

# Welcome to a great communications experience.

## Good news. Your building is connected to Verizon's fiber optic network.

You have access to high-speed and secure business-communications solutions from the provider ranked #1 in Customer Satisfaction with Small/Medium Business Wireline Service, two years in a row.\*

Because your building is linked to our network, you can more easily and affordably take advantage of enterprise-grade speeds and networking services designed specifically for growing companies. Your business can become more productive and competitive. That's as good for your customers as it is for you.

### Verizon Business Markets

- Available where you need us, across town or across the country
- Reliable network quality and performance from one provider
- Dedicated to service excellence with one of the largest, most secure IP networks

---
