/logo posted at the meeting.

Don't see your ideal sponsorship, or have a special idea? Let's talk!

Thank you for your support of AgGateway! We look forward to promoting your company and its products and services to AgGateway attendees in 2026!

www.AgGateway.org

AgGateway is a non-profit organization that helps agri-businesses expand their ability to exchange and use data. Our members develop standards and other resources so that companies can rapidly access information. No other group is doing what AgGateway does; We provide a unique, global forum across industry sectors, where companies come together to solve digital challenges for agriculture and related industries. The result:

- More efficient supply chain processes
- Producers and their partners can better leverage data to increase profitability, traceability and sustainability
- Companies can optimize service to customers and their advisors.
