Whitley County
Newsletter

MARCH 2021

Note from Executive Director

Abbi Carroll

Our population is pretty low right now but we still have a great selection of animals if you are looking to adopt. As we gear up for the always busy warm months, we ask that if you have a population of cats you feed, to please do your part and get them spayed/neutered so they are not contributing to the ever growing population of unwanted cats. If you need help/resources for low cost options, please reach out to us. In 2020, we took in over 500 homeless cats and kittens and nearly 700 in 2019.

Kitten season is long and stressful on everyone and any donations towards their care is greatly appreciated! Our wish list on page 2 highlights the items most needed to help us prepare. You can also find these items on our Chewy.com and Amazon wish lists. We truly appreciate all of the support we receive from our community!

Upcoming Events

- **Nelson's Chicken Fundraiser**
May 15th - stay tuned for updates

Our Mission

To assure sanctuary for homeless animals and encourage responsible pet ownership.

Wish List

Help us stock up for kitten season in the spring!

- Meat flavored baby food
- Purina Kitten Chow
- Canned kitten food
- Kitten milk replacer
- Unflavored Pedialyte

Meet the Staff

My name is Brittany and I am the Animal Care Specialist here at the shelter, as well as a Registered Veterinary Technician. I graduated from International Business College's Vet Tech Institute in 2017 and worked in a clinic for a little over one year, until I saw an opening here at the shelter in 2018. Ever since I was able to walk it has been my dream to work in a shelter caring for those animals who need it the most.

My love for animals runs through all species. I currently have 4 rats, a Chinese water dragon, a goldfish, 3 cats and 4 dogs (Pitbull, Shepherd, Blue Heeler and a Mountain Cur). I love all of my pets, but I have always had a soft spot for the Pitbull breed. I have had my brindle Pitbull, Precious, for 8 years now and she has been my greatest blessing and best friend. In my free time, I enjoy fostering neonatal kittens and puppies as well as adults, and share them on my fostering Instagram page, @britts_babies. I also enjoy creating artwork, swimming/floating on the lake, snuggling all my pets and playing the Sims!
