Rev-A-Shelf® Acquires All Rights to InnovaShelf Floating Shelf and Cabinet Bracket Systems

LOUISVILLE, KY – July 8, 2025 – Rev-A-Shelf®, a leader in innovative home organization and storage solutions, is pleased to announce that it has acquired InnovaShelf floating shelf and cabinet bracket systems.

This strategic acquisition follows the formal partnership between Rev-A-Shelf® and InnovaShelf, which was publicly announced at the Kitchen & Bath Industry Show (KBIS) earlier this year. Starting August 1st, 2025, as part of this agreement, all orders and distribution of InnovaShelf branded products will now be handled exclusively through Rev-A-Shelf®.

"This acquisition reinforces our commitment to expanding thoughtfully engineered solutions for both homeowners and industry professionals," said Steve Jones Jr., General Manager of Rev-A-Shelf. "The InnovaShelf bracket systems is a natural complement to our Omega National Products by Rev-A-Shelf® line of wood floating shelves, and we are excited to fully integrate it into our offering."

All inquiries related to the InnovaShelf floating shelf bracket systems, including product availability, pricing, and distribution, should be directed solely to Rev-A-Shelf®.

About Rev-A-Shelf®

Established in 1984 as a division of the family-owned Jones Plastic & Engineering, Rev-A-Shelf® LLC initially specialized in crafting metal and polymer Lazy Susan components for prominent U.S. cabinet manufacturers, distributors, fabricators, and retailers. Over time, it has transformed into the market leader, offering innovative residential cabinet storage solutions, high-quality wood components, and cutting-edge L.E.D. cabinet lighting.

Located in Louisville, KY., Rev-A-Shelf® is renowned for manufacturing thousands of innovative kitchen, bath, and closet accessories. Its reputation for superior craftsmanship extends to a diverse range of products produced under its Omega National Products by Rev-A-Shelf subsidiary, including decorative molding, range hoods, and floating shelves. Additionally, Rev-A-Shelf® offers a comprehensive selection of L.E.D. lighting options for residential cabinetry and commercial display fixtures under the Tresco Lighting® brand.

Rev-A-Shelf® caters to primary markets, serving cabinet hardware distributors, major O.E.M. cabinet manufacturers, leading big box retailers, and a wide array of online web resellers.

About InnovaShelf

InnovaShelf is a patented floating shelf bracket system designed for simple, sturdy, and concealed wall shelf installations. Known for its superior strength, ease of use, and versatility, the system supports a wide range of shelf styles and depths without visible supports. With multiple bracket sizes and adjustability features, InnovaShelf is ideal for residential, commercial, and custom applications. The brand has become a trusted solution among woodworkers, designers, and installers seeking clean, modern aesthetics without sacrificing stability.
