About the Foundation
The Morris K. Udall and Stewart L. Udall Foundation is an independent federal agency of the U.S. Department of the Interior and the U.S. Department of the Interior. It was established by Congress in 1988 to honor the legacies of Representatives Morris K. Udall (D-AZ, 1961-1987) and Stewart L. Udall (D-AZ, 1937-1988) and the Udall Foundation’s scholarship programs are administered by the Foundation’s Native American Scholarship Program.

The Foundation was established by Congress to honor the legacies of Representatives Morris K. Udall (D-AZ, 1961-1987) and Stewart L. Udall (D-AZ, 1937-1988) and the Udall Foundation’s scholarship programs are administered by the Foundation’s Native American Scholarship Program.

The Foundation's scholarship programs include undergraduate scholarship internships and the Udall Park in the Park/Pathways to a Park program. The Foundation also conducts the Udall-U.S. Environmental Protection Agency (EPA) Internship Program, which assists federal agencies in recruiting environmental professionals.

My experience as a Udall Intern continues to push me to do and be my best to help the next generation. Without this experience, many doors I have walking through today would not have been opened.

Udall Scholarship

The Udall Foundation awards scholarships to college sophomores and juniors for leadership, public service, and commitment to issues related to Native Nations or to the environment.

The Udall Scholarship is

- Access to the Udall Alumni Network: an association of change-makers—working in Indian Country and environmental fields—sharing innovative ideas, professional advice, and job and internship opportunities.
- Five days in Tucson, Arizona, at Scholar Orientation: extending your professional network, meeting other scholars and alumni, and learning new skills.
- Up to $7,000 for eligible academic expenses.

Students can apply in one of these categories:

- **Tribal Policy**: For Native Americans and Alaska Natives working on an array of policy issues in Indian Country
- **Native Health Care**: For Native Americans and Alaska Natives pursuing health-related careers
- **Environment**: For undergraduates interested in conservation and environmental issues
