Virtual Campus Tour
Take a campus tour from home with Mason’s Virtual Tour at www.youvisit.com/gmu
The Arlington Campus
This campus, located in the safe and urban Arlington neighborhood of Virginia Square, has a strong focus on career development and hosts a variety of Mason’s graduate and professional programs. Just 15 minutes outside of Washington, DC, the Arlington Campus is located a short distance away from Amazon’s future second headquarters.

Living Near Washington, DC
Washington, DC offers endless cultural and social opportunities year-round.

• Visit famous attractions including the US Capitol building, the White House and free Smithsonian museums.
• Taste authentic cuisines from one of DC’s 2,200+ restaurants.
• Cheer on a DC sports team at a baseball, basketball or hockey game.
• Watch a performance at the world-famous Kennedy Center.
• Attend one of DC’s many multicultural festivals.

The Fairfax Campus
Fairfax is a safe, residential area in the heart of Northern Virginia that students love to call home. There are diverse restaurants, shops and theaters within walking distance of campus. Students can take free shuttles around Fairfax and get dropped off at the Metro station to go directly into Washington, DC.

The Arlington Campus
This campus, located in the safe and urban Arlington neighborhood of Virginia Square, has a strong focus on career development and hosts a variety of Mason’s graduate and professional programs. Just 15 minutes outside of Washington, DC, the Arlington Campus is located a short distance away from Amazon’s future second headquarters.

Programs Offered
You will have classes at this campus if you are in one of the following Graduate Pathway programs:

• Accounting*
• Arts Management
• Business Administration (MBA)
• Conflict Analysis and Resolution
• Economics
• International Commerce and Policy
• Management (Business)
• Public Policy
• Real Estate Development

* The Accounting Pathway courses are held in Fairfax, but the accounting degree program is based in Arlington.

Find out more about our Arlington Campus at arlington.gmu.edu
If you are not required to live on campus, you can request to live in the Mason Global Center if space is available. Graduate Pathway students may request a single room in the Mason Global Center (additional fees apply). Single rooms are not guaranteed and are issued on a first-come, first-served basis.

For more information about living at Mason, visit www.intostudy.com/mason/living

The goal of international affairs is to contribute to society and to improve lives all over the world. At George Mason, you are encouraged to analyze these global issues and think critically. It’s one of the most valuable skills that you can learn for the working world.

Kevin, China
Master’s in International Commerce and Policy

As a top 100 public university, Mason’s programs prepare you to lead the way in innovative research, new technologies, global policy and cybersecurity.

International Relations, Economics and Business
With Washington, DC as your backyard, there is no better place to prepare for a global career. Mason’s top-ranked programs from the Schar School of Policy and Government, School for Conflict Analysis and College of Business prepare you to engage and communicate across cultures. Students gain access to world-renowned organizations and engage in issues by studying foreign affairs, diplomacy, international development and business.

Engineering and Cybersecurity
Mason’s engineering program was built to directly assist with official national security priorities, and holds one of the longest track records of advancing information security in the United States. Mason was also ranked the No. 1 US university for discovering and developing cybersecurity talent, and our graduates go on to lead impactful careers around the world according to SANS 2019.

Top Employers of Mason Alumni

WORLD-CLASS FACULTY AND ALUMNI

At Mason, you will learn from professors who are top scholars in their fields and global policy makers for today’s largest issues. Discover how Mason’s expert faculty will transform your academic journey into meaningful career development.

Learn from Policy Leaders

Mason’s faculty are not just in your classroom, they are taking part in global discussions at the White House, the United Nations, United States Congress and more. It is common to see your professors penning articles in prevalent publications like The New York Times, The New Yorker and The Washington Post that circulate around the world.

Michael V. Hayden is a former CIA and NSA director who teaches in the Schar School of Policy and Government. He also founded the Michael V. Hayden Center for Intelligence, Policy and International Security at Mason.

Terry McAuliffe is a former Virginia governor who serves as a visiting professor in the Schar School of Policy and Government.

Mason’s Alumni Change the World

We are not kidding, Mason’s alumni are out of this world. They go to space. They win Pulitzer Prizes. They work in the White House. They create life-changing laws. With a Mason degree, you can do anything.

Anousheh Ansari got her bachelor’s in electrical engineering from Mason. She was the first Iranian-American and Muslim woman in space.

Hala Gorani got her bachelor’s in economics from Mason and is an award-winning CNN anchor. She is the senior correspondent for CNN International based in London.

Did you know?

• 82% of Mason graduates are employed within six months of graduation
• 82% of employed students are in positions related to their career goals
• $61,100 median first-year salary, plus bonus, reported by students after graduation

THE ARRIVAL OF AMAZON’S WORLD HQ 2

Amazon announced that Northern Virginia—where Mason’s Arlington and Fairfax Campuses are—is future home to the tech giant’s second headquarters. Amazon expects to create more than 25,000 job opportunities for highly skilled graduates.

Mason will create a pipeline for talent and innovation that serves the region by investing $250 million to expand the Arlington Campus over the next five years, including:

• A new School of Computing on the Arlington Campus
• Institute for Digital Innovation (IDIA), a hub of innovation bringing together entrepreneurs, researchers and business leaders
• Increasing enrollment from 6,500 students in computing programs to 13,000 by 2024

If you are interested in a specific academic program at George Mason University, please contact the Office of International Student Services for more information.
UNDERGRADUATE ADMISSIONS

We offer several routes to admission. With more than 80 bachelor’s degrees, flexible study plans and start dates throughout the year, we will help you find the option that is right for you.

