

February 4, 2020

Valued Anvil and Smith-Cooper International Customer,

Effective March 2, 2020, SPF Anvil and SCI cast iron threaded fittings, ductile iron threaded fitting and o-let price sheets will be consolidated together to align pricing across the product lines. The Smith-Cooper list prices have been aligned to the most recent Anvil list price sheet. To keep pricing consistent, we will be adjusting multiplier discounts to equalize pricing across common SKU's in each of the three product categories. Adjustments will be automatically updated in the Anvil International and Smith Cooper billing systems on the effective date of March 2, 2020.

Product Line	Price Sheet
SPF Cast Iron Threaded Fittings SCI Cast Iron Threaded Fittings	SPF.CI-3.20 CIT0320
SPF Ductile Iron Threaded Fittings SCI Ductile Iron Threaded Fittings	SPF.DI-3.20 DIT0320
SPF Fire Protection O-Lets SCI Fire Protection O-Lets	SPF.OLET-3.20 CWO0320

New excel list price sheets will be available for download in the next few days on the Anvil and Smith Cooper websites, www.anvilintl.com www.smithcooper.com Please contact your local Anvil Smith Cooper sales representative with any questions.

***Moving forward we will be announcing the same type of adjustment to import forged steel, import malleable, and import pipe nipples to complete the price alignment.

Thank you for your continued business,

Dean Taylor
Executive Vice President of Sales
