Rev-A-Shelf® Introduces the 4WCTCC Series Craftsman Collection Walnut Right-Fit Cutlery Tray Inserts – A Stylish Upgrade for Kitchen Organization

Rev-A-Shelf® is bringing sophistication and convenience to kitchen organization with the launch of the 4WCTCC Series Craftsman Collection Walnut Right-Fit Cutlery Tray Inserts. Designed to elevate drawer storage, these premium cutlery trays combine elegant craftsmanship with effortless installation, making them a must-have for homeowners and designers alike.

Each tray is crafted from solid wood, ensuring both durability and timeless beauty. The recessed black wire accents provide a modern touch, adding a level of sophistication not found in standard cutlery trays. The unique curved design enhances both visual appeal and accessibility, allowing for easier access to utensils.

Designed to fit 5/8" thick drawer boxes in 15", 18", 21", and 24" widths with a 1-1/2" face frame, these inserts offer a precise, right-fit design that requires no tools or trimming. Installation is quick and effortless, allowing users to simply drop the insert into place within seconds.

For added convenience, each cutlery tray includes a removable black non-skid vinyl mat, which helps keep utensils in place and prevents sliding during drawer operation.

About Rev-A-Shelf® LLC.

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, high performance shelving hardware, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf® subsidiary, including range hoods and floating shelves, as well as high-performance InnoVaShelf® floating shelf brackets. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.