There is no need to stress about where you start just focus on where you’re going! We don’t design our programs for one type of student; our programs are built for everyone, where you begin is on your grades and English level. Where you end up is where you want to be: graduating with a bachelor’s degree from George Mason University.

→ DIRECT ENTRY: If you meet the academic and English language requirements for your degree program, you can apply directly to George Mason University.

To apply, you will need the following documents: declarations, high school transcripts, university transcripts (for transfer applicants), proof of degree, personal statement, accounting of time, passport, English test score and personal statement (recommended). An application fee may apply. For more information, visit catalog.gmu.edu/admissions/international-students.

→ INTERNATIONAL YEAR ONE: International Year One allows you to begin earning credits toward your degree if you do not meet the academic and English language requirements for direct entry. You will receive additional academic, English language and cultural support to help you successfully complete your first year and graduate in the same amount of time as direct entry students. For more information, visit www.introtosumy.campus/programs.

→ ENGLISH LANGUAGE PROGRAM: If you do not meet the direct or International Year One entry-language requirements, you cannot enter our Academic Program to improve your academic and language skills. Once you have achieved the required language level, you can progress to International Year One or enter your degree program directly. Learn more on page 21.

### Why Choose UTP?

Choosing UTP provides a customized cost-effective path to your bachelor’s degree. Before your program starts, Mason will provide you with an estimate of credits that will transfer to the university. Once you arrive on campus, our friendly staff will be available to help you transition to life at a US university. You will also have access to helpful resources including academic, English language, and cultural support. If you do not meet the English language entry requirements for the UTP, you can enter our Academic English program before progressing to either the UTP or direct transfer to Mason.

### Undergraduate Transfer Program Benefits

- Transfer of credits from your college or university-level classes to your degree
- Receive customized curriculum of university credit-bearing courses
- Quick turnaround time for offer (5-7 business days)
- Unofficial Pre-arrival Credit Evaluation (15 additional business days
- Transfer of credits from your college or university-level classes to your degree
- Academic advising and support throughout the program including academic, English language and cultural support. If you do not meet the English language entry requirements for the UTP, you can enter our Academic English program before progressing to either the UTP or direct transfer to Mason.

"My time here at INTO Mason prepared me for university. I had classes which helped me to adjust to US life and to academics. I felt myself much more open to speak and to express myself. It just made me think in another way.“

Sabina
Uzbekistan
Graduate Pathway in Psychology

ACADEMIC ENGLISH

Our Academic English program helps you improve your language skills while adapting to US culture. Additionally, you can choose electives to match your interests, learn industry-specific vocabulary or prepare for standardized tests.

What You Will Learn
- Understand US values in an academic setting.
- Present spoken and written ideas accurately and effectively in English.
- Write research papers with proper use of citations and references.
- Read, understand and critically evaluate academic texts.
- Understand and use vocabulary common to academic disciplines.
- Take useful and accurate notes in academic lectures and presentations.

Content-Based Instruction
Students will explore American culture, contemporary American issues and other topics that will build the background knowledge and the study skills needed for success in their Pathway program courses.

University and Community Engagement
Academic English students begin making connections with Americans right away. Academic English classes are located alongside university classes to both international and American students are walking the hallways of the Mason Global Center.

The Conversation Partners program allows students to improve conversational skills while adapting to US culture. Additionally, you can choose electives to match your interests, learn industry-specific vocabulary or prepare for standardized tests.

Estimated Academic English (AE) Level Based on Test Scores
Attributes: take a placement test during Orientation to determine their AE level. The table below shows your estimated level of AE based off your standardized test scores.

Key Program Facts
- High school diploma required
- Minimum age 17 (students under 17 can be accepted on case-by-case basis)
- No English language requirement; students will be assessed and placed upon arrival
- Program length: 16 weeks (11 weeks in Summer)
- 18-20 hours of instruction per week (25 hours in Summer)
- Minimum enrollment: 1 semester
- (levels of instruction from beginner to advanced).

Progression Requirements
- International Year One 3-Semester Pathway
- Completion of Academic English Core and Oral Communication Skills Level 3 or higher
- International Year One 2-Semester Pathway
- Completion of Academic English Core and Oral Communication Skills Level 4 or higher
- International Year One 1-Semester Pathway and Undergraduate Transfer Program
- Completion of Academic English Core and Oral Communication Skills Level 5 or higher
- Direct Undergraduate Admission
- Completion of Academic English Core and Oral Communication Skills Level 6 or higher
- Graduate 2-Semester Pathway
- Completion of Academic English Core and Oral Communication Skills Level 7 or higher
- Graduate 1-Semester Pathway and Bridge Program
- Completion of Academic English Core and Oral Communication Skills Level 8 or higher
- Direct Graduate Admission
- Completion of Academic English Core and Oral Communication Skills Level 9 or higher

Start Dates for Academic English
- Fall 2020: Aug 17, 2020
- Spring 2021: Jan 12, 2021
- Summer 2021: May 12, 2021
