

CERTIFICATE OF COMPLIANCE GRAY IRON (CAST IRON) Flanged Fittings

This is to certify that Anvil International Gray Iron Flanged Fittings are procured unfinished from Mexico and machined and finished in the USA. These products are TAA compliant per the Trade Agreements Act (19 U.S.C. §§2501-2581). They comply with the following specifications:

Dimensions	ASME B16.1, ASME B16.5
Material	ASTM A-126
Galvanizing	ASTM A-153
Pressure Rating	ASME B16.1, ASME B16.5

NOTE: The Gray iron Flanged Fittings are UL/ULC listed and FM approved.

Certified for and on behalf of Anvil International:

A handwritten signature in black ink, appearing to read "Matthew Lux", is written over a horizontal line.

Matthew Lux
