

Time to renew your membership in the American Wagyu Association

Renewing your membership is a simple task to be completed once a year.

Prior to any new work being submitted members will need to renew their membership. This includes prior to recording, DNA testing, registering, or transferring any animals.

The question often comes up, “how do I renew my membership?”

The process is simple. Follow these steps and you will receive an invoice for your membership renewal.

1. Log onto your DigitalBeef account. If you have trouble with this step be sure to call the office.
2. When your General Profile Information page displays in the center of the screen, look on the left side and you will see “Membership Ends: 12/31/2023” and next to that is a “Renew” button.
3. Click the renew button. A message will display asking you if you agree to follow the AWA rules. Please click on this button.
4. Even though your Account Balance does not change at this moment, a work order will be created and an invoice for your membership renewal fees will be sent to you on the next business day via your email.

Remember, at any point you have questions please do not hesitate to call the office. We are pleased to help in any way we can. (208) 262-8100.
