

The image shows three large, vertically oriented acoustic screens hanging from a ceiling. The screens are made of a textured fabric and feature a hexagonal shape with rounded corners. They are suspended by thin white cords. The background is a dark, horizontally-slatted ceiling. The screens are arranged in a row, with the central one being a vibrant orange-brown color, and the two flanking ones being a muted olive green. A large white diagonal shape cuts across the bottom left of the image, partially obscuring the screens and the text below.
