

### Merged Anvil and SCI Consolidated SKUs

The merger of Anvil International and Smith-Cooper International has created the opportunity to consolidate products where overlap exists. Please note the following regarding product consolidation and associated files:

- Files named “Merged Anvil and SCI [*Product Line*] Consolidated SKUs” has the following information

Column	Header	Description
A	Product Description	Final product description
B	Merged Anvil and & SCI Final Item Number	This is the final item number for each SKU. The previous SCI item number (column K) and 10 digit transition item number (column J) will be inactivated as inventory is depleted. <b>Customers should expect that they may receive product labeled with either the item number in Column B or the item number in Column J during the transition independent of which item number they originally ordered.</b>
C	New Item to Anvil	No = Final item number is not new for any legacy Anvil customer. This item number is new for legacy SCI customers  Yes = Final item number is new to legacy Anvil customers. This items is not new for legacy SCI customers who have transitioned to item numbers in Column J.

		<p><b>during the transition independent of which item number/UPC they originally ordered.</b></p> <p>If these columns are blank, the item is not being consolidated at this time. Please use columns D-E and G-I as the final merged Anvil and SCI UPC numbers.</p>
--	--	---

- Other notes regarding product consolidation
  - **Where two items exist that are similar in description except one is labeled SCI and the other is labeled SPF, both items will continue to exist. In order to best ensure continued service, please use the part number associated with the brand typically purchased.**
  - All Threaded Iron and nipple consolidated products will be branded with the SCI logo, products will no longer be branded with the SPF logo
  - Product labels may contain either the final merged item numbers and associated UPCs or the transition item numbers and the associated UPCs while inventory is depleted.
  - The design, function, and industry approvals of all consolidated threaded iron and nipples will not change.

Please visit [www.anvilintl.com/company/merger](http://www.anvilintl.com/company/merger) or contact your local sales representative for more information regarding this change.
