Part of your Community... Part of your Tomorrow.

Businesses are dreams that start with an idea and through hard work and perseverance become the financial foundation of the families who work everyday to keep them growing.

At Partners 1st, we understand this. For over 60 years as a not-for-profit organization, we have focused our efforts on providing great service and affordable financial solutions to over 26,000 members and their families.

Whether your company is looking for a line of credit, to re-evaluate a real estate loan, or to put new equipment into production, we have the individualized lending product for you.

Business Lending

Having a strong, reliable financial partner is important as you grow your business. Partners 1st gives you the best in local decision making and flexible lending options.

Commercial Real Estate

You have found the best location; now you need the best financial partner to make it fit your budget. Partners 1st is big enough to make it happen and small enough to meet your business's individual needs.

Equipment/Vehicle Financing

Need more working capacity? Whether you're looking at new or used equipment/vehicles or simply need to refinance existing assets, Partners 1st can match your vision, needs and budget to provide for a brighter future.

Lines of Credit

Day to day is a balancing act. At Partners 1st, we can provide you with a line of credit that smooths out the peaks and valleys so you can focus on growth.

SBA/CDC

We love the entrepreneurial spirit and believe small businesses make our nation great. Partners 1st is proud to work with the local Small Business Administration and Community Development Corporation to bring your idea to life

Business Credit Card

At Partners 1st, we offer one of the best rates on business class credit cards. Contact us today to see how easy it can be to get your business and staff set up.

Business Services

While a loan can get your business started, you need daily support through a full complement of business services provided by Partners 1st Federal Credit Union.

Deposit Solutions

At Partners 1st, we work hard to help your money grow. With competitive interest rates, we offer easy access to your money with a nationwide ATM network, and convenient online and mobile banking.

Cash Management

Online and mobile account access, remote deposit capture, business ACH and on-line bill pay are just a few ways we assist you in managing your cash.

Business Checking

If you're in business, then you pay bills. At Partners 1st, we understand every business is different. We look at your individual needs and provide a checking and bill pay option that best fits the way you want to do business.

Merchant Services

Accepting credit card payments from your customers can increase sales by simply offering another popular option for customer to pay. Partners 1st can assist with your credit card processing.

Health Savings Accounts (HSA)

A health savings account (HSA) from Partners 1st is a tax-free way for employees covered by qualified high-deductible insurance, or an HDHP, to save for future healthcare expenses.
