

Over 80 Company Operated Full-Service Car Washes

Our Development Philosophy:

Our development philosophy is to keep things simple. In keeping a lean real estate team decisions can be made quickly. Our goal is to make deals easier by being well-informed and by working efficiently and effectively.

» STABLE

With over 50 years in operation, Autobell® continues to demonstrate the capacity for an aggressive growth and success.

» ATTRACTIVE

Well-maintained facilities and professional uniformed staff bring value to shopping centers and neighborhoods.

» NIMBLE, EFFICIENT

Our small, professional, and well-seasoned team brings quick results.

» LONGEVITY

Autobell® has never closed a location.

Autobell Facts:

- Autobell® was founded in 1969 and has never sold or closed a location in over 50 years of business.
- Over 50% of business occurs between the hours of 10am and 3pm.
- 60% of customers' visits occur while running errands.
- The typical Autobell® customer is married, highly educated, and has a mid- to high-income.
- We use only state-of-the-art car wash technology that allows our facilities to treat 100% and recycle up to 100% of wash water, and we dispose of treated wash water only into approved water treatment facilities.
- Autobell® employs over 3,000 staff members and continues to grow with each new location.
- The Autobell® Fundraising program allows 501(c)3 organizations to keep 50% of sales and has raised over nine million dollars for charities since 1998.
