January was a great start to 2021! We had awesome outcome numbers for what is usually a slower month in the shelter world.

February is National Spay Neuter Awareness month. We want to remind everyone to do their part to prevent pet overpopulation; if you feed, please fix! If you need resources for low cost options, please reach out to us.

## Literacy for Companionship

We are a few months into the new Literacy for Companionship program where children of any age can come in to the shelter to read to the animals. Books are provided by LfC or you can bring your own.

"The mission of Literacy for Companionship is to educate and empower children with the skills and confidence necessary to be good readers

while helping them understand the importance of showing animals compassion and empathy."

LfC is the first Thursday of every month from 4:00 - 6:00 pm. Sign up can be found on the LfC Facebook page or by visiting the Programs tab on their website at <https://lforcompanionship.org/>
