

We hope you enjoyed your holiday weekend! Along with the Governor's plan, we will continue operating by appointment only. Our operations are subject to change should the State make any changes in the future.

We are continuing to try to balance helping those in need while keeping a manageable population in our care. Although we are transitioning intakes back into the schedule, we would appreciate it if the community would continue to call before coming in to relinquish so we can discuss options, procedures and protocols, and be prepared for incoming residents.

Volunteer orientation has been postponed for the month of July. We will keep you updated with a new date as soon as we have one.

Thank you for being patient and understanding with us over the last few months as we navigated through this storm!

Hours by appointment only are as follows:

Monday: 12-2

Tuesday: 12-2

Wednesday: 12-5

Thursday: 12-7

Friday: 12-2

Saturday: 10-12

We understand times could be hard in the coming weeks for some people. If you need help with pet food, please feel free to reach out for assistance.

We encourage you to monitor our website and social media channels for regular updates. We appreciate your cooperation as we move through this together as community.

If you have an  
appointment to  
meet with an animal  
or to reclaim, please  
call us when you get  
here.
