

**Save The Date** to Celebrate **The Jubilee of Jubilees 2026** with us!

Dear Urantia Family,

Mark your calendars for **Sunday, May 17, 2026** when we will gather altogether to honor and celebrate **The Jubilee of Jubilees** in recognition of our Divine Universe Parents, our **Sovereign Master Michael and Divine Mother Spirit!**

First and foremost, we wish to present our gratitude to Brother Josh Wilson for having initiated this idea of celebrating this most important event in our entire Local Universe of Nebadon, which was celebrated upon Michael's return to Salvington after having ascended to the right hand of the Father, there to receive his well-earned unconditional rulership of all Nebadon, following His Ascension on our blessed planet Urantia on May 18, 30 AD.

While the first **Jubilee of Jubilees** celebrations allowed the international readers of The Urantia Book who participated to welcome and get to know the principal directors and representatives of the various groups and organizations who joyfully participated, namely the Urantia Foundation, The Urantia Book Fellowship, Urantia Association International and its various branches, Urantia University, The Center for Unity including Cosmic Creations, the Urantia Book Readthru Project, Urantia Book Network, Invisible Brotherhood, and all the related podcasts and radio programs such as The Cosmic Citizen Broadcast, The Divine Within, Symmetry of Soul, Urantia Radio Podcast and The Urantia Book with Nick Curto, and also the many artists like movie maker and author David Kantor, violinist Cristina Seaborn and cellist Ruthie Wilde, pianist Brother Josh Wilson, singer Pato Banton, Gary Tonge Revelation Art Works, gifted painters like Patrick Yesh and Steve Sawyer, plus other groups like UBIS, Pipeline of Light, The Christ Experiment, PIRT USA /CANADA, Square Circles, and ordained ministers like Paula Thompson, Trudi Cooper, Zshonette Reed, Gary Deinstadt, Michael Perrie, as well as authors of secondary works like Michael Maclsaac, JJ Johnson, Chris Lepine and Jim Downs to name a few ~ to everyone who participated previously, we offer our sincere gratitude for your contribution to the dissemination of the Fifth Epochal Revelation of The Urantia Book.

This time, the focus of the **Jubilee of Jubilees** celebration is to offer *the readers* an opportunity to present either a song, a poem, a prayer, a testimonial, a lesson to share, a UB painting, a specially made video, some humor, a special UB quote or a story of their own creation presented to our Heavenly Divine Parents. You can contact me personally if you would like to make a 5-minute presentation of your unique gift to everyone present at the Jubilee celebration. Starting this year in May 2026 we will be presenting our Divine Brother Michael and Mother Nebadonia, as some like to call Her, our devoted and sincere message of Love, Peace and Joy of appreciation for all that They have, are, and will continue to do for all Their Creation in our Local Universe of Nebadon, in preparation for, God Willing, our pilgrimage to the Holy Land of Israel in May 2030 which will mark the second millennium of Michael's Ascension, and where we will go to celebrate the Official Inauguration of The Jubilee of Jubilees on the Mount of Olives, exactly where Jesus Christ Michael made His Ascension surrounded by His apostles, inauguration which will be presented live internationally via zoom, for those who will not be able to join us in the Holy Land of Jesus in the presence of our angelic sisters ~ for the Glory of God.

We look forward to welcome you at **The Jubilee of Jubilees 2026!**

More information will come soon in our next April email.

We send you all Brotherly Love & Blessings,
