

Williamson Crop Insurance

2022 Indiana Winter Meeting Schedule

We have a great line up of speakers for our upcoming winter meetings. Please join us if your schedule allows! Jason Williamson will start each meeting with important topics in crop insurance along with guidance to help with your 2022 FSA program election.

Wednesday, January 26th - 8:30AM

Location: Habecker Dining Commons at Huntington University in Huntington, IN

Speakers: Jason Williamson and Richard Brock with Brock & Associates

Guest Speaker Topic: Grain Market Outlook

Meal: Lunch following the meeting

Partner: Beacon Credit Union

Richard Brock is owner and president of Brock Associates, an agricultural marketing advisory service and publisher of The Brock Report, established in 1980. His firm, based in Milwaukee, WI, now has eight offices, manages grain sales on over 800,000 acres throughout the U.S. and is an advisor on purchasing strategies for many large poultry, pork, dairy and food companies. Brock grew up on the family grain and pork farm in central Indiana. He received his Bachelors of Science Degree in Agricultural Economics from Purdue University and his Master's Degree from Cornell University. He and his wife Cathy have three grown children and ten grandchildren.

Friday, January 28th - 9:30AM

Location: The Back 40 in Decatur, IN

Speakers: Jason Williamson and Steve Maulburger with Crop Risk Services

Guest Speaker Topic: How Change will Impact Ag.

Meal: Lunch following the meeting

Partner: Farmers & Merchants Bank

Steve Maulberger, VP, Crop Risk Services Inc. Steve is part of the executive team that manages the crop insurance division of AIG by focusing on helping innovative Ag Producers manage risk and link up with the right partners to maximize profitability and he is also somewhat of a futurist looking at what is next for Ag and the great American Farmer. Steve has 39 years of Ag experience, 34 of which was with ADM in various capacities. Prior to crop insurance, Steve was Managing Director for ACToepfer International, which was a global trading company based in Hamburg, Germany with operations in 62 countries. Steve has lived in Europe and South America and today resides in Central IL., with his wife. They have 7 children and 4 grandkids.

Wednesday, February 2nd - 9:00AM

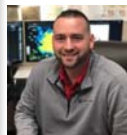

Location: Daniel Girls Farmhouse Restaurant in Connorsville, IN

Speakers: Jason Williamson and Michael Clark with BAM Chase Weather

Guest Speaker Topic: Weather Impact

Meal: Lunch following the meeting

Partner: Beacon Credit Union

Michael Clark is from Whiteland, IN where he went to high school and graduated in 2006. Michael has been obsessed with how weather impacts the economy for years. He studied Operational meteorology at Mississippi State University, and worked along side FOX59 Chief Meteorologist Biran Wilkes in Indianapolis for 3 years where he also did fill in work on TV from time to time. Michael handles the operations side of BAM ensuring timely and accurate reports are issued to clients daily. Michael and his wife Christie live in Indianapolis with their 2 daughters and son. Michael and his wife host a high school small group of kids and are actively involved in their church Emmanuel. His #1 goal is to TEACH the weather forecast so you understand how to SAVE and MAKE money around an accurate and reliable weather forecast.

Tuesday, February 22nd - 11:30AM

Location: Gasthof Amish Village in Montgomery, IN

Speakers: Jason Williamson and Rich Morrison with NAU Country Insurance

Guest Speaker Topic: Grain Market Outlook

Meal: Lunch between Jason and Rich's presentation

Partner: Beacon Credit Union

Rich Morrison is the Vice President of Farm Services at NAU Country Insurance Company. He was raised on a corn and soybean farm in east-central Illinois, and is a graduate of the University of Illinois. He spent 12 years working in the grain business prior to working with producers on risk management starting in 2000. Rich's role with NAU Country is to provide market information and revenue management advice to producers in a variety of ways. Rich provides a daily market report on WLDS radio in Jacksonville, Illinois, and is a regular contributor on both the Red River Farm Network and the American Ag Radio Network.
